TRUE STORY OF "JENNIE" WADE, A GETTYSBURG MAID JOHN WHITE. JOHNSTON, 2018 Biscuits & Bullets: The Story of Jennie Wade Connie Heyer Hansen, 2021-09-23 Gettysburg To most people the very name conjures up images of war death destruction horrified screams and all manner of damage and ruin But to three people growing up there in the mid 1860s it was simply home Jennie Wade Jack Skelly and Wesley Culp played tag in the streets tossed pebbles into Rock Creek and fished from its banks They shared each other s secrets and dreams of the future But none foresaw what would happen when war reached their little town Gettysburg is situated a mere ten miles north of the Mason Dixon Line a hub where over half a dozen roads converge So when war started it was not inconceivable that the village would sooner or later be touched by it And touch it it did For three days in July 1863 the battle raged in and around the town until when it was over a village that numbered about two thousand souls suddenly found itself caring for over twenty thousand wounded from both sides In the midst of all the tragedy three friends emerged One joined the Union Army the other the Confederate Army and Jennie stayed behind War like death will not be ignored and it came to visit each of them in its own way Life too holds many secrets including how it ends As close as the three were in life they would never learn each other s secret ending Jennie Wade Tecla Emerson, 2024-03 It had been foolish to stay but now there was no choice It was anyone s guess what the outcome would be Nothing was as it should be Oddly the Confederate troops were pouring in from the north and Union troops were marching in from the south They arrived in droves The town was not prepared for what happened during the early days of the summer 1863 Jennie a young local girl did her best to keep up with the demand for bread and water and medical care for the troops Her brothers were scattered her sister would soon be having a baby her mother was not bearing up well and Jack her intended had not been heard from in weeks It was a time and place that would be recorded in American history forever A time marked by the largest number of casualties in the Civil War It was Gettysburg Pennsylvania a small unremarkable town an easily forgotten town that would live in infamy and one that history would never forget Of the almost 50 000 casualties of

that encounter in early July only one civilian was killed This is her story The story of Jennie Wade a dedicated young woman thrown into the middle of one of Americans most tragic times [The Colors of Courage](#) Margaret S Creighton,2008-07-31

Gettysburg has been written about and studied in great detail over the last 140 years but there are still many participants whose experiences have been overlooked In augmenting this incomplete history Margaret Creighton presents a new look at the decisive battle through the eyes of Gettysburg s women immigrant soldiers and African Americans An academic with a superb flair for storytelling Creighton draws on memoirs letters diaries and newspapers to get to the hearts of her subjects Mag Palm a free black woman living with her family outside of town on Cemetery Ridge was understandably threatened by the arrival of Lee s Confederate Army slavers had tried to capture her three years before Carl Schurz a political exile who had fled Germany after the failed 1848 revolution brought a deeply held fervor for abolitionism to the Union Army Sadie Bushman a nine year old cabinetmaker s daughter was commandeered by a Union doctor to assist at a field hospital In telling the stories of these and a dozen other participants Margaret Creighton has written a stunningly fluid work of original history a narrative that is sure to redefine the Civil War s most essential battle **Biscuits and Bullets** Connie Heyer Hansen,2021-08-06

Gettysburg To most people the very name conjures up images of war death destruction horrified screams and all manner of damage and ruin But to three people growing up there in the mid 1860s it was simply home Jennie Wade Jack Skelly and Wesley Culp played tag in the streets tossed pebbles into Rock Creek and fished from its banks They shared each other s secrets and dreams of the future But none foresaw what would happen when war reached their little town Gettysburg is situated a mere ten miles north of the Mason Dixon Line a hub where over half a dozen roads converge So when war started it was not inconceivable that the village would sooner or later be touched by it And touch it it did For three days in July 1863 the battle raged in and around the town until when it was over a village that numbered about two thousand souls suddenly found itself caring for over twenty thousand wounded from both sides In the midst of all the tragedy three friends emerged One joined the Union Army the other the Confederate Army and Jennie stayed behind War like death will not be ignored and it came to visit each of them in its own way Life too holds many secrets including how it ends As close as the three were in life they would never learn each other s secret ending **The True Story of "Jennie" Wade, a Gettysburg Maid (Classic Reprint)** John White Johnston,2017-09-16
