The Jesus Establishment:

The Jesus Establishment Johannes Lehmann, 1972 *Christian Origins and the Establishment of the Early Jesus Movement* Stanley E. Porter, Andrew W. Pitts, 2018-08-07 Christian Origins and the Establishment of the Early Jesus Movement explores the events people and writings surrounding the founding of the early Jesus movement in the mid to late first century The essays are divided into four parts focused upon the movement's formation the production of its early Gospels description of the Jesus movement itself and the Jewish mission and its literature This collection of essays includes chapters by a global cast of scholars from a variety of methodological and critical viewpoints and continues the important Early Christianity in its Hellenistic Context series History of the Church, from Its First Establishment to Our Own Times Jodocus Adolph Birkhaeuser, 1888 Sermons on the Unerring Doctrine of the Established Church that Christ Jesus is God and Lord ... Edward John Turnour, 1820 **The Jesus Who Never Lived** H. Wayne House, 2008 Jesus asked no more profound question than this one that He posed to His disciples He asks that same question of you today But how can anyone know for certain who Jesus is when confronted with so many different views of Him Is He the good but powerless Jesus of world religions the less than fully God Jesus of the cults of Christianity the mystical and even sensual Jesus of Hollywood and popular media **The Jesus Documents** Alan Tippett, 2012-06-27 Alan Tippett's publications played a significant role in the development of missiology The volumes in this series augment his distinguished reputation by bringing to light his many unpublished materials and hard to locate printed articles These books encompassing theology anthropology history area studies religion and ethnohistory broaden the contours of the discipline Throughout The Jesus Documents Alan Tippett's distinguished skills in missiology and anthropology demonstrate that biblical studies and cultural anthropology are disciplines that must be integrated for holistic biblical understanding Tippett opens our eyes to the intentional missional nature of all four Gospels showing that they were the fruit of the Christian mission itself the proof that the apostles obeyed the Great Commission as they worked out their techniques for cross cultural missionary communication with cultural sensitivity *An Essay to establish the Divinity of ... Jesus Christ, on Scripture grounds exclusively. With a review of the Doctrine of the Trinity as it was held in the earlier ages of the Church* Robert PERCEVAL, 1821 **Sermons on the unerring doctrine of the Established Church, that Christ Jesus is God and Lord; and on the intermediate state of the soul after death** Edward John TURNOUR (Hon.), 1820 *Being Established in the Faith* Chukie Morsi, 2019-10-16 To be established in the faith is foundational and fundamental to the Christian spiritual walk in Christ Jesus Romans 1 11 12 For I long to see you that I may impart unto you some spiritual gift to the end ye may be established That is that I may be comforted together with you by the mutual faith both of you and me Acts 16 5 And so were the churches established in the faith and increased in number daily Our ability to being established in the faith is in the Holy Spirit who enables us to be obedient to the faith as well as to communicate the faith Being obedient to the faith helps to live a fulfilling Christian life and

to enjoy the goodness of the faith while communicating the faith is how you would deal with life issues to advance the kingdom causes of God and to keep the enemy at bay This book is set out in a didactic way to teach through the use of the Word of God how as children of God we can thrive and be victorious in our day to day lives When you are established in the faith you are able to have and to take a stand against erroneous winds of doctrine as well as traditions and creations of man When you are rooted in the faith of Jesus Christ you live with heightened spiritual sensitivity and are led at all times and in all things by the Holy Spirit Carnal senses take a back seat A man's ignorance is his own mountain but the knowledge and understanding of the truth which is based on the living Word of God birthed and breathed by the Holy Spirit will deliver direct and prosper to give your life meaningful success with fulfillment Matthew 22:29 Jesus answered and said to them You are mistaken not knowing the scriptures nor the power of God

The Protestant Establishment Revisited E. Digby Baltzell, 2017-07-12 In the latter half of the twentieth century The American upper class has become less like an aristocracy governing and guiding the nation and more like a caste a privileged and closed body whose contribution to national leadership has steadily declined This loss of power and authority has been the focus of the work of E Digby Baltzell whose 1964 work *The Protestant Establishment* analyzed the fate and function of a predominantly Anglo Saxon and Protestant upper class in an ethnically and religiously heterogeneous democracy After 27 years Baltzell's theory of the structure and function of the establishment remains unique in the literature of class stratification and authority Baltzell views an open and authoritative establishment as a necessary and desirable part of the process of securing responsible leaders in a democratic society Such an establishment is the product of upper class institutions that are open to talented individuals of varying ethnic and social backgrounds The values of upper class tradition include an aristocratic ethos emphasizing the duty to lead as opposed to the snobbish ethos of caste that emphasizes only the right to privilege Baltzell regards this as a protector of freedom in modern democratic societies guaranteeing rules of fair play in contests of power and opinion As Baltzell points out historically the alternatives to rule by establishments have been rule by functionaries and demagogues

neither of which has proven satisfactory in protecting freedoms As against Marxists who see hegemony as a social evil Baltzell following Tocqueville sees it as necessary to the well being of society Hegemonic establishments give coherence to the social spheres of greatest contest They do not eliminate conflict but prevent it from ripping society apart Baltzell s work provides uncommon insight into the relationship of social class and personal power in contemporary America This book will be of inte *The Chinese Face of Jesus Christ: Volume 3b* Roman Malek,2022-11-12 This collection in five volumes tries to realize the desideratum of a comprehensive interdisciplinary work on the manifold faces and images of Jesus in China which unites the Sinological mission historical theological art historical and other aspects The first three volumes vols L 1 3 contain articles and texts which discuss the faces and images of Jesus Christ from the Tang dynasty to the present time In a separate volume vol L 4 follows an annotated bibliography of the Western and Chinese writings on Jesus Christ in China and a general index with glossary The iconography i e the attempts of the Western missionaries and the Chinese to portray Jesus in an artistic way will be presented in the fifth volume of this collection vol L 5 This unique ongoing project continues to open a new vital lens to learn more about China in its intellectual and cultural dimensions John Witek in Journal of Asian Studies

The Christ Is Not a Person J. C. Tefft,2009-02 Why are we born For what purpose are we here The longer we remain unaware of what is taking place within us of what drives us and what can liberate us from the bonds of egocentric behavior the longer we allow what the Buddha called the sorrow of life to hold sway The sorrow of life is the sum and consequence of our total identification with the world that is created by self The word Consciousness means something more than what the mind of self thinks imagines or conceives Awareness in Pure Consciousness is an awareness that is other than self and beyond thought Contrary to traditional thinking the so called unseen unknown world is nothing more than Consciousness of which we are unaware Unawareness in Consciousness has been evolving into Awareness in Consciousness since before time began The author of this work comprehensively sets forth a meaning of ancient scripture that likely has not been advanced to you before He demystifies ancient legends and myths so the essential truth of ancient teachings shines through Using ancient scripture as a guide he insightfully explores a growing conscious awareness that has been emerging within mankind over the last few thousand years A must read for anyone looking to discover the deeper meaning of ancient scripture beyond a literal interpretation of the words
