## **The Jew:**

**The Jew's Body** Sander Gilman, 2013-01-11 Drawing on a wealth of medical and historical materials Sander Gilman sketches details of the anti Semitic rhetoric about the Jewish body and mind including medical and popular depictions of the Jewish voice feet and nose Case studies illustrate how Jews have responded to such public misconceptions as the myth of the cloven foot and Jewish flat footedness the proposed link between the Jewish mind and hysteria and the Victorians irrational connection between Jews and prostitutes Gilman is especially concerned with the role of psychoanalysis in the construction of anti Semitism examining Freud's attitude towards his own Jewishness and its effect on his theories as well as the supposed objectiveness of psychiatrists and social scientists *The Jew's Daughter* Efraim Sicher, 2017-05-04 A new approach to thinking about the representation of the Other in Western society *The Jew's Daughter* A Cultural History of a Conversion Narrative offers an insight into the gendered difference of the Jew Focusing on a popular narrative of *The Jew's Daughter* which has been overlooked in conventional studies of European anti Semitism this innovative study looks at canonical and neglected texts which have constructed racialized and sexualized images that persist today in the media and popular culture The book goes back before Shylock and Jessica in *The Merchant of Venice* and Isaac and Rebecca in *Ivanhoe* to seek the answers to why the Jewish father is always wicked and ugly while his daughter is invariably desirable and open to conversion The story unfolds in fascinating transformations reflecting changing ideological and social discourses about gender sexuality religion and nation that expose shifting perceptions of inclusion and exclusion of the Other Unlike previous studies of the theme of the Jewess in separate literatures Sicher provides a comparative perspective on the transnational circulation of texts in the historical context of the perception of both Jews and women as marginal or outcasts in society The book draws on examples from the arts history literature folklore and theology to draw a complex picture of the dynamics of Jewish Christian relations in England France Germany and Eastern Europe from 1100 to 2017 In addition the responses of Jewish authors illustrate a dialogue that has not always led to mutual understanding This ground breaking work will provoke questions about the history and present state of prejudiced attitudes in our society *Jesus the Jew* Harris Weinstock, 1902 *The Jew in Drama* Myer Jack Landa, 1926 Examines the portrayal of the Jew in British drama as well as Jewish dramatic works and Jewish actors who were prominent on the Jewish and non Jewish stage Discusses with particular emphasis antisemitic depictions of the Jew from the Middle Ages to the present including the passion plays Marlowe's *The Jew of Malta* Shakespeare's *The Merchant of Venice* the figures of Judas and of the Wandering Jew Richard Cumberland's *The Jew* as an attempt to counter the antisemitic depictions produced in 1794 and several works of the 19th century The 19th century saw the development of sympathetic depictions of Jews as well and of a thriving Jewish theater both in English and Yiddish *Justice to the Jew* Madison Clinton Peters, 1899 *The Jew in Prophecy* Leonard Sale-Harrison, 1919 *Prejudice Against the Jew* Philip Cowen, 1928 *The Jew in English Fiction* David Philipson, 1889 *The Life and Suffering of the Jew*

*in Russia* Joseph Boyarsky, 1912      **The Jew and His History** Lionel Kochan, 1977-06-17      The Jewish Persona in the European Imagination Leonid Livak, 2010-09-10 This book proposes that the idea of the Jews in European cultures has little to do with actual Jews but rather is derived from the conception of Jews as Christianity's paradigmatic Other eternally reenacting their morally ambiguous New Testament role as the Christ bearing and killing chosen people of God Through new readings of canonical Russian literary texts by Gogol Turgenev Chekhov Babel and others the author argues that these European writers Christian secular and Jewish based their representation of Jews on the Christian exegetical tradition of anti Judaism Indeed Livak disputes the classification of some Jewish writers as belonging to Jewish literature arguing that such an approach obscures these writers debt to European literary traditions and their ambivalence about their Jewishness This work seeks to move the study of Russian literature and Russian Jewish literature in particular down a new path It will stir up controversy around Christian Jewish cultural interaction the representation of otherness in European arts and folklore modern Jewish experience and Russian literature and culture      The Jews in Polish Culture Aleksander Hertz, Lucjan Dobroszycki, 1988 A richly perceptive sociological consideration of the Jewish community as a caste in 19th and early 20th century Poland A book that should be part of any study of modern Polish culture or Diaspora Jewry Kirkus Reviews      *The Jewish Derrida* Gideon Ofrat, 2001-06-01 A fresh look at the influential French philosopher Jacques Derrida      **The Jewish Encyclopedia** Isidore Singer, Cyrus Adler, 1901      **The Jew in the Modern World** Paul R. Mendes-Flohr, Jehuda Reinharz, 1995 The last two centuries have witnessed a radical transformation of Jewish life Marked by such profound events as the Holocaust and the establishment of the state of Israel Judaism's long journey through the modern age has been a complex and tumultuous one leading many Jews to ask themselves not only where they have been and where they are going but what it means to be a Jew in today's world Tracing the Jewish experience in the modern period and illustrating the transformation of Jewish religion culture and identity from the 17th century to 1948 the updated edition of this critically acclaimed volume of primary materials remains the most complete sourcebook on modern Jewish history Now expanded to supplement the most vital documents of the first edition *The Jew in the Modern World* features hitherto unpublished and inaccessible sources concerning the Jewish experience in Eastern Europe women in Jewish history American Jewish life the Holocaust and Zionism and the nascent Jewish community in Palestine on the eve of the establishment of the State of Israel The documents are arranged chronologically in each of eleven chapters and are meticulously and extensively annotated and cross referenced in order to provide the student with ready access to a wide variety of issues key historical figures and events Complete with some twenty useful tables detailing Jewish demographic trends this is a unique resource for any course in Jewish history Zionism and Israel the Holocaust or European and American history      **The Jewish Forum**, 1918      *The Jew in the American World* Jacob Rader Marcus, 1996 This important volume provides the first complete single volume reference source for American Jewish history *The Jew in the American World* is a complete documentary history of the Jewish

people in North America from the late sixteenth century to the present A compilation of previously published archival sources chronicling the evolving domestic religious and political experiences of the Jews this important volume provides the first complete single volume reference source for American Jewish history Once again Jacob Rader Marcus has created a vivid and insightful portrait of the life and culture of Jews He has compiled materials the majority of which were written by Jews culled from diverse sources and ranging in subject from the establishment of the first Jewish day school in the mid eighteenth century to the plight of Ethiopian Jews in 1991 Many articles highlight the role played by women in the community and the significant contributions made by various Jewish figures The ideal companion to Marcus s United States Jewry 1776 1985 The Jew in the American World is an invaluable work essential for studying and understanding the American Jew
