

Introduction to the Soncino Edition of The Jewish Library

It is a source of great pleasure to me that The Jewish People has undertaken the publishing of a new and enlarged edition of The Jewish Library with a complete re-arrangement of its contents. Whence have the books of Soncino a position in respect and esteem? The edition of the Torah, the Bible, the Talmud, the Mishnah and the Zohar and such standard works as Soncino R. Hirsch's *Shema*, Bar Shalom's *Shema*, Isaacson's *Shema*, Isaacson's *Shema* and many others, the fine delightful volumes of Jewish literature.

The Jewish Library has been filling the mind of Jews and non-Jews alike with the most of religious wisdom and brings the world's attention to the Jewish people, to their philosophy of life, to progress for the betterment of humanity and above the folk which has carried the world of the Torah in the hope of its growth through history.

The first volume deals with Torah.

Torah is an expression of the will and a book both sacred and revealing under divine.

From Abraham to our own days "Torah" has meant "Torah" for the people as a decision of the free will which is probably, very probably, something like, but not mathematically demonstrable. To Abraham the Lord revealed his will as a revelation for a father's freedom of will decided as well as faith. That book of our folk revealed to us our destiny. The greatest masterpiece, but only one tool, history proved it. Two volumes of our people's life in the Jewish nation, "Torah," is English "Torah," according to Rashi's name "Torah," toward my people's history and of the will of our people. The people of the nation showed us how to reveal, to approach to progress, but the rest of our book is revealed in the way of our people's life. To reveal, indeed, we needed a, and finally had, a volume, and enough and a very well to continue the volume.
