The Jews In Business:

Jews in Business and Their Representation in German Literature, 1827-1934 John Ward, 2010 The emancipation of Jews that commenced in Germany in the early 19th century pushed many Jews into urban commerce industries and intellectual professions The ongoing modernization and the Jewish prominence in business brought about an anti Jewish reaction Jews were seen as the incarnation of the new materialistic Zeitgeist dishonest merchants pursuing non German business practices and usurpers of economic power The Jews represented an alien unwanted economic system The backlash against the Jewish businessman was reflected in contemporary literature from Wilhelm Hauff's *Jud S* 1827 to the Nazi novel *Shylock unter Bauern* by Felix Nabor 1934 Examines the representation of the Jewish businessman in German literature in both antisemitic works and apologetic ones Two schools of thought can be discerned in these writings that the Jews including the businessmen can be corrected and assimilated into the German nation e g in Freytag's *Soll und Haben* 1855 and the racist and eliminationist conception of the Jews as unassimilable and inherently detrimental aliens who have to be removed from the body of the nation as in Wilhelm von Polenz's *Der Bitterbauer* 1895 with Heinrich Mann's anti Jewish writings somewhere in between Discusses also the ambivalent stance of Theodor Fontane Dwells on two cautionary tales written by Jewish authors and addressed to the Jews the novel *Jud S* by Feuchtwanger 1925 and the play *Jud S* by Paul Kornfeld 1929 as well as responses to antisemitism addressed to a general audience *Der neue Ahasver* by Fritz Mauthner 1881 Ren Richter by Lothar Brieger Wasservogel 1906 and Hermann Bahr's *Die Rotte Korahs* 1919 a philosemitic non Jewish response *The Jews in Business* Stephen Aris, 1970 [Doing Business in America](#) Hasia R. Diner, 2018-12-14 American and Jewish historians have long shied away from the topic of Jews and business Avoidance patterns grew in part from old often negative stereotypes that linked Jews with money and the perceived ease and regularity with which they found success with money condemning Jews for their desires for wealth and their proclivities for turning a profit A new dauntless generation of historians however realizes that Jewish business has had and continues to have a profound impact on American culture and development and patterns of immigrant Jewish exploration of business opportunities reflect internal communal Jewish cultural structures and their relationship to the larger non Jewish world As such they see the subject rightly as a vital and underexplored area of study *Doing Business in America A Jewish History* edited by Hasia R Diner rises to the challenge of taking on the long unspoken taboo subject comprising leading scholars and exploring an array of key topics in this important and growing area of research **Case Studies in Jewish Business Ethics** Aaron Levine, 2000 Many people think of business as a game of strategy and argue that whatever works for business success is acceptable even if it involves cheating deceptions and other improprieties Jewish business law rejects this approach Using specific case studies this book analyzes the strategies that are impermissible discussing deceptive advertising negative advertising pressure tactics in sales insider trading price matching worker evaluations termination policy and many others An excellent adult education volume [The](#)

Jews of Vienna, 1867-1914 Marsha L. Rozenblit, 2012-02-01 Ablaze with excitement effervescent with creativity late nineteenth century Vienna was the ideal site for this analysis of the ways in which a sizable and significant group of Jews was assimilated into European society After leaving homes in the Austrian and Hungarian provinces and migrating to the Austrian capital the Jews underwent a variety of profound changes The Jews of Vienna shows how they successfully transformed old identifiably Jewish patterns of behavior into modern urban variations without abandoning their ethnic identity in the process Marsha L Rozenblit describes the Jews migration to Vienna the occupational changes they experienced in the city where and how they lived the various means they used to achieve social integration and the vibrant network of Jewish organizations they established As they evolved new patterns of urban Jewish life the Viennese immigrants also created ideologies which defined the place of the Jew in European society Rozenblit shows how this urbanization led to social change while simultaneously providing the necessary demographic foundation for continued Jewish identity in modern Europe *The Jews of Częstochowa* Mark W. Kiel, 2022-11-07 Cz stochowa was the home of the eighth largest Jewish community in Poland After 1765 when there were 75 Jews in Czystochowa the community grew steadily With emancipation in 1862 many Jews migrated to Czystochowa and contributed to its industrial and commercial growth In 1935 there were 27 162 Jews out of a total population of 127 504 When the Nazis deported Jews to Cz stochowa to work in its munition factories the Jewish population exceeded 50 000 Almost all perished in Treblinka Anti Jewish feeling was spurred on by the Church and Fascist groups that organized boycotts of Jewish stores and incited pogroms intended to drive the Jews out of the city The Jewish labor movement fought unemployment and poor working conditions Impoverished families were aided by community charitable funds Jewish philanthropists established the non sectarian Jewish Hospital progressive schools two gymnasia and the New Synagogue During election seasons the entire Jewish political spectrum from the socialist parties to the ultra Orthodox competed in the self governing body and in the Municipal Council By 1901 stylishly dressed men and women mixed in the streets with poor religious Jews in their traditional garb A popular press libraries theaters cinema sporting events and youth movements gave Cz stochowa Jews a variety of cultural choices to suit their politics artistic taste and modes of leisure Public life transformed a dreary factory town into one of the most colorful and celebrated Jewish communities in Poland before and after the First World War The Jewish Ethicist Asher Meir, 2005 The book discusses scores of actual questions on ethical dilemmas in business as well as everyday life The author Rabbi Dr Asher Meir not only gives answers but also provides a lucid and inspiring presentation of underlying ethical concepts with special emphasis on the insights of Jewish tradition The discussions sensitize the reader to ethical concerns in all areas of life and build a comprehensive foundation of concepts to help resolve these concerns In discussing topics such as marketing human resources and fair competition attention is given to many up to date issues and there is an entire chapter dedicated to ethics on the Internet Business Geography Ellsworth Huntington, Frank Ernest Williams, Robert Marshall Brown, Lenox E. Medieval Western Christendom Robert Chazan, 2006-11-23 Between the years AD 1000 and 1500 western Christendom absorbed by conquest and attracted through immigration a growing number of Jews This community was to make a valuable contribution to rapidly developing European civilisation but was also to suffer some terrible setbacks culminating in a series of expulsions from the more advanced westerly areas of Europe At the same time vigorous new branches of world Jewry emerged and a rich new Jewish cultural legacy was created In this important historical synthesis Robert Chazan discusses the Jewish experience over a 500 year period across the entire continent of Europe As well as being the story of medieval Jewry the book simultaneously illuminates important aspects of majority life in Europe during this period This book is essential reading for all students of medieval Jewish history and an important reference for any scholar of medieval Europe

Business in the Age of Extremes Hartmut Berghoff, Jürgen Kocka, Dieter Ziegler, 2013-01-28 This collection of essays explores the impact that nationalism capitalism and socialism had on economics during the first half of the twentieth century Focusing on Central Europe contributors examine the role that businesspeople and enterprises played in Germany's and Austria's paths to the catastrophe of Nazism Based on new archival research the essays gathered here ask how the business community became involved in the political process and describes the consequences arising from that involvement Particular attention is given to the responses of individual businesspeople to changing political circumstances and their efforts to balance the demands of their consciences with the pursuit for profit *The Business of Transition* Paris Papamichos Chronakis, 2024-10-22 The Business of Transition examines how the cosmopolitan bourgeoisie of the Eastern Mediterranean navigated the transition from empire to nation state in the early twentieth century In this social and cultural history Paris Papamichos Chronakis shows how the Jewish and Greek merchants of Salonica present day Thessaloniki skillfully managed the tumultuous shift from Ottoman to Greek rule amidst revolution and war rising ethnic tensions and heightened class conflict Bringing their once powerful voices back into the historical narrative he traces their entangled trajectories as businessmen community members and civic leaders to illustrate how the self reinvention of a Jewish led bourgeoisie made a city Greek Papamichos Chronakis draws on previously untapped local archival material to weave a rich narrative of individual portraits introducing us to revered philanthropists and committed patriots as well as vilified profiteers and victimized Salonicans Offering a kaleidoscopic view of a city in transition this book reveals how the collapse of empire shook all the constitutive elements of Jewish and Greek identities and how Jews and Greeks reinvented themselves amidst these larger political and economic disruptions **The Jews of Chicago** Irving Cutler, 1996 Vividly told and richly illustrated with more than 160 photos this fascinating history of the cultural religious fraternal economic and everyday life of Chicago's Jews brings to life the people events neighborhoods and institutions that helped shape today's Jewish communities 15 maps Graphs tables Corner of the Tapestry: a History of the Jewish Experience in Ar 1820s-1990s (c) Carolyn Gray LeMaster, 1994 One of the most comprehensive studies ever done on a state's Jewish community A Corner of the Tapestry is

the story untold until now of the Jews who helped to settle Arkansas and who stayed and flourished to become a significant part of the state's history and culture LeMaster has spent much of the past sixteen years compiling and writing this saga Data for the book have been collected in part from the American Jewish Archives American Jewish Historical Society the stones in Arkansas's Jewish cemeteries more than fifteen hundred articles and obituaries from journals and newspapers personal letters from hundreds of present and former Jewish Arkansans congregational histories census and court records and some four hundred oral interviews conducted in a hundred cities and towns in Arkansas This meticulous work chronicles the lives and genealogy of not only the highly visible and successful Jews who settled in Arkansas but also those who comprised the warp and woof of society It is a decidedly significant contribution to Arkansas history as well as to the wider study of Jews in the nation

The Jews and Modern Capitalism Werner Sombart, 2017-09-04 Since its first appearance in Germany in 1911 Jews and Modern Capitalism has provoked vehement criticism As Samuel Z Klausner emphasizes the lasting value of Sombart's work rests not in his results most of which have long since been disproved but in his point of departure Openly acknowledging his debt to Max Weber Sombart set out to prove the double thesis of the Jewish foundation of capitalism and the capitalist foundation of Judaism Klausner placing Sombart's work in its historical and societal context examines the weaknesses and strengths of Jews and Modern Capitalism

The Deutsche Bank and the Nazi Economic War

against the Jews Harold James, 2001-03-23 The Deutsche Bank Germany's largest financial institution played an important role in the expropriation of Jewish owned enterprises during the Nazi dictatorship both in the existing territories of Germany and in the area seized by the German army during World War II In this 2001 book Harold James uses new and previously unavailable materials many from the bank's own archives to examine policies which led to the eventual genocide of European Jews How far did the realization of the vicious and destructive Nazi ideology depend on the acquiescence the complicity and the cupidity of existing economic institutions and individuals In response to the traditional view that business co operation with the Nazi regime was motivated by profit this book closely examines the behaviour of the bank and its individuals to suggest other motivations No comparable study exists of a single company's involvement in the economic persecution of the Jews in Nazi Germany

Allianz and the German Insurance Business, 1933-1945 Gerald D. Feldman, 2001-10-22 This history of the internationally prominent insurance corporation Allianz AG in the Nazi era is based largely on new or previously unavailable archival sources Feldman takes the reader through varied cases of collaboration and conflict with the Nazi regime with fairness and a commitment to informed analysis He touches on issues of damages in the Pogrom of 1938 insuring facilities used in forced labour camps and the problems of de Nazification and restitution The broader issues examined in this study cooperation with Nazi policies the way in which profit ideology and opportunism played a role in corporate decision making and the question of how Jewish insurance assets were expropriated are particularly relevant today given the ongoing international debate about restitution for Holocaust survivors This book joins a growing body of scholarship based on free access to the records of German corporations in the Nazi era
