[The Jews of Arab Lands in Modern Times](#) Norman A. Stillman, 1991. A sequel to his book *The Jews of Arab Lands* 1979. Discusses the last 150 years, divided into two sections: History pp 1-180 and Sources pp 181-555, containing documents relevant to the seven chapters of the history section. European colonialism was perceived as a threat by the Muslims, while the Jews used it to rise above their traditional subordinate status. Describes the penetration of antisemitism in Arab lands between 1929-39 due to the growth of Arab nationalism, Arab association of Jews with the colonial powers, the desire to emulate German or fascist nationalism, and the exacerbation of Arab-Jewish tensions in Palestine. The undermining of the Jews' position during this period was followed by a total collapse in the ensuing decade as the Baghdad pogrom of 1941, the widespread rioting between 1945-47, and the preference of colonial or mandatory authorities not to antagonize the Arabs attest. Militant Arab and Islamic nationalism showed the Jews that there was no place for them in Arab society and led to their mass migration after the founding of the State of Israel.

**The Jews of Lebanon** Kirsten Schulze, 2008-12-04. Tells the story of the Jews of Lebanon in the twentieth century. This work challenges the prevailing view that Jews in the Middle East were second-class citizens and were persecuted after the establishment of the State of Israel in 1948.

**The Cambridge History of Judaism: Volume 5, Jews in the Medieval Islamic World** Phillip I. Lieberman, 2021-09-02. Volume 5 examines the history of Judaism in the Islamic World from the rise of Islam in the early sixth century to the expulsion of Jews from Spain at the end of the fifteenth. This period witnessed radical transformations both within the Jewish community itself and in the broader contexts in which the Jews found themselves. The rise of Islam had a decisive influence on Jews and Judaism as the conditions of daily life and elite culture shifted throughout the Islamicate world. Islamic conquest and expansion affected the shape of the Jewish community as the center of gravity shifted west to the North African communities, and long-distance trading opportunities led to the establishment of trading diasporas and flourishing communities as far east as India. By the end of our period, many of the communities on the other side of the Mediterranean had come into their own, while many of the Jewish communities in the Islamicate world had retreated from their high water mark.
