

THE JOHN UPDIKE ENCYCLOPEDIA

JACK DE BELLIS

The John Updike Encyclopedia

RS Peters

The John Updike Encyclopedia:

The John Updike Encyclopedia Jack De Bellis, 2000-09-30 John Updike is one of the most seminal American writers of the 20th century and one of the most prolific as well. In addition to his best selling novels he has written numerous poems, short stories, reviews, and essays. His writing consistently reveals stylistic brilliance and through his engagement with America's moral and spiritual problems, his works chronicle America's hopes and dreams, failures and disappointments. Though he is an enormously popular writer, the complexity and elegance of his works have elicited growing scholarly attention. Through several hundred alphabetically arranged entries, this book provides both casual and serious readers an exceptional guide to his life and writings. Whether the reader is seeking a novel summary, an authoritative analysis of subjects, elucidation of an allusion, or a point about Updike's life or manner of composition, the encyclopedia is indispensable. A chronology summarizes the major events in Updike's career, while an introductory essay examines his progress as a writer from his crafted light verse and informed reviews to his innovative novels and stories. The entries that follow summarize Updike's books, describe all major characters, explain allusions, identify major images and symbols, analyze principal subjects, discuss his life and career, and draw on the most significant scholarship. Entries include bibliographies, and the volume closes with a list of works for further reading.

Understanding John Updike Frederic Svoboda, 2018-04-01 A close look at the extraordinary literary achievements of a popular and prolific American author. The winner of every major American literary prize, John Updike (1932-2009) was one of the most popular and prolific novelists of his time and a major cultural figure who traced the high point and fall of midcentury American self-confidence and energy. A superb stylist with sixty books to his credit, he brilliantly rendered the physical surfaces of the nation's life even as he revealed the intense longings beneath those surfaces. In *Understanding John Updike*, Frederic Svoboda elucidates the author's deep insights into the second half of the twentieth century as seen through the lives of ordinary men and women. He offers extended close readings of Updike's most significant works of fiction, templates through which his entire oeuvre may be understood. A small town Pennsylvanian whose prodigious talent took him to Harvard, a staff position at the *New Yorker*, and ultimately a life in suburban Massachusetts where the pace of his literary output never slowed, Updike was very much in the American cultural tradition. His series of Rabbit Angstrom novels strongly echo Sinclair Lewis's earlier explorations of middle America, while *The Witches of Eastwick* and related novels are variations on Nathaniel Hawthorne's nineteenth-century classic *The Scarlet Letter*. His number one best seller *Couples* examines what *Time* magazine called the adulterous society in the last year of the Kennedy administration following the nation's fall from idealism into self-centeredness. *Understanding John Updike* will give both new readers and those already familiar with the author a firm grasp of his literary achievement. This outline of Updike's professional career highlights his importance in the life of the nation, not only as a novelist but also as a gifted essayist, reviewer, cultural critic, and poet.

John Updike's Early Years Jack De Bellis, 2013-01-11 *John Updike's Early Years* first examines his family, then places him in the context of the

Depression and World War II Relying upon interviews with former classmates the next chapters examine Updike's early life and leisure activities his athletic ability social leadership intellectual prowess comical pranks and his experience with girls Two chapters explore Updike's cartooning and drawing and the last chapter explains how he modeled his characters on his schoolmates Lists of Updike's works treating Pennsylvania and a compilation of contributions to his school paper are included along with profiles of all students faculty and administrators during his years at Shillington High School [John Updike's Early Years](#) Jack De Bellis,2013-01-11 John Updike's Early Years first examines his family then places him in the context of the Depression and World War II Relying upon interviews with former classmates the next chapters examine Updike's early life and leisure activities his athletic ability social leadership intellectual prowess comical pranks and his experience with girls Two chapters explore Updike's cartooning and drawing and the last chapter explains how he modeled his characters on his schoolmates Lists of Updike's works treating Pennsylvania and a compilation of contributions to his school paper are included along with profiles of all students faculty and administrators during his years at Shillington High School **The Cambridge Companion to John Updike** Stacey Olster,2006-04-06 John Updike is one of the most prolific and important American authors of the contemporary period with an acclaimed body of work that spans half a century and is inspired by everything from American exceptionalism to American popular culture This Companion joins together a distinguished international team of contributors to address both the major themes in Updike's writing as well as the sources of controversy that Updike's writing has often provoked It traces the ways in which historical and cultural changes in the second half of the twentieth century have shaped not just Updike's reassessment of America's heritage but his reassessment of the literary devices by which that legacy is best portrayed With a chronology and bibliography of Updike's published writings this is the only guide students and scholars of Updike will need to understand this extraordinary writer [John Updike Remembered](#) Jack A. De Bellis,2017-11-02 Fifty three individuals present a prismatic view of the two time Pulitzer Prize winner and his work through anecdote and insight Interviews and essays from family friends and associates reveal sides of the novelist perhaps unfamiliar to the public the high school prankster the golfer the creator of bedtime stories the charming ironist the faithful correspondent with scholars the devoted friend and the dedicated practitioner of his craft The contributors include his first wife Mary Pennington and three of their children high school and college friends authors John Barth Joyce Carol Oates and Nicholson Baker journalists Terri Gross and Ann Goldstein and scholars Jay Parini William Pritchard James Plath and Adam Begley Updike's biographer **John Updike** Bob Batchelor,2013-04-23 One of the world's greatest writers John Updike chronicled America for more than five decades This book examines the essence of Updike's writing propelling our understanding of his award winning fiction prose and poetry Widely considered America's Man of Letters John Updike is a prolific novelist and critic with an unprecedented range of work across more than 50 years No author has ever written from the variety of vantages or spanned topics like Updike did Despite being widely recognized as

one of the nation's literary greats scholars have largely ignored Updike's vast catalog of work outside the Rabbit tetralogy. This work provides the first detailed examination of Updike's body of criticism, poetry, and journalism and shows how that work played a central role in transforming his novels. The book disputes the common misperception of Updike as merely a chronicler of suburban middle-class America by focusing on his novels and stories that explore the wider world from the groundbreaking *The Coup* (1978) to *Terrorist* (2006). Popular culture scholar Bob Batchelor asks readers to reassess Updike's career by tracing his transformation over half a century of writing.

European Perspectives on John Updike Laurence W. Mazzeno, Sue Norton, 2018. From his first book publication in 1958, the American writer John Updike attracted an international readership. His books have been translated into twenty-three languages and he has always had a strong following in the United Kingdom and in Europe. Although Updike died in 2009, interest in his work remains strong among European scholars. No recent volume, however, collects diverse European views on Updike's oeuvre. The current book fills that void, presenting essays that perceive Updike's renditions of America through the eyes of scholar readers from both Western and Eastern Europe. *back cover* *Political Vision in the Rabbit Tetralogy of John Updike* Ms. Long Na, Dr. Zhao Yang, 2023-01-06. The majority of the critics have hailed John Updike as a great literary giant of the postmodern age who spent fifty long years in writing short stories and fiction. Updike is seriously concerned about the problems and challenges faced by the American people. Investigating the texts and themes of Updike. Despite, in the new millennium, his apocalyptic vision can be conveniently understood. His novels, written during fifty years of his writing career, provide deep insight into the American culture. After the World War II, a new age was ushered in America, and three decades from the 1950s to the 1970s, America made tremendous strides during the rule of two Presidents: Franklin Roosevelt and Kennedy. President Truman and Eisenhower also made drastic changes in culture and society. They brought in America an era of consumerism, mass culture, and urbanization. Growth of capitalism, industrial unrest, and class struggles were new developments in America after the Second World War. By 1956, a majority held white-collar jobs, working as corporate managers, teachers, salespersons, and office employees. More and more Americans now considered themselves part of the middle class. The expansion of *Political Vision* in the Rabbit Tetralogy of John Updike. 8 suburbs was a noticeable change: easy credit, cheap fuel, mass production, and housing, and the growth of the automobiles revolutionized American society. David Riesman, in his book *The Lonely Crowd*, talks about the alienation of man with the growing prosperity and affluence in America.

The Bible in the American Short Story Lesleigh Cushing Stahlberg, Peter S. Hawkins, 2017-11-02. The Bible in the American Short Story examines Biblical influences in the post-World War II American short story. In a series of accessible chapters, Lesleigh Cushing Stahlberg and Peter S. Hawkins offer close readings of short stories by leading contemporary writers such as Flannery O'Connor, Allegra Goodman, Tobias Wolff, and Kirstin Valdez Quade that highlight the biblical passages that they reference. Exploring episodes from the Hebrew Bible and the New Testament and both Jewish and Christian heritages, this book is an

important contribution to understanding the influence of the Bible in contemporary literature *Imagination and Idealism in John Updike's Fiction* Michial Farmer, 2017 Frontcover Contents Acknowledgments Introduction Hawthorne Updike and the Immoral Imagination 1 John Updike and the Existentialist Imagination Part I The Mythic Immensity of the Parental Imagination 2 Flight His Mother Inside Him and Ace in the Hole 3 The Centaur 4 Of the Farm A Sandstone Farmhouse and The Cats Part II Collective Hallucination in the Adulterous Society 5 Man and Daughter in the Cold Giving Blood The Taste of Metal and Avec la B b Sitter 6 Marry Me 7 Couples and The Hillies Part III Imaginative Lust in the Scarlet Letter Trilogy 8 The Football Factory Toward Evening Incest Still Life Lifeguard Bech Swings and Three Illuminations in the Life of an American Author 9 A Month of Sundays 10 Roger s Version 11 S Part IV Female Power and the Female Imagination 12 Marching through Boston The Stare Report of Health Living with a Wife and Slippage 13 The Witches of Eastwick Part V The Remembering Imagination 14 In Football Season First Wives and Trolley Cars The Day of the Dying Rabbit Leaving Church Early and The Egg Race 15 Memories of the Ford Administration 16 The Dogwood Tree A Soft Spring Night in Shillington and On Being a Self Forever Conclusion Updike Realism and Postmodernism Bibliography Index Credits *Becoming John Updike* Laurence W. Mazzeno, 2013 When John Updike died in 2009 tributes from the literary establishment were immediate and fulsome However no one reading reviews of Updike s work in the late 1960s would have predicted that kind of praise for a man who was known then as a brilliant stylist who had nothing to say What changed Why And what is likely to be his legacy These are the questions that *Becoming John Updike* pursues by examining the journalistic and academic response to his writings Several things about Updike s career make a reception study appropriate First he was prolific he began publishing fiction and essays in 1956 published his first book in 1958 and from then on brought out at least one new book each year Second his books were reviewed widely usually in major American newspapers and magazines and often in foreign ones as well Third Updike quickly became a darling of academics the first book about his work was published in 1967 less than a decade after his own first book More than three dozen books and hundreds of articles of academic criticism have been devoted to Updike The present volume will appeal to the continuing interest in Updike s writing among academics and general readers alike Laurence W Mazzeno is President Emeritus of Alvernia University Among other books he has written volumes on Austen Dickens Tennyson and Matthew Arnold for Camden House s Literary Criticism in Perspective series

Updike and Politics Scott Dill, Matthew Shipe, 2019-06-27 Presenting the first interdisciplinary consideration of his political thought Updike and Politics New Considerations establishes a new scholarly foundation for assessing one of the most recognized and significant American writers of the post 1945 period This book brings together a diverse group of American and international scholars including contributors from Japan India Israel and Europe Like Updike himself the collection canvases a wide range of topics including Updike s too often overlooked poetry and his single play Its essays deal with not only political themes such as the traditional aspects of power rights equality justice or violence but also the more

divisive elements in Updike's work like race gender imperialism hegemony and technology Ultimately the book reveals how Updike's immense body of work illuminates the central political questions and problems that troubled American culture during the second half of the twentieth century as well as the opening decade of the new millennium

The Moderate Imagination Yoav Fromer, 2020-05-07 In the aftermath of Donald Trump's victory in 2016 Americans finally faced a perplexing political reality Democrats purported champions of working people since the New Deal had lost the white working class voters of Middle America For answers about how this could be Yoav Fromer turns to an unlikely source the fiction of John Updike Though commonly viewed as an East Coast chronicler of suburban angst the gifted writer in fact a native of the quintessential Rust Belt state Pennsylvania was also an ardent man of ideas political ideas whose fiction Fromer tells us should be read not merely as a reflection of the postwar era but rather as a critical investigation into the liberal culture that helped define it Several generations of Americans since the 1960s have increasingly felt left behind In Updike's early work Fromer finds a fictional map of the failures of liberalism that might explain these grievances The Moderate Imagination also taps previously unknown archival materials and unread works from his college years at Harvard to offer a clearer view of the author's acute political thought and ideas Updike's prescient literary imagination Fromer shows sensed the disappointments and alienation of rural white working and middle class Americans decades before conservatives sought to exploit them In his writing he traced liberalism's historic decline to its own philosophical contradictions rather than to only commonly cited external circumstances like the Vietnam War racial strife economic recession and conservative backlash A subtle reinterpretation of John Updike's legacy Fromer's work complicates and enriches our understanding of one of the twentieth century's great American writers even as the book deftly demonstrates what literature can teach us about politics and history

Defiant Joy Kevin Belmonte, 2011-01-03 You may be aware that G K Chesterton authored influential Christian biographies and apologetics But you may not know the larger than life Gilbert Keith Chesterton himself not yet Equally versed in poetry novels literary criticism and journalism he addressed politics culture and religion with a towering intellect and a soaring wit Chesterton engaged his world through the written word He carried on lively public discussions with the social commentators of his day continually challenging them with civility humility erudition and his ever sharp sense of humor Today's reader can find the same treasures for as Chesterton said What a man can believe depends upon his philosophy not upon the clock or the century In Kevin Belmonte's fresh new biography you'll get to know the real G K Chesterton and his literary and cultured accomplishments A giant of his time Chesterton continues to live large in the imaginations of twenty first century readers Endorsements Chesterton's explanation of Christianity makes absolute sense of the world He reminds us that free of our comforting delusions reality is a tragic adventure in which we get to participate

DONALD MILLER author of the New York Times bestsellers A Million Miles in a Thousand Years and Blue Like Jazz Bravo to Kevin Belmonte for turning his caring attention to the incomparably hilarious and brilliant genius that is G K Chesterton

ERIC METAXAS New York Times best selling author of Bonhoeffer Pastor Martyr Prophet Spy and Amazing Grace William Wilberforce and the Heroic Campaign to End Slavery There s a great new biography about one of the Christian giants of the 20th Century And I mean that literally To read Kevin Belmonte s recent book Defiant Joy The Remarkable Life Impact of G K Chesterton is to feel a powerful sense of longing because there is such a longing a great need for advocates like Chesterton in our day But let s be grateful we still have the works of that great man to study and learn from And we also have for you have Belmonte s vibrant new biography a wonderful reminder of the magnificent example Chesterton has set for us CHUCK COLSON <http://patriotpost.us/opinion/chuck-colson-2012-01-26-defiant-joy-why-we-still-need-chesterton> Vladimir

Nabokov's Lectures on Literature Ben Dhooge,Jürgen Pieters,2017-12-18 This volume offers insight into Vladimir Nabokov as a reader and a teacher and sheds new light on the relationship of his views on literary aesthetics to the development of his own oeuvre The essays included focus on the lectures on European and Russian literature that Nabokov gave at a number of American universities in the years between his arrival in the United States and the publication of Lolita Nabokov s treatment of literary masterpieces by Austen Cervantes Chekhov Dickens Flaubert Gogol Kafka Joyce Proust and Stevenson is assessed by experts on these authors Contributors are Lara Delage Toriel Ben Dhooge Yannicke Chupin Roy Groen Luc Herman Flora Keersmaekers Arthur Langeveld Geert Lernout Vivian Liska Ilse Logie J rgen Pieters Gerard de Vries **The European Encyclopedia** Jeff Loveland,2019-07-04 Organized thematically this book tells the story of the European encyclopedia from 1650 to the present *The Cambridge Companion to Saul Bellow* Victoria Aarons,2017 This book demonstrates the complexity of Bellow s work by emphasizing the ways in which it reflects the changing conditions of American identity

Masculinity and Place in American Literature since 1950 Vidya Ravi,2019-05-15 American literature has long celebrated the figure of the self made man and the idea of establishing selfhood particularly male selfhood in nature However during the crisis of masculinity that swept across America in the middle of the twentieth century a generation of writers started exploring a different kind of a man This was a figure who was concerned not so much with the loss of the West or the desire to recover a wilderness but with how to live in an ordinary domesticated continent Masculinity and Place in American Literature since 1950 explores the role of place in negotiating reinforcing and subverting articulations of hegemonic masculinity in the work of four American writers from the latter part of the 20th century John Cheever John Updike Raymond Carver and Richard Ford The book argues that American fiction by white male writers between the 1950s and the present day is compelled by the troubled and troubling relationship between masculinity and place This relationship is deeply embedded in how ideals of masculinity are predicated upon the experience of the physical world and how the symbolic logic of masculinity is continually subverted by alternative conceptions of dwelling and ecological consciousness **Gatekeepers** William Marling,2016-03-15 Gatekeepers tells the behind the scenes stories of how four now iconic writers Gabriel Garc a M rquez Charles Bukowski Paul Auster and Haruki Murakami rose from being unknown entities in their own countries to having

international reputations detailing the various publishers translators prize committees and literary agents involved in the creation of world literature

The Top Books of the Year The John Updike Encyclopedia The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. The John Updike Encyclopedia : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
