The Journey A Venture Into The Heart Of God:

The Journey Blain Markham,2003-12 *The Art of Interfaith Spiritual Care* Walter Blair Stratford,2016-06-23

Relationships between people are frequently compromised as a result of religious viewpoints but appropriate spiritual care requires bridges to understanding that will allow for trust and justice to become visible The pattern for this book is shaped on the recognition that while religious expressions differ markedly in their presentation we can discern at the core of all religious expressions a supposition of sacred presence It is therefore helpful for us all in the daily events of our lives that we approach people of other faiths with a degree of humility recognizing that neither we nor they have a final answer to the question of faith The book is divided into four parts each part containing some chapters in which elements of interfaith care are considered Part one explores the complexities of interfaith engagement Part two discusses ways for caring for each other in the search for meaning Part three claims that spirituality is most difficult if not impossible to define but can be visible in a variety of experiences The fourth part explores ways in which all that has gone before may be put into practice as spiritual care Mansions of the Heart R. Thomas Ashbrook,2019-03-01 A roadmap for spiritual formation In *Mansions of the Heart* author R Thomas Ashbrook begins with his personal story of frustration and confusion while serving as a pastor of the church He tells of discovering a new path of spiritual transformation and offers seekers a way to move forward on their own spiritual paths Written for anyone who wants to develop a deeper more meaningful relationship with God *Mansions of the Heart* offers a step by step guide through a spiritual formation road map based on Teresa of Avila s seven mansions This spiritual classic reveals various phases of spiritual formation for which Ashbrook offers a personal guide to spiritual transformation *Mansions* debunks commonly held myths that lead to spiritual dead ends and describes a clear pathway to a deepening love relationship with God The book also offers church leaders a process for helping people in their faith communities grow as disciples of Christ *Roadmap to the Heart of God* Nancy J McLoughlin,2012-04-28 This books twenty three chapters when

taken with a big gulp of humility and swallowed with a huge dose of courage will lead you on a wild exciting adventure of coming to know the heart of the God of the universe Each chapter covers a stand alone topic that when assimilated into your thought process will lead you a step closer to finding that incredible place where you know and embrace the truth that youre a treasured child of the Most High God As you walk through each subject reading it with an open heart dissecting it through answering the questions and seeking the wisdom of the Holy Spirit to put your new knowledge into practice you will find yourself traveling on a collision course with an intense perfect love At last you will come into complete union with your Wonderful Counselor Mighty God Everlasting Father Prince of Peace Isaiah 9 6 the One your heart has longed for since time began So fasten your seatbelts and join me for the ride of your lifethe one that will open your eyes turn your world upside down scare you half to death and bring you the best life God has to offer you **On the Way** Rick Grieve,2009-03 ENJOY the journey and you ll live LONGER Enjoy the journey and the LIFE you live will be BETTER Enjoy the JOURNEY and others
