Commentary on First John R. C. Candlish, 2002-12

1 John L. Daniel Cantey Jr., 2016-12-23 What if heresy had grown within the church maturing secretly over more than a millennium working ill under the cover of right belief and worship This startling and provocative book argues that the ancient heresy of Docetism reappearing in a form resonant with its original denial of Christ's body has brought the Western church to its current state of disrepair Docetism has irreparably fractured Western Christendom reducing the church to a tangled mass of denominations and sects while also infecting the course of Western society beyond the ecclesia Progressing from an ontological foundation oriented toward the dissolution of form Docetism has led peoples convinced of their march toward unity into ever deepening alienation Although it has repercussions for theological anthropology this ontological foundation has its profoundest implications for the doctrine of God The solution to Docetism as proposed by the author begins with a theory of the Trinity grounded in the tenets of biblical Wisdom and explicated in terms of the relations of origin between the divine persons

The First Epistle of John Robert Smith Candlish, 1866

1 John, Revised and Extended L. Daniel Cantey, 2021-07-28 In 1 John On Docetism and Resurrection 2016 the author elucidated the fundamental principles driving the modern order The latter works according to a novel form

of salvation an ontology unto dissolution that the author recognizes as a new manifestation of the ancient heresy of docetism The modern heresy turns on faith in the Christ Idol an idolatry hidden for centuries beneath the cover of Western Christianity Its theological solution requires renewed engagement with the Trinitarian love understanding that love as a function of mutual life giving between the divine persons The revised and extended version of 1 John assumes the undoing of Western society under the docetic ethos seeking theological foundations for the society that might follow It details the meaning of various aspects of docetic modern society through a Johannine lens explaining these aspects as forms of oppression The author counters these through the Eastern Orthodox focus on the inner life over the external one the spiritual world over the physical and the proper appreciation of hierarchy as opposed to docetic equality
