The Joy Of Spiritual Growth:

The Joy of Spiritual Growth Frank Rose, Robert Maginel, 1999 A handbook filled with daily spiritual exercises and tasks that draw on the teachings of Emanuel Swedenborg to help you quell negative emotions and find joy in the everyday

The Joy of Spiritual Living Frank Rose, Robert Maginel, 2014 Drawing on decades of group work the authors offer simple techniques that unlock joy and personal growth in the midst of life's most challenging moments For spiritual growth groups the book includes resources for facilitators for those working alone it includes transcripts of real life group discussions so the reader can share in the group experience Exercises are based on the teachings of 18th century mystic Emanuel Swedenborg but can be used by anyone regardless of faith tradition

Spiritual Growth Paul Steinberg, 2018-09-30 This book began with Paul Steinberg's realization that although religions are struggling to meet the needs and trends of our modern age spirituality is not Its contemporary manifestations continue to thrive and Jews can be found throughout all varieties of spiritual leadership in America Facing the fact that for whatever reason Jewish leaders simply have not done a good job of translating the ancient spiritual wisdom of their beliefs into contemporary language and images that resonate with mass appeal Rabbi Steinberg knew that the faith of his fathers was ready for a new spiritual message And so he has written it a message that is both particular to Judaism and uses Jewish language and text as starting points for a view that is universal enough to include spiritual concepts terms and expressions from many other spiritual traditions

Spiritual Growth A Contemporary Jewish Approach provides both a language and a set of Jewish spiritual principles that are accessible and integrated with contemporary life as well as being deep and authentically real i.e. not dumbed down for anyone It is a work that emerged out of Rabbi Steinberg's own personal experiences pains and spiritual journey the trials and growth documented in his highly successful book *Recovery the 12 Steps and Jewish Spirituality* There are not a lot of works like this There are books on Jewish scholarship history and theology But books on Jewish spirituality tend usually to focus on a particular motif such as the feminine grief aging or Kabbalistic biblical interpretations

Spiritual Growth A Contemporary Jewish Approach presents its message through the psycho-spiritual world view of 2018 but without the language and narrative of a therapist It is an important contribution to the spiritual seeking community at large to Jews who have become alienated from their faith and to anyone interested in learning more about what a historically vibrant spirituality can bring to today's troubled world
