## **The Judeo Christian Tradition:**

**The Myth of the Judeo-Christian Tradition** Arthur Allen Cohen, 1969 Cover title **Is there a Judeo-Christian Tradition?** Emmanuel Nathan, Anya Topolski, 2016-03-21 The term Judeo Christian in reference to a tradition heritage ethic civilization faith etc has been used in a wide variety of contexts with widely diverging meanings Contrary to popular belief the term was not coined in the United States in the middle of the 20th century but in 1831 in Germany by Ferdinand Christian Baur By acknowledging and returning to this European perspective and context the volume engages the historical theological philosophical and political dimensions of the term s development Scholars of European intellectual history will find this volume timely and relevant **The Myth of the Judeo-Christian Tradition** Arthur Allen Cohen, 1971 *Is There a Judeo-Christian Tradition?* Emmanuel Nathan, Anya Topolski, 2017-11-07 This series focuses on the Jewish textual tradition as well as the ways it evolves in response to new intellectual historical social and political contexts Fostering dialogue between literary philosophical political and religious perspectives this series which consists of original scholarship and proceedings of international conferences reflects contemporary concerns of Jewish Studies in the broadest sense **Notes on the Judeo-Christian Tradition in America** Mark Silk, 1984 **The Judeo-Christian Tradition** Robert Gordis, 1965 **The Judeo-Christian Tradition** Samuel Sandmel, 1965 **For Zion's Sake** Fuad Sha'ban, 2005-03-20 This book explores the role of religion especially religious extremism in American culture In particular it examines the development of the Judeo Christian tradition its impact on America s self image and the way it has influenced America s attitude to the Arab World The Christian Right has become a very powerful force in American politics Its basic belief in Christian Zionism has resulted in a steadfast commitment to the establishment of the state of Israel and to its aggressive expansion and has made Zionism a central part of government policy for both Republicans and Democrats Fuad Sha ban shows how this is not a new phenomenon what he terms the Vision of Zion in American life has its roots in literature the arts and internal politics from colonial times until today Looking in detail at a wealth of resources including religious and literary texts as well as official political statements he pieces together a subtle account of how America s Puritan roots have fostered a specifically religious political culture that encourages hatred and suspicion of the Muslim World in domestic and foreign policy **American Christianity and the Judeo-Christian Tradition** Mark Harry Savad, 1986 **The Judeo-Christian Tradition and the U.S. Constitution** , 1989 **The Judeo-Christian Tradition** Gary North, 1990 *The Judeo-Christian Tradition* Ladin Suliman, 2023 Contemporary American scholarship and political discourse predominately on the political right see a reliance on appeals to notions of a Judeo Christian tradition to define the moral and ethical values of western society Upon first glance it may seem that such references are substantial in that they correlate to a theological historical and or cultural consensus between Jews and Christians However upon further investigation notions of a shared tradition between the two religious groups seem questionable at best Instead of fostering inclusivity the term s discursive use has defined rigid boundaries which exclude

possibilities of broader cohesion between Abrahamic traditions and reinforces Christian normativity This essay is an attempt to demystify the enigmatic hyphenated tradition through an exploration of the term s usage and appropriation European and Jewish cultural identity throughout the long nineteenth century and antisemitism It is through these vantage points that we return to the Judeo Christian tradition as it exists today and the challenges which it faces in light of multifaceted critique and internal dissent

*THE LAW* Rob Primeau, 2019-07-17 GK Chesterton said anyone who takes down a piece of a fence should always first pause as to why it was put up in the first place I give Chesterton credit for coming to the truth that we do indeed need a fence but he missed the mark in not pausing long enough to question the fence itself When Roman Catholicism dejudiazed the traditions written in The Bible they ripped down a wall that can never be replaced and in its place erected a fence that merely resembles the wall Ever since that time Christians have been tearing down and rebuilding this fence and implicit in this ridiculous action lies the fact that the entire fence is inadequate A fence cannot contain what a wall was meant to contain and no matter how hard man tries he cannot rebuild or improve upon what God has already built he can only yield to it Until men consider how best to re erect the original wall they will always find themselves in the ridiculous position of patching and re patching an old tattered fence like an old shepherd who is too proud attached and blind to admit that his little fence is obsolete and unable to protect his flock from the wolves The Christmas tree is rather symbolic of modern day Christendom The danger in adding new customs and laws into a society is not in the customs themselves it is that they trivialize the true Laws and customs which had real moral meaning in them Jesus when holding the traditions of the Pharisees in contempt for this very reason ended the conversation with decisiveness stating every tree that my Heavenly Father has not planted must be uprooted The Christmas tree is symbolic in that it is a tree without roots and we know what happened to the seed that sprang up quickly but had no root it withered quickly Christendom has been as a swinging pendulum swinging from one extreme to the other from piety one generation to profanity to the next because it has no root Both the pastor and the politician have warned us of these things The politician feared that the truth would be concealed from us The pastor feared that the truth would be drowned in a sea of irrelevant nonsense The politician feared the systematic dismantling of the bonds in our local communities The pastor feared that no such bonds would exist The politician believed we would become a captive culture The pastor feared that we would become a trivial culture preoccupied with vacation time reality television and drunken games In short the politician feared that inflicting pain would oppress us the pastor feared that inflicting pleasure would oppress us We are starting to now realize is that the fears of the politician are quickly becoming a reality because the pastor s fears have long been our reality The obvious shortcomings of our modern system of law and government give reason to call them into consideration This treatise not only calls into consideration the current systems of Law both religious and civil but also proposes a new Government that encompasses both This is a political treatise on the genesis of a civil society It takes man in his state in nature and then illustrates how a civil society

spontaneously arises from his action Composed of many short essays compiled into three books it outlines the genesis of society the need for Absolutes in that society and the third is on the unfolding of Scripture which brings together the first two together in a coherent worldview *Judeo-Christianity, The Great Canard* Crossfire,2016-07-09 Find out the truth about Judeo Christianity Why is only the United States known as a Judeo Christian nation This is a must read short book on the subject **The Nature of Man in the Judeo-Christian Tradition** ,1953\* Legatees of a Great Inheritance Mark T. Coppenger,2008 **In Defense of Faith** David Brog,2010 As religious faith comes under assault from atheism In Defense of Faith examines the strong historical record of the Judeo Christian idea and asks where we would be without it Is There a Judeo-Christian Tradition? Paul Tillich,1952 **When God Had a Wife** Lynn Picknett,Clive Prince,2019-12-10 Reveals the tradition of goddess worship in early Judaism and how Jesus attempted to restore the feminine side of the faith Provides historical and archaeological evidence for an earlier form of Hebrew worship with both male and female gods including a 20th century discovery of a Hebrew temple dedicated to both Yahweh and the warrior goddess Anat Explores the Hebrew pantheon of goddesses including Yahweh s wife Asherah goddess of fertility and childbirth Shows how both Jesus and his great rival Simon Magus were attempting to restore the ancient goddess worshipping religion of the Israelites Despite what Jews and Christians and indeed most people believe the ancient Israelites venerated several deities besides the Old Testament god Yahweh including the goddess Asherah Yahweh s wife who was worshipped openly in the Jerusalem Temple After the reforms of King Josiah and Prophet Jeremiah the religion recognized Yahweh alone and history was rewritten to make it appear that it had always been that way The worship of Asherah and other goddesses was now heresy and so the status of women was downgraded and they were blamed for God s wrath However as Lynn Picknett and Clive Prince reveal the spiritual legacy of the Jewish goddesses and the Sacred Feminine lives on Drawing on historical research they examine how goddess worship thrived in early Judaism and included a pantheon of goddesses They share new evidence for an earlier form of Hebrew worship that prayed to both male and female gods including a 20th century archaeological discovery of a Hebrew temple dedicated to both Yahweh and the goddess Anat Uncovering the Sacred Feminine in early Christianity the authors show how in the first century AD both Jesus and his great rival Simon Magus were attempting to restore the goddess worshipping religion of the Israelites The authors reveal how both men accorded great honor to the women they adored and who traveled with them as priestesses Jesus s Mary Magdalene and Simon s Helen But as had happened centuries before the Church rewrote history to erase the feminine side of the faith deliberately ignoring Jesus s real message and again condemning women to marginalization and worse Providing all the necessary evidence to restore the goddess to both Judaism and Christianity Picknett and Prince expose the disastrous consequences of the suppression of the feminine from these two great religions and reveal how we have been collectively and instinctively craving the return of the Sacred Feminine for millennia Judeo-Christian Tradition Ralph Keen,1999-08
