prose writers in classical Sanskrit all of whom lived in the late sixth and early seventh centuries AD It is clear from his writings that his mind was amazingly modern humane and sensitive especially for the seventh century India in which he lived Bana had a healthy irreverence towards many of the established orthodoxies of his time and his strength lies in his skill as a storyteller and as a creator of characters vibrant with life and individuality Kadambari is a lyrical prose romance that narrates the love story of Kadambari a Gandharva princess and Chandrapida a prince who is eventually revealed to be the moon god Acclaimed as a great literary work it is replete with eloquent descriptions of palaces forests mountains gardens sunrises and sunsets and love in separation and fulfillment Featuring an intriguing parrot narrator the story progresses as a

delightful romantic thriller played out in the magical realms between this world and the other in which the earthly and the divine blend in idyllic splendour The Kadambari of Bana - Primary Source Edition Caroline Mary Ridding, Baṇa Baṇa, Kadambari Kadambari, 2013-12 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book
