by Katherine Mansfield's nomadic rootlessness as an extraterritorial writer. Contributions draw on postcolonial and diasporic frameworks to examine Mansfield's insights into colony and empire. **Katherine Mansfield and Literary Modernism**

Janet Wilson, Susan Reid, Gerri Kimber, 2011-07-07 A reinterpretation of Katherine Mansfield's work that expands our understanding of her place in Modernism. **Russomania** Rebecca Beasley, 2020-03-31 *Russomania* Russian Culture and

the Creation of British Modernism provides a new account of modernist literature's emergence in Britain. British writers played a central role in the dissemination of Russian literature and culture during the early twentieth century, and their writing was transformed by the encounter. This study restores the thick history of that moment by analyzing networks of dissemination and reception to recover the role of neglected as well as canonical figures and institutions, as well as individuals. The dominant account of British modernism privileges a Francophile genealogy, but the turn of the century debate about the future of British writing was a triangular debate, a debate not only between French and English models but between French, English, and Russian models. Francophile modernists associated Russian literature, especially the Tolstoyan novel, with an uncritical immersion in life at the expense of a mastery of style, and while individual works might be admired

Russian literature as a whole was represented as a dangerous model for British writing This supposed danger was closely bound up with the politics of the period and this book investigates how Russian culture was deployed in the close relationships between writers editors and politicians who made up the early twentieth century intellectual class the British intelligentsia Russomania argues that the most significant impact of Russian culture is not to be found in stylistic borrowings between canonical authors but in the shaping of the major intellectual questions of the period the relation between language and action writer and audience and the work of art and lived experience The resulting account brings an occluded genealogy of early modernism to the fore with a different arrangement of protagonists different critical values and stronger lines of connection to the realist experiments of the Victorian past and the anti formalism and revived romanticism of the 1930s and 1940s future

Katherine Mansfield and the Bloomsbury Group Todd Martin, 2017-06-01 The New Zealand born writer Katherine Mansfield associated intimately with many members of the Bloomsbury group but her literary aesthetics placed her at a distance from the artistic works of the group With chapters written by leading international scholars Katherine Mansfield and the Bloomsbury Group explores this conflicted relationship Bringing together biographical and critical studies the book examines Mansfield's relationships personal and literary with such major Modernist figures as Virginia Woolf T S Eliot Aldous Huxley and Walter de la Mare as well as the ways in which her work engaged with and reacted against Bloomsbury In this way the book reveals the true extent of Mansfield's wider influence on 20th century modernist writing

The Bloomsbury Handbook to Katherine Mansfield Todd Martin, 2020-12-10 Through her formally innovative and psychologically insightful short stories Katherine Mansfield is increasingly recognised as one of the central figures in early 20th century modernism Bringing together leading and emerging scholars and covering her complete body of work this is the most comprehensive volume to Mansfield scholarship available today The Bloomsbury Handbook to Katherine Mansfield covers the full range of contemporary scholarly themes and approaches to the author's work including New biographical insights including into the early New Zealand years Responses to the historical crises the Great War empire and orientalism Mansfield's fiction poetry criticism and private writing Mansfield and modernist culture from Bloomsbury to the little magazines Mansfield and her contemporaries Woolf Lawrence and von Arnim Mansfield and the arts visual culture cinema and music The book also includes a substantial annotated bibliography of key works of Mansfield scholarship from the last 30 years

Katherine Mansfield and Translation Claire Davison, 2015-09-23 This volume enables students and scholars to appreciate Mansfield's central place in various trans European networks of modernism working in or through translation and translated idioms

Katherine Mansfield and Psychology Gerri Kimber, 2016-08-16 In line with the recent surge of critical interest in early psychology the contributors read Mansfield's work alongside figures like William James and Henri Bergson opening up new perspectives on affect in her work While these essays trace strands within the intellectual milieu in which Mansfield came of age others explore the intricate interplay between Mansfield's fiction and Freudian theory seeing her work

as emblematic of the uncanny doubling of modernist literature and psychoanalysis Katherine Mansfield and the Modernist Marketplace J. McDonnell, 2010-08-04 Katherine Mansfield had a career long engagement with the literary marketplace from the age of eighteen This book examines how she developed as a writer within a range of book and periodical publishing contexts reconsidering her writing's enactment of a commercially viable modern aesthetic in her experimentation with the short story form Katherine Mansfield and Continental Europe Gerri Kimber, Janka Kascakova, 2015-02-03 This volume offers new interpretations of Katherine Mansfield's work by bringing together recent biographical and critical theoretical approaches to her life and art in the context of Continental Europe It features chapters on Mansfield's reception in several European countries together with her own translations of other European writers

Politics and Aesthetics in The Diary of Virginia Woolf Joanne Tidwell, 2008-02-07 This study of Virginia Woolf's diary examines how Woolf resolved the conflict of expressing political viewpoints with her aesthetic goals focusing on how that struggle played out in her diary **Cinema and the Imagination in Katherine Mansfield's Writing** M.

Ascari, 2014-01-10 Using silent cinema as a critical lens enables us to reassess Katherine Mansfield's entire literary career Starting from the awareness that innovation in literature is often the outcome of hybridisation this book discusses not only a single case study but also the intermedia exchanges in which literary modernism at large is rooted Vogue for Russia Caroline Maclean, 2015-01-20 Explores the influence of Russian aesthetics on British modernists In what ways was the British fascination with Russian arts politics and people linked to a renewed interest in the unseen How did ideas of Russianness and the Russian soul prompted by the arrival of the Ballets Russes and the rise of revolutionary ideals attach themselves to the existing British fashion for theosophy vitalism and occultism In answering these questions this study is the first to explore the overlap between Slavophilia and mysticism between 1900 and 1930 in Britain The main Russian characters that emerge are Fedor Dostoevsky Boris Anrep Vasily Kandinsky Petr Ouspensky and Sergei Eisenstein The British modernists include Roger Fry Virginia Woolf Mary Butts John Middleton Murry Michael Sadleir and Katherine Mansfield Key Features Draws on unpublished archive material as well as on periodicals exhibition catalogues reviews diaries fiction and the visual arts Addresses the omission in modernist studies of the importance of Russian aesthetics and Russian discourses of the occult to British modernism Challenges the dominant Western European and transatlantic focus in modernist studies and provides an original contribution to our understanding of new global modernisms Combines literary studies with aesthetics modernist history the history of modern esotericism film history periodical studies and science studies The Annotated Notebooks of Katherine Mansfield, 1895-July 1908, with Commentary Gillian Boddy, Katherine Mansfield, 1996 Diary Poetics Anna Jackson, 2020-08-26 The diary is a genre that is often thought of as virtually formless a capacious hold all for the writer's thoughts and as offering unmediated access to the diarist's true self Focusing on the diaries of Katherine Mansfield Virginia Woolf Antonia White Joe Orton John Cheever and Sylvia Plath this book looks at how six very different professional writers

have approached the diary form with its particular demands and literary potential As a sequence of separate entries the diary is made up of both gaps and continuities and the different ways diarists negotiate these aspects of the diary form has radical effects on how their diaries represent both the world and the biographical self The different published editions of the diaries by Katherine Mansfield Virginia Woolf and Sylvia Plath show how editorial decisions can construct sometimes startlingly different biographical portraits Yet all diaries are constructed and all diary constructions depend on how the writer works with the diary form
