## Images of Military Aviation Disasters

Military aviation is demanding, challenging, and sometimes unforgiving. Every day our military aircrews face possible disasters, and when confronted with danger they use every ounce of their training—and more than a quick prayer—to get down in one piece.

*Sealies in the Cockpit: Images of Military Aviation Disasters* contains formerly classified, restricted, and never-before-published photography of incredible military flight

mishaps. The accidents portrayed span the period from World War II to the present day and include almost every modern fighter, attack, bomber, and cargo aircraft in the military fleet. Here you will experience the many ways a flight can go wrong: ditchings, gear-up landings, fires, and engine explosions—to name a few. This compilation of dramatic photography is sure to be an amazing addition to your aviation library.
