## Snapshots Of Hope:

Snapshots of Hope Richmond Webster, 2005-09-01 Snapshots of Hope is a series of reflections on hope a timely subject in today's world Written by an excellent storyteller this collection features stories of ordinary people trying to find hope in the midst of chaos challenging times and everyday living A little girl a crossing guard at school gets a spot where no one ever needs help so she turns her job into one of waving all at the cars and welcoming everyone as they come to school An old man who stubbornly sits on a rocking chair in his driveway in the midst of a flooded town gives the rest of the town's residents the courage to come home and start cleaning up Hope it would seem is everywhere even in the most unlikely places Told in a simple and charming voice Snapshots of Hope will provide inspiration and a few giggles for its readers [365 Sensational Sermon Snapshots](#) Donald Cantrell, **A Map of Hope** Marjorie Agosín, 1999 Contains seventy seven poems essays

memoirs and histories from women writers around the world in which they explore issues of human rights **The Bob Hope Films** James L. Neibaur, 2005-01-10 Bob Hope got his start in show business when he was in his twenties remained active past the age of 90 and lived to be 100 His longevity was remarkable especially when one considers that he was active in vaudeville radio motion pictures and television He excelled in each of these popular forms of entertainment but his films are the most genuine testaments to his timeless comedy His smart quips fast pace and breezy manner were perfect ingredients for the brand of comedy that was popular during World War II and the years immediately following the war This book begins with a discussion of Bob Hope's early career and the short films that he starred in and then covers each of the Hope films beginning with The Big Broadcast of 1938 The Hope films the author says do not have deep subtexts or clever cinematic innovations but provide clever uplifting entertainment that continues to inspire laughter and offer solid examples of the humor that made Americans smile during and after World War II Cast and credit information is provided for each film
