Literature for Young Adults Joan L. Knickerbocker,2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout Literature for Young Adults have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they re reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book s discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading

Epstein, Elizabeth Chapman, 2021-08-17 This edited collection explores LGBTQ literature for young readers around the world and connects this literature to greater societal political linguistic historical and cultural concerns It brings together contributions from across the academic and activist spectra looking at picture books middle grade books and young adult novels to explore what is at stake when we write or do not write about LGBTQ topics for young readers The topics include the representation of sexualities and gender identities depictions of queer families censorship links between culture language and sexuality gender translation of LGBTQ literature for young readers and self publishing It is the first collection to expand the study of LGBTQ literature for young readers beyond the English speaking world and to draw cross cultural comparisons *Evaluating and Promoting Nonfiction for Children and Young Adults* Don Latham, 2025-01-07 Evaluating and Promoting Nonfiction for Children and Young Adults isn t another bibliography that will quickly become outdated Instead it situates nonfiction resources within the recent emphasis on reading nonfiction as a way of enhancing critical thinking and combating susceptibility to fake news Donald Latham offers strategies for evaluating nonfiction for the purposes of collection development providing readers advisory and developing programs using nonfiction for children and young adults The book includes lists of professional resources as well as recommended nonfiction titles **Rick Steves Snapshot Copenhagen & the Best of Denmark** Rick Steves, 2018-07-24 You can count on Rick Steves for what you really need to know when traveling in Copenhagen In this slim guide excerpted from Rick Steves Scandinavia you ll get Rick s firsthand up to date advice on the best sights restaurants and hotels in Copenhagen and beyond With Rick s advice you ll bike the canals feast on Danish kringles and tour opulent palaces and castles Rick covers all the must see spots surrounding Copenhagen as well including the Viking Ship Museum in Roskilde the Moesg rd Museum in Arhus and the isle of r and Legoland with helpful maps and self guided tours to keep you on track You ll learn to travel smart and get around like a local as you ride the rollercoasters at Tivoli Gardens eat at one of the best restaurants in the world or order a hot dog from a streetside p lsevojn and toast to the Denmark national football team with a triumphant sk l More than just reviews and directions Rick Steves Snapshot Copenhagen the Best of Denmark is truly a tour guide in your pocket Exploring beyond Denmark Pick up Rick Steves Scandinavia for in depth coverage detailed itineraries and important planning information for a multi country trip *Geographies of Girlhood in US Latina Writing*

Andrea Fernández-García, 2019-12-20 This book is an in depth study of Latina girls portrayed in five coming of age narratives by using spaces and places as hermeneutical tools The texts under study here are Julia Alvarez s *Return to Sender* 2009 Norma E Cant s *Can cula Snapshots of a Girlhood en la Frontera* 1995 Mary Helen Ponce s *Hoyt Street An Autobiography* 1993 and Esmeralda Santiago s *When I Was Puerto Rican* 1993 and *Almost a Woman* 1998 Unlike most representations of Latina girls which are characterized by cultural inaccuracies tropes of exoticism and a tendency to associate the host society with modernity and their girls cultures of origin with backwardness and oppression these texts contribute to reimagining the social differently from what the dominant imagery offers By illustrating the vexing phenomena the characters have to negotiate on a daily basis such as racism sexism and displacement these narratives open avenues for a critical exploration of the legacies of colonial modernity This book therefore not only enables an analysis of how the girls development is shaped by these structures of power but also shows how such legacies are reversed as the characters negotiate their identities It breaks with the longstanding characterization of young people and especially Latina girls as voiceless and deprived of agency showing readers that this youth group also has say in controlling their lifeworlds

Young People Transitioning from Out-of-Home Care Philip Mendes, Pamela Snow, 2016-09-26 This book challenges and revises existing ways of thinking about leaving care policy practice and research at regional national and international levels Bringing together contributors from fifteen countries it covers a range of topical policy and practice issues within national international or comparative contexts These include youth justice disability access to higher education the role of advocacy groups ethical challenges and cultural factors In doing so it demonstrates that whilst young people are universally a vulnerable group there are vast differences in their experiences of out of home care and transitions from care and their shorter and longer term outcomes Equally there are significant variations between jurisdictions in terms of the legislative policy and practice supports and opportunities made available to them This significant edited collection is essential reading for all those who work with young people from care including social workers counsellors and youth and community practitioners as well as for students and scholars of child welfare
