Snow Over Judaea:

The Young Judaeans, 1929 The True Israel Harvey, 2018-12-10 Many studies have portrayed Judaism in Antiquity as sectarian with a variety of groups all claiming to be The True Israel Early Christianity is alleged to have begun in this context as one more Jewish sect claiming such authority However the second century Christian Justin Martyr is the first person known to have used the phrase the True Israel This book examines the uses of the names Jew Hebrew and Israel in the surviving literature especially the Bible Dead Sea Scrolls Philo Josephus New Testament and Mishnah to determine whether this is an adequate or accurate picture It discusses the associations of each word as determined by their actual usage and collocations rather than their theoretical origins It will be of value to scholars of ancient Judaism and early Christianity This publication has also been published in paperback please click here for details **The Treasury of David** Gene Fedele, 2025-04-01 Charles H Spurgeon 1834 1892 was one of the most renowned preachers of the Gospel of Jesus Christ as well as a prolific writer of evangelical works that have impacted the Christian Church over the past two centuries His Treasury of David is his classic work on the book of Psalms which was published in seven volumes in 1885 and took him nearly 20 years to complete One of Spurgeon s pastoral successors at the Metropolitan Tabernacle Eric Hayden once called this Spurgeon s Magnus Opus and his wife Suzannah remarked that if her husband had never written any other work this would have been a permanent literary memorial The publishers at Bridge Logos have republished this superb set from the original 1885 first edition in an easy to read 10 volume set which includes a biography of C H Spurgeon Pure Gold Classics editor Gene Fedele commented This extraordinary set of commentaries on the Psalms from one of the Church s last eminent Puritans has educated and inspired generations of Christians since its first release nearly 150 years ago and it is our hope and prayer that through this Treasure many more will be richly blessed and encouraged in their faith now and for generations to come A Handbook of Syria Great Britain. Naval Intelligence Division, 1920 *Works and Customs in Palestine Volume I/1* Gustaf Dalman, 2024-05-16 Volume I Part 1 Autumn and Winter dealt with agriculture in general because the seasons of Palestine could not be described without describing the various farming tasks connected to them and the religious customs associated with them Orientation to the History of Roman Judaea Steve Mason, 2016-12-09 No field of study is livelier than the history of Roman era Judaea ca 200 BC to AD 400 Bold reinterpretations of texts and new archaeological discoveries prompt us constantly to rethink assumptions What kind of religion was Judaism How did Jews and Christians relate to Roman imperial power Should we speak of Judaism or Judaisms How should the finds at Qumran affect our understanding Did Paul and other early Christians remain within Judaism Should we translate Ioudaioi as Jews or Judaeans These debates can leave students perplexed this book argues because the participants share only a topic They are actually investigating different questions using disparate criteria In the hope of facilitating communication and preparing advanced students this book explores two basic but neglected problems What does it mean to do history if history is what we

wish to do And how did the ancients understand and describe their world It is not a history then but an orientation to the history of Roman Judaea Rather than trying to specify which questions are good ones or what one should think about them the book offers new perspectives to help unleash the historical imagination while reckoning squarely with the nature of our evidence *Princess of Galilee* Charles Redden Butler Neto,2009-10-31 Oscar Wilde got it wrong The famous dancer of seven veils did not die in the fall of Jerusalem but of old age in a villa in Greece Salome daughter of Herodias and princess of Galilee survived her infamous dance to become the toast of Rome We often embroider our characters in history with all sorts of by play innuendo and presumption Salome has come down to us as a strumpet a girl without a motive a toy However what was she really like We can piece together from history a person who wove her own story stood up for herself when no one else would and knew everyone She lived with three kings was presented at the court of four emperors and was made a Basilia client queen of the Roman Empire Coins survive with her portrait twinned with her husband Aristobolus a signal honor for a woman of her time Her unique dishing out of justice at her stepfathers famous birthday banquet has made her a legend but know the facts Her just desserts were a kingdom and a crown a villa and a peaceable old age **MUL.BABBAR: The Messiah's Star** Dwight Reed Hutchison,2024-07-19 Was there a star announcing the coming of the Jewish Messiah at the end of the first millennium BC Did wise men come from the east seeking the newly born king of the Jews How can one be sure MUL BABBAR The Messiah s Star approaches the Star of Bethlehem from a Jewish and Babylonian perspective Babylonian astronomy and royal symbolism seem to give clues about the star However the royal celestial signs related to the coming of the Messiah are also connected directly to Judaism and the Bible The Messiah s star announced the coming of a great king The Greatest of Kings destined to rule the world This book is an updated improved and expanded version of The Lion Led the Way by the same author **The One Year Bible KJV** Tyndale,1987 Divides the text into 365 sections Each 15 minute daily reading includes the New Testament Psalms and Two and three year reading plans Indexable 1 472 pp

Martyrdom and Persecution in the Early Church W. H. C. Frend,2014-04-15 Although the story of the triumphant rise of Christianity has often been told it was a triumph achieved through blood and tribulation The literal meaning of the term martyr meant witness but among early Christians it quickly acquired a harsher meaning one who died for the faith and that witness through death was responsible for many conversions including those of Justin Martyr who himself offered just such witness and perhaps even Tertullian Persecution was seen by early Christians as by later historians as one of the crucial influences on the development of the early church and Christian belief Why did the Roman Empire persecute Christians Why did thousands of Christians not merely accept but welcome martyrdom In his classic work Martyrdom and Persecution in the Early Church the late W H C Frend explores the mindset of Christians who suffered persecution as well as the motivations of those who persecuted them He shows the critical importance of Jewish ideas to early Christians heavily influenced as they were by the story of Daniel and the revolt of the Maccabean He argues that the Christian concept of martyrdom held in such

high regard among early Christians can only be understood as springing from Jewish roots Frend explores a number of major persecutions to show both common themes and variations and examines also the relationship between the heavenly kingdom of Christ and the rule of the earthly emperor In doing so he shows how persecution formed an essential part in a providential philosophy of history that has profoundly influenced European political thought

Quill & Quire, 1994 **A Child's Life Of Christ** Hesba Stratton, This book is merely the story of the life and death of our Lord It has been written for those who have not the leisure or the books needed for threading together the fragmentary and scattered incidents recorded in the Four

Gospels These records have been searched diligently for the smallest links which might serve to complete the chain of those years passed amongst us by One who called himself the Son of man and did not refuse to be called the Son of God The great mystery that surrounds Christ is left untouched Neither love nor thought of ours can reach the heart of it whilst still we see him as through a glass darkly When we behold him as he is face to face then and only then shall we know fully what he was and what he did for us Whilst we strain our eyes to catch the mysterious vision but dimly visible we are in danger of becoming blind to that human simple homely life spent amongst us as the pattern of our days Happy they who are content with being known of God
