everything from spy thrillers to beach party romps The extreme sports era of the 1980s and 1990s brought snowboarding to the big screen This first ever critical history of skiing in film chronicles a century of alpine cinema with production information and stories and quotes from directors actors and stuntmen *Journal* ,1987 **Coming to Terms** William Safire,2012-01-04 When William Safire delineates the difference between misinformation and disinformation or distances himself from clichés people sit up and take notice Which is not to say that Safire's readers always take the punning pundit at his word they don't and he's got the letters to prove it Among the entries in *Coming to Terms* this all new collection of Safire's On Language columns you'll read the repartee of Lexicographic Irregulars great and small John Haim of New York sets in concrete what properly to call a cement truck while Charlton Heston challenges an interpretation of Hamlet's to take arms against a sea of troubles and Gene Shalit passes along his favorite Yogi Berraism Bringing them all together are dozens of Safire's most illuminating and witty columns from Right Stuffing to Getting Whom When William Safire comes to terms there's never a dull moment *The Secret Martians and Other Stories* Jack Sharkey,2016-01-11 MASTER SPY OF THE RED PLANET Jerry Delvin had a most unusual talent He could detect the flaws in any scheme almost on sight even where they had eluded the best brains in the ad agency where he worked So when the Chief of World Security told him that he had been selected as the answer to the Solar System's greatest mystery Jerry assumed that it was because of his mental agility But when he got to Mars to find out why fifteen boys had vanished from a spaceship in mid space he found out that even his quick mind needed time to pierce the maze of out of this world double dealing For Jerry had become a walking bomb and when he set himself off it would be the end of the whole puzzle of THE SECRET MARTIANS with Jerry as the first to go Jack Sharkey decided to be a writer nineteen years ago in the Fourth Grade when he realized all at once that someone wrote all those stories in the textbooks While everyone else looked forward variously to becoming firemen cowboys and trapeze artists Jack was devouring every book he could get his hands on figuring that if I put enough literature into my head some of it might overflow and come out After sixteen years of education Jack found himself teaching high school English in Chicago a worthwhile career but not what one would call zesty After a two year Army hitch and a year in advertising sublimating my urge to write things for cash Jack moved to New York determined to make a career of full time fiction writing Oddly enough it worked out and he now does nothing else He says I'd like to say I do this for fulfillment or for cash or because it's my destiny however the real reason same as that expressed by Jean Kerr is that this kind of stay at home self employment lets me sleep late in the morning *Hunted* Tristen Jessen,Dawn Hitchcock,2018-02-21 Uncle Malaki is hunting for his niece LuLu after killing her parents when she was three years old He needs her to become king of Starlite Island Uncle Malaki's men have been searching the nearby towns and the forest where FinFin and LuLu are hiding The men are getting close Staying one step ahead of them becomes harder now that one of them can sense LuLu Will FinFin be able to keep LuLu hidden until she can return home or will Uncle Malaki get his revenge Neues vollständiges kritisches Wörterbuch der Englischen und
