

Snow White and the Seven Dwarfs

Once upon a time, a princess named Snow White lived in a castle with her father, the King, and her stepmother, the Queen. Her father had always said to his daughter that she must be fair to everyone at court. Said he, "People come here to the castle when they have a problem. They need the ruler to make a fair decision. Nothing is more important than to be fair."

The Queen, Snow White's stepmother, knew how much this meant to her husband. At the first chance, she went to her magic mirror. "Mirror, mirror, on the wall," said the Queen. "Who is the fairest of them all?"

"Snow White is the fairest of them all!" said the Magic Mirror.

"What?!" yelled the Queen. "No one is more fair than I! The Queen must have the best of everything – everyone knows that. What could be more fair than that?"

"Snow White is the fairest of them all!" repeated the Magic Mirror.

"What do you know – you're a mirror!" roared the Queen. And she stormed off.

Still, the Queen was bothered. So bothered was she that the Queen decided to be rid of the girl, once and for all.
