Jackson Jr.,2005-11-15 New York's urban neighborhoods are full of young would-be emcees who aspire to keep it real and restaurants like Sylvia's famous soul food eatery that offer a taste of authentic black culture In these and other venues authenticity is considered the best way to distinguish the real from the phony the genuine from the fake But in *Real Black* John L Jackson Jr proposes a new model for thinking about these issues racial sincerity Jackson argues that authenticity caricatures identity as something imposed on people imprisoning them within stereotypes turning them into racial objects and inanimate things instead of living breathing human beings Contending that such assumptions deny people agency not to mention humanity in their search for identity Jackson counterposes sincerity an internal and more productive analytical model for thinking about race Moving in and around Harlem and Brooklyn Jackson offers a kaleidoscope of subjects and stories that directly and indirectly address how race is negotiated in today's world including tales of name changing hip hop emcees book vending numerologists urban conspiracy theorists corrupt police officers mixed race neo Nazis and high school gospel choirs forbidden to catch the Holy Ghost Enlisting Anthroman his cape crusading critical alter ego Jackson records and retells these interconnected sagas in virtuosic detail and in the process shows us how race is defined and debated imposed and confounded every single day **Love You to Death** Crissy

About THE HANDMAIDEN OF DEATH Sixteen year old Amber Marsden must fight for survival after a botched drug deal leaves her orphaned on the frozen streets of Detroit With nowhere to turn Amber takes shelter among the ruins only to discover that she s not alone in the dark In praise of THE HANDMAIDEN OF DEATH Compellingly written character driven story that follows the life of a wayward teen from the wrong side of the tracks who finds herself the guest of a wealthy man who turns out to be someone she never expected Dialogue is incredibly naturalistic and flows to create scenes rather than relying heavily on narrative description to set the stage Unique and fresh perspective on the vampire genre and full of deep symbolic prose reminiscent of Anne Rice s works I highly recommend this up and coming author and look forward to the next installment in the series Bethann Rodgers The Bookish Maven A Literary Blog
