Doctorate: Finding your Way as a Healthcare Professional in Research - E-Book Janet Deane, 2024-10-15. Are you thinking about embarking on postgraduate qualifications? Are you unsure how to juggle the challenges of a doctorate alongside your clinical workload and personal responsibilities? Then this new book from academic and health professional Dr Janet Deane is for you. Written from personal experience, *Doctorate: Finding your Way as a Healthcare Professional in Research* will help you navigate the entire process of your PhD journey, from choosing your research topic to undertaking the course and assessment, obtaining funding, managing your time and optimising your health and wellbeing. The book is packed full of tips and advice from other health professionals who have successfully completed their doctorates. This book will be especially useful for nurses, midwives and allied health professionals who are considering doctoral research with a view to becoming future research leaders in their field. The only title on the market written from the perspective of healthcare professionals rather than those already embedded in academia, provides real life insights and advice. Written in a personal conversational style, easy to read for busy healthcare professionals. Encourages self-reflection, how your values and background can inform your future research career. Tips for grant and fellowship applications and how to persist beyond failure. Advice on time management, supervision and mentorship, work-life balance and how to meet your goals. Support for maintaining your physical and mental health from those who have been through it too. Interviews with a diverse range of UK nurses, midwives and allied health professionals who are either currently on or have successfully navigated the journey. [So, You Want to Work with the Ancient and Recent Dead?](#) J. M. Bedell, 2015-10-06. Have you ever been excited by forensic science or psyched to dig up fossils? This comprehensive guide reveals a whole host of careers in the underrated world of the no longer living. Covering everything from well-known jobs like archaeologists, morticians, coroners and forensic scientists to the not so well-known professions like studying dead stars and planets to playing a zombie on TV. *So You Want to Work With the Ancient and Recent Dead* uncovers a treasure trove of occupational opportunities. In addition to tips and interviews from professionals in the industry, *So You Want to Work With the Ancient and Recent Dead* includes inspiring stories from kids who are working toward an exciting career in the area of dead things, as well as activities, a glossary and resources to help you unearth your interests and discover a successful career. **Mindful Self-Discipline** Giovanni Dienstmann, 2021-05-14. If you want to live a life of purpose, build good habits and achieve your goals, there is one skill that is more important than anything else: Self

Discipline Self discipline is not about punishment it s about self respect It is not about being inflexible but about living your best life It is the superpower of focus in a world of distractions allowing you to overcome procrastination excuses bad habits low motivation failures and self doubt With it you can stay on track with your values and goals even through the times when you are least inspired Self discipline allows you to choose who you want to be and live by design rather than by default As a meditation teacher and self discipline coach Giovanni Dienstmann has helped hedge fund managers CEOs entrepreneurs ambitious professionals artists and pro athletes to live a more focused and disciplined life Since 2014 he has been successfully coaching people to overcome distractions procrastination self doubt fear and other forms of self sabotage Whatever self discipline challenge you face whatever excuse you are telling yourself Mindful Self Discipline is a collection of all these years of experience converted into a tool for you to use This revolutionary book is a comprehensive and practical guide for you to develop self discipline in a balanced way without beating yourself up It emphasizes the use of mindfulness and awareness as key components for building habits rather than forcefulness and willpower If you have tried other methodologies and failed then this is for you This manual for living your life purposefully contains Over 50 step by step exercises Over 100 illustrations and diagrams Links to the scientific studies about each topic Many many examples all to make it as easy as possible for you to actually apply all this knowledge and transform your daily life If you have tried other approaches Miracle Morning Atomic Habits Willpower Instinct Tiny Habits Discipline is Freedom Hooked Can t Hurt Me and didn t get the results you were after then this is for you Mindful Self Discipline goes much beyond building habits time management and forcing yourself It is gentler more achievable and rooted in living a life of purpose Think you are not made to be self disciplined Think again
