Soaring Into The Storm A About Those Who Triumph Over Adversity:

Winter of the Heart Paula D'Arcy, 2018-02-16 We can't really prepare for grief. The only experts on grief are those who have survived it and then helped others do the same. Retreat leader, former psychotherapist and bestselling author Paula D'Arcy is one of those experts. In *Winter of the Heart*, she shares her life's work accompanying you through seasons of grief and the emotions that come with the loss of a loved one or after other major changes in life. *Winter of the Heart* is a companion for anyone early in the grieving process for the person experiencing shock, emotional pain, an inability to move, guilt, intense anger, and a range of other emotions that might be new to you. D'Arcy lost her young husband and toddler in a violent car accident more than four decades ago. She understands your grief and can also help you look to what's on the other side: hope, acceptance, recognition that what you are experiencing is both common and unique, and the essential counsel that you need not ever get over it. *Winter of the Heart* is for those who mourn the death of a loved one, but it is also for counselors and pastoral ministers. You'll find D'Arcy's words relevant for other occasions when mourning can be painful, including the end of a marriage, job loss, and other major life changes.
