Clemmens,2014-05-22 In this ground breaking book Michael Clemmens offers a new model of treatment for long term recovery which goes beyond the traditional disease paradigm Working from the belief that a fuller life for the recovering addict is grounded on a foundation of abstinence the author explores a self modulation approach which leads to a change in the behavior from within the individual while developing and expanding connection with others *Sobriety Without End* Father John Doe,2022-12 2022 Reprint of the 1957 Edition Exact facsimile of the original edition and not reproduced with Optical Recognition Software Father Ralph S Pfau also known as Father John Doe was the author of *Sobriety Without End* *Sobriety and Beyond* and the Golden Book series He is believed to have been the first Roman Catholic priest to enter Alcoholics Anonymous AA He took his first drink about a year after his ordination By 1943 he was sufficiently worried about his drinking to investigate AA He experienced nervous breakdowns and spent time in sanitariums He was twice relieved of his parish Even after achieving sobriety he continued to be plagued by depressions He learned about AA when calling on a parishioner who was thought to be dying but was just passed out from alcohol and drugs Pfau noticed a copy of the book Alcoholics Anonymous on the shelf He borrowed and read it He stopped drinking Later he read pamphlets

on AA left by a member in the church With the approval of his Archbishop he devoted himself to helping other alcoholics particularly alcoholic priests He traveled more than 50 000 miles a year to address meetings conduct retreats and help individuals For the next 25 years despite severe problems with depression he never took another drink For a short time he continued to take medications prescribed by his doctor and by Mayo Clinic He threw them away after discussing the problem with a doctor familiar with alcoholism In this popular successor to *Sobriety* and *Beyond* the author freely discusses the everyday problems that beset the paths of the unwary Serenity is the key to long term sobriety and Father Doe explains how to get it nurture it and keep it for a lifetime Father Doe believes that by continually growing both mentally and spiritually we strengthen our sobriety and prepare ourselves to deal with all the challenges life has in store for us **Beyond Mystery** E. M. James, 2007 This study of the origin of Alcoholics Anonymous takes all mystery out of how the Twelve Step Program for addiction recovery works The author explores the historical influences from which the Twelve Steps were conceived and delves into the essential meaning of the Higher Power concept The author contends that the Twelve Step Program is a straightforward comprehensible and simple prescription for living that if carefully followed makes recovery from addiction a certainty A comparative study of and commentary on A A s two central texts the Big Book and the Twelve Twelve is the centerpiece of this definitive work
