

Roles: Defenders Make a good weighted pass (towards the field post (2)) then sprint around your post (3) as shown and try to get in front of the attacker and prevent the shot on goal (4). Attacking players Take off from their marker (1) at speed, turn at post (2) control the ball (3) and try to get a shot on goal (4).

Targets: Defenders to get to their position early, turn sharp at the post (3) towards a position between the attacking player and the goal, prevent a shot on goal, tackle the attacker, or force the player wide, spoil the shot on goal in 1 v 1 situation.

Attacking players to control the ball quickly, get a clean shot on goal, dribble past the defender or shoot from long range. (As indicated by the coach - two touch or carry into penalty area)

Goalkeepers: Come out to defend or cover long range shots as you feel necessary, talk to and encourage your defender. Be aggressive in shot saving.

Coaching Points - This is an aggression building sprint grid, rather than have players line up to take a pot shot on goal here we have pressure, speed and real game action. Look for both players speed off the mark, DEFENDER (Red) to make a good (fair) weighted push pass. ATTACK player, (Blue) encourage speed off the mark, (no cheating - do not allow attackers to creep off marker (1)). correct poor ball control at speed, look for early body position for shooting and the placement of the shot, i.e. shooting using the drive, knee over the ball, head forward - power - accuracy (player to pick spot) etc.

Player Development for Possession Soccer Martin Bidzinski, 2017-06-11 Long clearances aerial battles hard tackles 50/50 balls all ahead forward moving mentality constant changes of possession hopeful crosses into a crowded goal area functional players with limited skill sets these are all features of the Second Ball Game the kick it long and hope for the best strategy that has permeated English football and in turn soccer in America for years. It is hard to imagine that whomever coined the phrase The Beautiful Game had this type of football in mind. At the other end of the spectrum there exists a style of play that features skillful players build up play using short accurate passes in all directions and a premium on maintaining possession. This is Possession Soccer also known as the First Ball Game and it has seen a resurgence in recent years due in large part to the successes of FC Barcelona and the Spanish National Team. The main deterrent for coaches looking to implement this style of play is the dearth of players with the necessary skills as youth coaching methods in many countries have catered to the long
