Soccer Skills and Drills James W. Lennox, 2006 Dribbling Receiving Passing Shooting Heading Tackling Goalkeeping Applying techniques tactically Developing positional tactics Coaching techniques and tactics Soccer Skills and Drills Stephen McGill, Stephen McGill, 2005 A collection of drills ranging in level from the most basic to the fairly advanced this volume will help any coach grow his or her players skills as individuals and as a team Every practice can be made challenging and engaging for all of a team's players without being too frustrating for those who are just beginning in the sport and too easy for those who have played before **101 Great Youth Soccer Drills : Skills and Drills for Better Fundamental Play** Robert Koger, 2005-04-12 101 Great Youth Soccer Drills is an exhaustive collection of the very best drills available providing a solid foundation for you to build your players skills Filled with simple step by step instructions and diagrams plus a sample practice program this encyclopedia of drills provides you with solid skill building fundamentals as well as the advanced techniques you need to get your players in top form **Basic Soccer Drills for Kids** Chest Dugger, 2022-11-01 Are you looking to take your kids soccer game under 15 years to the next level Note The author has coached teams to finals of national competitions his teams have played at St George's Park the home of English soccer twice He was invited to be a part of the expert panel when the Government re wrote the curriculum for sport in school in 2010 He has coached across wide ages but his main experience is ages 8 13 and within that 9 11 All of the drills are ones he has used his teams were not selective just normal school sides All these drills can be adapted by a good coach for any age Soccer is the most popular team sport in the world It is perfect for kids to play It is safe simple and the skills required can be easily acquired Becoming an expert player requires high levels of dedication natural athleticism and innate skills Any girl or boy can take to the sport and find enjoyment at their own level It is for this reason that the game is escalating to such a rapid extent in the US And it is why the need for coaches and players is growing continuously and rapidly After all who would not turn down the chance for their kids to keep physically fit to allow their natural competitiveness to be channelled in an organized way to be kept busy in a manner that is both productive and worthwhile In addition to this soccer develops dexterity problem solving collaboration friendship respect self discipline team spirit and sportsmanship All of which are life skills that are best acquired young But there is so much to learn for youngsters who wish to become soccer players at a good club level Shooting defending pressing passing controlling the ball the laws of the game even professionals struggle at times with the offside law as do it sometimes seems the referees themselves And more important than all of these children must learn about the spirit of soccer Fair play and the sportsmanship mentioned above This is especially so for today's youngsters facing all the pressures of growing up in a challenging world driven by the twin pressures of consumerism and social media Here's What's Included In This Book The 7 different kinds of skills that kids need to learn in soccer How Ball Control Skills escalate the level of your kids soccer game 6 Passing Drills that will improve team cohesion quickly Offensive Tips Tricks and Drills that will make your team win 6 Drills

that will make your kids get to defend in numbers and strength How to get kids to learn from the pros on TV 6 Drills that will make your kids get to defend in numbers and strength 5 Dribbling Tips and Drills that will make your kid stand out How the Mental Side of Soccer will improve your kids social and life skills What Parents must do during soccer practice and games Scroll up and Download Now

**Rondo Soccer Drills** Chest Dugger,2021-06-12 Have you wondered how Pep Guardiola's teams have dominated European leagues for the last two decades Not only is the answer simple it's something that you can use to take your game and your team's game leagues above your opposition The key to Pep's success at Barcelona and Manchester City is the Rondo Rondos have transformed modern football Not only have Rondos helped Pep dominate European football they've helped turn the Spanish national team into the best in the world The system behind Rondos was the beating heart of the brilliant Barcelona teams which dominated Europe for a decade from 2005 They made soccer even more exciting to watch improving players technical ability and creating a proper total football in the European sense game Their approach was reminiscent of the fantastic Ajax team of the 1970s and the great Dutch teams of that era They led to the excitement of the high press and the thrilling soccer which follows when the press is defeated They proved the benefit of technique over physical prowess So what is this miracle of the training pitch which has so transformed the game of soccer The beauty of the rondo is its simplicity It is a drill where the objective is to retain possession As rondo drills become more complex this aim might develop It might be about keeping possession in transition or maintaining possession to create a goal scoring opportunity However at its heart is the objective of one side keeping hold of the ball A second key element of a rondo is that the sides are uneven One team has extra players It can take a form as exaggerated as 10 v 1 or as close as 5 v 4 However the point is that some pressure is applied but not so much as to make the drill difficult to perfect Thus confidence grows and in turn touch and vision A rondo is usually a drill that takes place in a limited space typically a circle square or rectangular grid Thus first and second touches are perfected because there is not much time to take many touches Finally and crucially rondos are drills that are fast and fun They involve lots of touches for the players in possession and a real sense of achievement on the rare occasions that the smaller side actually wins back the ball So simple Yet so effective This coaching book celebrates the rondo and offers drills tactics and coaching techniques to help soccer players at any level from the unbounded enthusiasm of Under 6s to the worldly view of veteran teams From the pub side who turn out on a Sunday morning cooked breakfast weighing heavily on their hangover infused stomachs to the champion youth team of the region We can all improve as coaches and players The rondo is the system that enables progress to happen more quickly and efficiently than any other soccer coaching strategy Even if you haven't heard of Rondos before you'll gain a lot from this book Order Now
