## 13. FREE KICKS

There are two types of free kick in a soccer game:

- A **direct free kick** is a kick where the player taking the free-kick can score a goal directly without any other player having to touch the ball first. Usually results from a contact foul or a handball.
- An **indirect free kick** is a free-kick where the player taking the kick cannot score directly from the kick. The ball must touch another player before a goal can be scored, most other types of foul apart from from a contact foul or a handball
- **All free kicks** are taken from the place where the offense occurred.
- The kicker **must not touch the ball again** until it has touched another player.

## 14. THE PENALTY KICK

- A penalty kick is awarded if a player commits a direct free kick offense inside their penalty area.
- A goal may be scored **directly from a penalty kick**.
- The defending goalkeeper **must remain on the goal line** until the ball has been kicked.
- The players other than the kicker and goalkeeper must be at least **10 yds (9.15 m)** from the penalty mark behind the penalty mark.

## 15. THE THROW IN

- A throw-in takes place when the ball has **gone out of play over the touchline**, or sideline, of the soccer field.
  - The opposing team of the player who **last touched** the ball is required to throw the ball back into play with their hands.
  - A goal cannot be scored directly from a throw-in.
- At the moment of delivering the ball, the thrower must:
- stand facing the field of play
  - have part of each foot on the touchline **or** on the ground outside the touchline
  - throw the ball **with both hands** from behind and over the head **from the point** where it left the field of play.

## 16. THE GOAL KICK

- A goal kick is awarded when the **whole of the ball** passes over the goal line, on the ground or in the air, having **last touched** a player of the **attacking** team.
- After the ball is in play the kicker cannot touch the ball again **before** it has touched another player.
- The ball must be stationary and is **kicked from any point within the goal area** by a player of the defending team.
- The ball is in play when it is kicked and clearly moves.
- Opponents **must be outside the penalty area** until the ball is in play.

## 17. THE CORNER KICK

- A corner kick is awarded when the **whole of the ball** passes over the goal line at the end of the field having last touched a player of the **defending** team.
- The ball must be placed in the **corner nearest to the point where the ball passed over the goal line**.
- A goal may be scored directly from a corner kick.
- After the ball is in play the **kicker cannot touch the ball again** before it has touched another player.
- Opponents must remain at least **10 yds (9.15 m)** from the corner arc until the ball is in play.
