Anna Aydinyan

Sochineniia V 3 Tomakh Tom 3 Pushkin:

Formalists against Imperialism Anna Aydinyan, 2022-05-30 In January 1829 an angry mob in Tehran murdered Russian poet and diplomat Alexander Griboedov author of the verse comedy *Woe from Wit* and architect of the Russian annexation of the north Caucasus from Persia after the Russo Persian War A century later the Russian formalist writer Yuri Tynianov wrote a historical novel about the event entitled *The Death of Vazir Mukhtar* In this wide ranging study Anna Aydinyan posits that *The Death of Vazir Mukhtar* conceptualizes Orientalism fifty years before Edward Said coined the term She argues that Tynianov parodied historical works on the Caucasus in his novel in order to critique the ways in which exoticizing the East enabled imperialism and colonization Analysing literary and non literary texts on Russia's relationship with Iran along with the economic and cultural development of Transcaucasia after the Russo Persian War **Formalists against Imperialism** studies Russian culture within the framework of comparative colonialisms and examines the twentieth century Russian reconsideration of the country's imperial past *The Problem of Verse Language* Юрий Николаевич Тынянов, 1981

Russian Messianism Peter J. S. Duncan, 2002-11-01 This is the first book in English for half a century to examine the complexities of Russian messianism both as a whole and in its interaction with Communism Peter Duncan considers its Orthodox roots and focuses on Russia's geopolitical experience and situation to explain the endurance of this phenomenon

Russia Geoffrey A. Hosking, 1997 The Soviet Union crumbles and Russia rises from the rubble once again the great nation a perfect scenario but for one point Russia was never a nation And this says the eminent historian Geoffrey Hosking is at the heart of the Russians dilemma today as they grapple with the rudiments of nationhood His book is about the Russia that never was a three hundred year history of empire building at the expense of national identity Russia begins in the sixteenth century with the inception of one of the most extensive and diverse empires in history Hosking shows how this undertaking the effort of conquering defending and administering such a huge mixture of territories and peoples exhausted the productive powers of the common people and enfeebled their civic institutions Neither church nor state was able to project an image of Russian-ness that could unite elites and masses in a consciousness of belonging to the same nation Hosking depicts two Russias that of the gentry and of the peasantry and reveals how the gap between them widened by the Tsarist state's repudiation of the Orthodox messianic myth continued to grow throughout the eighteenth and nineteenth centuries Here we see how this myth on which the empire was originally based returned centuries later in the form of the revolutionary movement which eventually swept away the Tsarist Empire but replaced it with an even more universalist one Hosking concludes his story in 1917 but shows how the conflict he describes continues to affect Russia right up to the present day

Queer in Translation B.J. Epstein, Robert Gillett, 2017-01-06 As the field of translation studies has developed translators and translation scholars have become more aware of the unacknowledged ideologies inherent both in texts themselves and in the mechanisms that affect their circulation This book both analyses the translation of queerness and

applies queer thought to issues of translation It sheds light on the manner in which heteronormative societies influence the selection reading and translation of texts and pays attention to the means by which such heterosexism might be subverted It considers the ways in which queerness can be repressed ignored or made invisible in translation and shows how translations might expose or underline the queerness or the homophobic implications of a given text Balancing the theoretical with the practical this book investigates what is culturally at stake when particular texts are translated from one culture to another raising the question of the relationship between translation colonialism and globalization It also takes the insights derived from intercultural translation studies and applies them to other fields of cultural criticism The first multi focus in depth study on translating queer translating queerly and queering translation this book will be of interest to scholars working in the fields of gender and sexuality queer theory and queer studies literature film studies and translation studies **Pushkin's Tatiana**

Olga Peters Hasty,1999 ONE OF THE most discussed and elusive female characters in the Russian literary tradition Pushkin's Tatiana Larina is the progenetrix of an impressive list of heroines ranging from Tolstoy's Anna Karenina to Pasternak's Lara Guishar in Doctor Zhivago In this provocative new book Olga Hasty offers the first study of Pushkin's novel in verse Eugene Onegin that focuses systematically on Tatiana A major revisionist reading of one of the central texts of the Russian canon Hasty's Tatianacentric approach to Eugene Onegin revitalizes our understanding of both Pushkin's heroine and the novel in which she appears Hasty shows with elegance and psychological insight how Tatiana is able to realize her imaginative potential in a context full of real risk and constraint Tatiana emerges as a new literary psychological and cultural model who enacts precisely those creative tensions and possibilities on which Pushkin himself drew Pushkin's Tatiana recovers the erotic energy self control and expressivity of Pushkin's most beloved heroine freeing her from the cliched image of self sacrificial woman Hasty concludes with an insightful exploration of Tatiana's subsequent role in the self presentations of the Russian poets Karolina Pavlova and Marina Tsvetaeva *Pushkin, the Decembrists, and Civic Sentimentalism* Emily

Wang,2023-10-31 In December 1825 a group of liberal aristocrats officers and intelligentsia mounted a coup against the tsarist government of Russia Inspired partially by the democratic revolutions in the United States and France the Decembrist movement was unsuccessful however it led Russia's civil society to new avenues of aspiration and had a lasting impact on Russian culture and politics Many writers and thinkers belonged to the conspiracy while others including the poet Alexander Pushkin were loosely or ambiguously affiliated While the Decembrist movement and Pushkin's involvement has been well covered by historians Emily Wang takes a novel approach examining the emotional and literary motivations behind the movement and the dramatic failed coup Through careful readings of the literature of Pushkin and others active in the northern branch of the Decembrist movement such as Kondraty Ryleev Wilhelm Kchelbecker and Fyodor Glinka Wang traces the development of emotional communities among the members and adjacent writers This book illuminates what Wang terms civic sentimentalism the belief that cultivating noble sentiments on an individual level was the key to liberal progress for

Russian society a core part of Decembrist ideology that constituted a key difference from their thought and Pushkin's The emotional program for Decembrist community members was in other ways a civic program for Russia as a whole one that they strove to enact by any means necessary **Cognitive Poetics and Cultural Memory** Mikhail Gronas, 2010-10-18 In this volume Gronas addresses the full range of psychological social and historical issues that bear on the mnemonic existence of modern literary works particularly Russian literature He focuses on the mnemonic processes involved in literary creativity and the question of how our memories of past reading experiences shape the ways in which we react to literary works The book also examines the concrete mnemonic qualities of poetry as well as the social uses to which poetry memorization has historically been put to use This study will appeal to scholars of cognitive poetics Russian literature and cultural studies

Lyric Complicity Daria Khitrova, 2019-07-16 For many nineteenth century Russians poetry was woven into everyday life in conversation and correspondence scrapbook albums and parlor entertainments Blending close literary analysis with social and cultural history Daria Khitrova shows how poetry lovers of the period all became nodes in a vast network of literary appreciation and constructed meaning Poetry during the Golden Age was not a one way avenue from author to reader Rather it was participatory interactive and performative Lyric Complicity helps modern readers recover Russian poetry's former uses and functions life situations that moved people to quote or perform a specific passage from a poem or a forgotten occasion that created unforgettable verse The Song of the Mocking Bird Alexandra Smith, 1994 Marina Tsvetaeva one of

this century's leading Russian authors was fascinated by Pushkin throughout her life She often modelled herself on Russia's first great poet This book examines Tsvetaeva's writings on Pushkin including her translations of his poetry into French It sheds a new light on Tsvetaeva's avant garde poetics arguing that mimicry played a crucial role in her writings Tsvetaeva was brought up to speak German and French as well as Russian and with most of her works written as an émigré in Berlin Czechoslovakia and France she was a truly European author and critic This book shows how Tsvetaeva's work on Pushkin shaped and revealed her Russian identity *Monthly Index of Russian Accessions* Library of Congress. Processing

Department, 1965 **The Poetics of Impudence and Intimacy in the Age of Pushkin** Joe Peschio, 2012 In early nineteenth century Russia members of jocular literary societies gathered to recite works written in the lightest of genres the friendly verse epistle the burlesque the epigram the comic narrative poem the prose parody In a period marked by the Decembrist Uprising and heightened state scrutiny into private life these activities were hardly considered frivolous such works and the domestic insular spaces within which they were created could be seen by the Russian state as rebellious at times even treasonous Joe Peschio offers the first comprehensive history of a set of associated behaviors known in Russian as *shalosti* a word which at the time could refer to provocative behaviors like practical joking insubordination ritual humiliation or vandalism among other things but also to literary manifestations of these behaviors such as the use of obscenities in poems impenetrably obscure allusions and all manner of literary inside jokes One of the period's most fashionable literary

and social poses became this complex of behaviors taken together Peschio explains the importance of literary shalosti as a form of challenge to the legitimacy of existing literary institutions and sometimes the Russian regime itself Working with a wide variety of primary texts from verse epistles to denunciations etiquette manuals and previously unknown archival materials Peschio argues that the formal innovations fueled by such prankish types of literary behavior posed a greater threat to the watchful Russian government and the literary institutions it fostered than did ordinary civic verse or overtly polemical prose *Collected Essays in Honor of the Bicentennial of Alexander Pushkin's Birth* Juras T. Ryfa, 2000 This collection involved the participation of both Russian and American scholars as a joint cultural event

True Songs of Freedom John MacKay, 2013-07-31 Harriet Beecher Stowe's 1852 antislavery novel *Uncle Tom's Cabin* was the nineteenth century's best selling novel worldwide only the Bible outsold it It was known not only as a book but through stage productions films music and commercial advertising as well But how was Stowe's novel one of the watershed works of world literature actually received outside of the American context *True Songs of Freedom* explores one vital sphere of Stowe's influence Russia and the Soviet Union from the 1850s to the present day Due to Russia's own tradition of rural slavery the vexed entwining of authoritarianism and political radicalism throughout its history and especially after 1945 its prominence as the superpower rival of the United States Russia developed a special relationship to Stowe's novel during this period of rapid societal change *Uncle Tom's Cabin* prompted widespread reflections on the relationship of Russian serfdom to American slavery on the issue of race in the United States and at home on the kinds of writing appropriate for children and peasants learning to read on the political function of writing and on the values of Russian educated elites who promoted discussed and fought over the book for more than a century By the time of the Soviet Union's collapse in 1991 Stowe's novel was probably better known by Russians than by readers in any other country John MacKay examines many translations and rewritings of Stowe's novel plays illustrations and films based upon it and a wide range of reactions to it by figures famous Leo Tolstoy Ivan Turgenev Marina Tsvetaeva and unknown In tracking the reception of *Uncle Tom's Cabin* across 150 years he engages with debates over serf emancipation and peasant education early Soviet efforts to adapt Stowe's deeply religious work of protest to an atheistic revolutionary value system the novel's exploitation during the years of Stalinist despotism Cold War anti Americanism and antiracism and the postsocialist consumerist ethos

The Vampire Thomas M. Bohn, 2019-09-01 Even before Bram Stoker immortalized Transylvania as the homeland of his fictional Count Dracula the figure of the vampire was inextricably tied to Eastern Europe in the popular imagination Drawing on a wealth of previously neglected sources this book offers a fascinating account of how vampires whose various incarnations originally emerged from folk traditions from all over the world became so strongly identified with Eastern Europe It demonstrates that the modern conception of the vampire was born in the crucible of the Enlightenment embodying a mysterious Eastern otherness that stood opposed to Western rationality From the Prologue From Original Sin to Eternal Life For a broad contemporary public the vampire has become a

star a media sensation from Hollywood Bestselling authors such as Bram Stoker Anne Rice and Stephenie Meyer continue to fire the imaginations of young and old alike and bloodsuckers have achieved immortality through films like Dracula Interview with a Vampire and Twilight It is no wonder that in the teenage bedrooms of our globalized world vampires even steal the show from Harry Potter They have long since been assigned individual personalities and treated with sympathy They may possess superhuman powers but they are also burdened by their immortality and have to learn to come to terms with their craving for blood Whereas the Southeast European vampire discovered in the 1730s underwent an Americanization and domestication in the media landscape of the twentieth century the creole zombies that first became known through the cheap novels and horror films of the 1920s still continue to serve as brainless horror figures Do bloodsuckers really exist and should we really be afraid of the dead These are the questions that I seek to tackle following the wishes of my daughter who was ten when I started this project

Russian and Soviet Film Adaptations of Literature, 1900-2001 Stephen Hutchings, Anat Vernitskaia, 2004-12-17 Providing many interesting case studies and bringing together many leading authorities on the subject this book examines the importance of film adaptations of literature in Russian cinema especially during the Soviet period when the cinema was accorded a vital role in imposing the authority of the communist regime on the consciousness of the Soviet people

Writing at Russia's Border Katya Hokanson, 2008-01-01 It is often assumed that cultural identity is determined in a country's metropolitan centres Given Russia's long tenure as a geographically and socially diverse empire however there is a certain distillation of peripheral experiences and ideas that contributes just as much to theories of national culture as do urban centred perspectives Writing at Russia's Border argues that Russian literature needs to be reexamined in light of the fact that many of its most important nineteenth century texts are peripheral not in significance but in provenance Katya Hokanson makes the case that the fluid and ever changing cultural and linguistic boundaries of Russia's border regions profoundly influenced the nation's literature posing challenges to stereotypical or territorially based conceptions of Russia's imperial military and cultural identity A highly canonical text such as Pushkin's Eugene Onegin 1831 which is set in European Russia is no less dependent on the perspectives of those living at the edges of the Russian Empire than is Tolstoy's The Cossacks 1863 which is explicitly set on Russia's border and has become central to the Russian canon Hokanson cites the influence of these and other peripheral texts as proof that Russia's national identity was dependent upon the experiences of people living in the border areas of an expanding empire Produced at a cultural moment of contrast and exchange the literature of the periphery represented a negotiation of different views of Russian identity an ingredient that was ultimately essential even to literature produced in the major cities Writing at Russia's Border upends popular ideas of national cultural production and is a fascinating study of the social implications of nineteenth century Russian literature

Monthly Index of Russian Accessions, 1961 **Osip Mandelstam and the Modernist Creation of Tradition** Clare Cavanagh, 1994-11-14 If modernism marked as some critics claim an apocalypse of cultural community then Osip Mandelstam

1891-1938 must rank among its most representative figures. Born to Central European Jews in Warsaw on the cusp of the modern age, he could claim neither Russian nor European traditions as his birthright. Describing the poetic movement he helped to found, Acmeism as a yearning for world culture, he defined the impulse that charges his own poetry and prose. Clare Cavanagh has written a sustained study placing Mandelstam's remembrance and invention of a usable poetic past in the context of modernist writing in general, with particular attention to the work of T. S. Eliot and Ezra Pound. Cavanagh traces Mandelstam's creation of tradition from his earliest lyrics to his last verses written shortly before his arrest and subsequent death in a Stalinist camp. Her work shows how the poet, generalizing from his own dilemmas and disruptions, addressed his epoch's paradoxical legacy of disinheritance and how he responded to this unwelcome legacy with one of modernism's most complex, ambitious, and challenging visions of tradition. Drawing on not only Russian and Western modernist writing and theory but also modern European Jewish culture, Russian religious thought, postrevolutionary politics, and even silent film, Cavanagh traces Mandelstam's recovery of a world culture vital, vast, and varied enough to satisfy the desires of the quintessential outcast modernist.

A History of Russian Literature Andrew Kahn, Mark Naumovich Lipovetskiĭ, Irina Reyfman, Stephanie Sandler, 2018. Russia possesses one of the richest and most admired literatures of Europe, reaching back to the eleventh century. *A History of Russian Literature* provides a comprehensive account of Russian writing from its earliest origins in the monastic works of Kiev up to the present day, still rife with the creative experiments of post-Soviet literary life. The volume proceeds chronologically in five parts, extending from Kievan Rus in the 11th century to the present day. The coverage strikes a balance between extensive overview and in-depth thematic focus. Parts are organized thematically in chapters, which include a number of keywords that are important literary concepts that can serve as connecting motifs and case studies in depth discussions of writers, institutions, and texts that take the reader up close and personal. Visual material also underscores the interrelation of the word and image at a number of points, particularly significant in the medieval period and twentieth century. The History addresses major continuities and discontinuities in the history of Russian literature across all periods and, in particular, brings out trans-historical features that contribute to the notion of a national literature. The volume's time range has the merit of identifying from the early modern period a vital set of national stereotypes and popular folklore about boundaries, space, Holy Russia, and the charismatic king that offers culturally relevant material to later writers. This volume delivers a fresh view on a series of key questions about Russia's literary history by providing new mappings of literary history and a narrative that pursues key concepts rather than individual authorial careers. This holistic narrative underscores the ways in which context and text are densely woven in Russian literature and demonstrates that the most exciting way to understand the canon and the development of tradition is through a discussion of the interrelation of major and minor figures, historical events, and literary politics, literary theory, and literary innovation.

Decoding **Sochineniia V 3 Tomakh Tom 3 Pushkin**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Sochineniia V 3 Tomakh Tom 3 Pushkin**," a mesmerizing literary creation penned by a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

Sochineniia V 3 Tomakh Tom 3 Pushkin Introduction

Sochineniia V 3 Tomakh Tom 3 Pushkin Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Sochineniia V 3 Tomakh Tom 3 Pushkin Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Sochineniia V 3 Tomakh Tom 3 Pushkin : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Sochineniia V 3 Tomakh Tom 3 Pushkin : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Sochineniia V 3 Tomakh Tom 3 Pushkin Offers a diverse range of free eBooks across various genres. Sochineniia V 3 Tomakh Tom 3 Pushkin Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Sochineniia V 3 Tomakh Tom 3 Pushkin Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Sochineniia V 3 Tomakh Tom 3 Pushkin, especially related to Sochineniia V 3 Tomakh Tom 3 Pushkin, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Sochineniia V 3 Tomakh Tom 3 Pushkin, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Sochineniia V 3 Tomakh Tom 3 Pushkin books or magazines might include. Look for these in online stores or libraries. Remember that while Sochineniia V 3 Tomakh Tom 3 Pushkin, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Sochineniia V 3 Tomakh Tom 3 Pushkin eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Sochineniia V 3 Tomakh Tom 3 Pushkin full book , it can give you a taste of the authors writing style. Subscription Services

Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Sochineniia V 3 Tomakh Tom 3 Pushkin eBooks, including some popular titles.

FAQs About Sochineniia V 3 Tomakh Tom 3 Pushkin Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sochineniia V 3 Tomakh Tom 3 Pushkin is one of the best book in our library for free trial. We provide copy of Sochineniia V 3 Tomakh Tom 3 Pushkin in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sochineniia V 3 Tomakh Tom 3 Pushkin. Where to download Sochineniia V 3 Tomakh Tom 3 Pushkin online for free? Are you looking for Sochineniia V 3 Tomakh Tom 3 Pushkin PDF? This is definitely going to save you time and cash in something you should think about.
