Social Concern and Urban Realism Patricia Hills,1983 *Social Concern and Urban Realism* Patricia Hills,Raphael Soyer,1983 *The Social and the Real: Political Art of the 1930s in the Western Hemisphere* ,2006 **American Culture in the 1930s** David Eldridge,2008-10-08 This book provides an insightful overview of the major cultural forms of 1930s America literature and drama music and radio film and photography art and design and a chapter on the role of the federal government in the development of the arts The intellectual context of 1930s American culture is a strong feature whilst case studies of influential texts and practitioners of the decade from War of the Worlds to The Grapes of Wrath and from Edward Hopper to the Rockefeller Centre help to explain the cultural impulses of radicalism nationalism and escapism that characterize the United States in the 1930s **American Scenes: WPA-Era Prints from the 1930s and 1940s** La Salle University Art Museum,2014 *Social Concern and Left Politics in Jewish American Art* Matthew Baigell,2015-04-03 This book explores the important and barely examined connections between the humanitarian concerns embedded in the religious heritage of Jewish American artists and the appeal of radical political causes between the years of the Great Migration from Eastern Europe in the 1880s and the beginning of World War II in the late 1930s Visual material consists primarily of political cartoons published in leftwing Yiddish and English language newspapers and magazines Artists often commented on current events using biblical and other Jewish references meaning that whatever were their political concerns their Jewish heritage was ever present By the late 1940s the obvious ties between political interests and religious concerns largely disappeared The text set against events of the times the Russian Revolution the Depression and the rise of fascism during the 1930s as well as life on New York s Lower East Side includes artists statements as well as the thoughts of religious literary and political figures ranging from Marx to Trotsky to newspaper editor Abraham Cahan to contemporary art critics including Meyer Schapiro *Antifascism in American Art* Cécile Whiting,1989-01-01 Whiting examines the various manifestations of antifacist art showing how each negotiated the competing demands of artistic conventions aesthetic and political theories and historical developments **A New Deal for Native Art** Jennifer McLerran,2022-08-16 As the Great Depression touched every corner of America the New Deal promoted indigenous arts and crafts as a means of bootstrapping Native American peoples But New Deal administrators romanticization of indigenous artists predisposed them to favor pre industrial forms rather than art that responded to contemporary markets In *A New Deal for Native Art* Jennifer McLerran reveals how positioning the native artist as a pre modern Other served the goals of New Deal programs and how this sometimes worked at cross purposes with promoting native self sufficiency She describes federal policies of the 1930s and early 1940s that sought to generate an upscale market for Native American arts and crafts And by unraveling the complex ways in which commodification was negotiated and the roles that producers consumers and New Deal administrators played in that process she sheds new light on native art s commodity status and the artist s position as colonial subject In this first book to address

the ways in which New Deal Indian policy specifically advanced commodification and colonization McLerran reviews its multi pronged effort to improve the market for Indian art through the Indian Arts and Crafts Board arts and crafts cooperatives murals museum exhibits and Civilian Conservation Corps projects Presenting nationwide case studies that demonstrate transcultural dynamics of production and reception she argues for viewing Indian art as a commodity as part of the national economy and as part of national political trends and reform efforts McLerran marks the contributions of key individuals from John Collier and Rene d Harmoncourt to Navajo artist Gerald Nailor whose mural in the Navajo Nation Council House conveyed distinctly different messages to outsiders and tribal members Featuring dozens of illustrations A New Deal for Native Art offers a new look at the complexities of folk art revivals as it opens a new window on the Indian New Deal

Morgan,2004 The social realist movement with its focus on proletarian themes and its strong ties to New Deal programs and leftist politics has long been considered a depression era phenomenon that ended with the start of World War II This study explores how and why African American writers and visual artists sustained an engagement with the themes and aesthetics of social realism into the early cold war era far longer than a majority of their white counterparts Stacy I Morgan recalls the social realist atmosphere in which certain African American artists and writers were immersed and shows how black social realism served alternately to question the existing order instill race pride and build interracial working class coalitions Morgan discusses among others such figures as Charles White John Wilson Frank Marshall Davis Willard Motley Langston Hughes Sterling Brown Elizabeth Catlett and Hale Woodruff **Painting Harlem Modern** Patricia Hills,2019-02-16 Jacob
