idea of memorialization itself Because all survivors suffer the losses of war Tatum s is a story of both victims and victors commanders and soldiers women and men Photographs of war memorials in Vietnam France and the United States beautifully augment his testimonials Eloquent and deeply moving The Mourner s Song will speak to anyone interested in the literature of war and the relevance of the classics to our most pressing contemporary needs *The Epilogue Event* S G Bell,2024-05-28 2010 The end of the world has begun but no one is paying attention People are unaware of the breaking pandemic code name The Epilogue Event **Dragon War** James Wyatt,2010-01-26 An epic series that fans of the Eberron R world will love The Five Nations of Khorvaire stand on the brink of war Gaven exile outlaw and prophesied Storm Dragon may be the one person able to stop it But he can t remember who he is Wounded tormented and hovering on the brink of madness Gaven s friends and even a few enemies have to save him before it s too late The Eberron world s first hardcover trilogy James Wyatt s The Draconic Prophecies introduced readers to new lands and new cultures and brought about political changes to the hit setting It tells the story of a once proud hero fallen to disgrace and madness who must learn to wield extraordinary powers to save those he loves and to keep the world from sliding back into decades of warfare **Restoring God** Brian Goodwin,2023-12-20 Broken things do not need to stay broken They can be restored and people are no different A person s soul can experience brokenness from relationships personal loss or various experiences The pain is real but it doesn t need to stay that way At its core Restoring God presents stories of testimony from broken people whom God made whole again Every person can be renewed and can find hope once more We can travel the path to restoration using the compass of the Restoring God There are elements that lead to restoration such as faith hope patience and perseverance These elements supported by author Brian Goodwin s personal narrative and stories from the Bible help the path to become clearer Restoration involves revival through repair finding our true identity through the one who created us with purpose and choosing to live according to God s values and guidance With God s help you can find hope and healing to be made whole once more This inspirational guide explores the elements needed for restoration from God and shares one man s personal journey to restoration *Birth and Birthgivers* Janet Chawla,2006 This volume presents varied essays exploring women s voices agencies and aesthetics in the traditional handling of chilbearing Ayurveda as it comprehends reproduction sohars birth songs birth narratives cord cutters dais knowledge and compensation systems as well as analyses of biomedical dominance and erasure of indigenous knowledge all provide a peek behind the purdah in this critical reclamation of tradition **Making and Unmaking Modern Japan** Ritu Vij,2016-04-12 The papers assembled here share the dual conviction that 1 understanding the lineaments of Japanese modernity entails an appreciation of the specific forms of distinctions discriminations and exclusions constitutive of it 2 that the socio economic political fractures increasingly visible under conditions of late modernity reveal the precarious nature of the making of modernity in Japan Bringing together a group of critical intellectuals mostly based in Japan with long standing political commitments to groups emblematic of

Green,Steven Félix-Jäger,2024-09-16 The Spirit and the Song Pneumatological Reflections on Popular Music explores pertinent pneumatological issues that arise in music It offers three distinct contributions first it asks what if anything music tells listeners about God s Spiritedness Can the experience of music speak to human spiritedness the world s transcendentalty or a person s own self transcendence in ways nothing else does or can Second this book explores how the Spirit functions within and even determines culture through music Because music is a profound human expression it can find itself in a rich dialogue with the Spirit Third and finally this book explores the contested status of music in Christian spiritual traditions It deals with music as inspired by the Spirit music as participation in Spiritedness and music as temptation of the flesh As such this book also engages music s placement in Christian spiritual traditions The contributors of this book ask how Christian convictions about and experiences of the Spirit might shape the way one thinks about music
