Kitson, 2017-11-07 This gripping suspenseful novel of two brothers and their abusive father explores questions of faith and forgiveness After a gruesome murder Phillip must finally face Michael alone for the first time in several months His greatest fear is whether he can find any forgiveness for the years he remained silent allowing his younger brother to suffer at the hands of Tony their sadistic father Years before the killing Tony accidentally discovered a letter written to his wife proving that she had had a passionate relationship with someone named Samuel Considering the humiliating possibility that Michael might not be his son and consumed with rage Tony s only ambition was to destroy the possible evidence of his wife s affair Now Michael is nearly sixteen years old and in the hospital barely alive While sitting alone with his brother Phillip is tormented by recurring memories he can t seem to escape and just when he realizes the hopelessness of his life without Michael Samuel the man who wrote the letter to the boys mother arrives at the hospital Samuel is confronted with the terrifying reality that he may have missed his only chance to meet the young man he suspects is his son and refuses to abandon the boys to their barbaric life Phillip and Michael have only known hatred in their lives and Samuel and his wife want nothing more than to offer the brothers a chance to learn that love conquers all things a reality Phillip must embrace if he is ever going to make peace with Michael and himself especially after the brutal death that changed everything      *Song of the Trees* Mildred D. Mehra Ngozi Onuora Lauren Rizzuto Shelly Shaffer Bryanna Tidmarsh Ann Van Wig Annette Wannamaker and Raen Parker Washington A major figure in African American children's literature Mildred D Taylor b 1943 has been publishing groundbreaking award winning books for fifty years including *Roll of Thunder Hear My Cry* *Song of the Trees* *Let the Circle Be Unbroken* *The Friendship Road* *The Road to Memphis* and *The Land* Taylor's renowned Logan family saga has become a staple in classrooms and libraries resonating internationally with its profound impact on readers Her significance in literature extends beyond captivating storytelling She has effectively illuminated the struggles and triumphs of African American families challenging societal norms and shedding light on historical injustices Through compelling narratives rooted in personal experiences and family history Taylor has enriched the literary landscape and sparked crucial conversations about race resilience and the enduring power of love and courage in the face of adversity Yet her significant literary contributions have not received the critical recognition they deserve Seeking to fill that gap *Song of the Land: Celebrating the Works of Mildred D Taylor* brings together creative and critical responses to Taylor's work and ongoing legacy The chapters in this anthology represent an array of disciplines and theoretical lenses highlighting the impact of African American children's literature *Song of the Land* is an invitation to learn more about Taylor's work which lays bare the dangers of white supremacy and racism in American society *Song of Songs* Gianni Barbiero, 2011-04-26 This book puts forward an interpretation of the Canticle which is alert to the literal sense of the poem The author thus distances himself both from the allegorical interpretation and from an interpretation that is purely secular According to the author the Song offers a theological vision of human love Barbiero sees the Song as composed in the third century BC in the Hellenistic epoch but also as hugely dependent on the love poetry of the Ancient Near East particularly that of Egypt Above all however the Song was composed in dialogue with the other books of the Old Testament especially in contrast with the negative view of sexuality which they represent The study pays particular attention to the structure of the poem and of the individual cantos for Barbiero the Song is a closely unitary work and is only to be understood as a whole *Song of the Trees* Fay Clayton, 1972

*Song of the River* Sue Harrison, 2013-05-28 DIVDIV Two ancient tribes on the verge of making peace become foes once more when a double murder jeopardizes a storyteller's mission divDIV Eighty centuries ago in the frozen land that is now Alaska a clubfooted male child had been left to die when a woman named K os rescued him Twenty years later and no longer a child Chakliux occupies the revered role as his tribe's storyteller In the neighboring village of the Near River people where Chakliux will attempt to make peace by wedding the shaman's daughter a double murder occurs that sends him on a harsh enthralling journey in search of the truth about the tragic losses his people have suffered and into the arms of a woman he was never meant to love divDIV divDIV *Song of the River* is the first book of the Storyteller Trilogy which also includes *Cry of the Wind* and *Call Down the Stars* div div *The Tree Singer* Danny Fahey, 2018-03-08 Jacob is trapped in a dying village No hope no friends no future But when Simon the Healer appears everything begins to miraculously transform The lake the land

and even the villagers themselves blossom into what they should have been all along beautiful strong vital All Jacob s dreams seem to be within his reach Dreams however are powerful things and often deliver a future in ways unexpected For every rise there is a fall and for every fall the path rises to meet us once again     **Integrating Science and Language Arts in Your Classroom**

J. Robert Wright,Thomas C. Oden,2014-02-19 Proverbs Ecclesiastes and the Song of Solomon were all thought by the early church fathers to have derived from the hand of Solomon To their minds the finest wisdom about the deeper issues of life was to be found in these books This ACCS volume offers a rich trove of wisdom on Wisdom literature for the enrichment of the church today     The Song of the Bear Mark Tungesvik MD JD,2015-04-06 We all have a choice between living a meaningless life governed by space time and chance or entering into a poetic life where every moment is touched by the hand of God Take a break from the plastic culture of our age and join John a seventeenth century farmer in the Black Forest of Germania as he is drawn into a quest to stop an evil plot thousands of years in the making Follow John as he and his three young companions brave perilous threats from cursed beasts as old as mankind and an evil that has slumbered far longer Learn to trust in the narrow path with John and his companions before it is too late The curse was not limited to a few weeds in the fields of men There were things that were born into the world that day that live in the darkest places imaginable They are monstrous and brutish with no reasoning capacity only a lust to feed to feed on us A few men have fallen to these monsters but men seldom tread in the darkest parts of the world Excerpt from The Song of the Bear

approaches the trees of the tree farm anticipate the season Many of them worry and wonder what is in store for them if they are chosen and taken away Not all of the trees spend their days in anxious fright one wise old tree seems to know something that the others do not The songs of the forest carried by the wind inspire attentive ears Consider the fate of one young tree named Douglas who takes a journey and makes a remarkable discovery     Song of Solomon Revealed Owen

Sypher,2016-06-30 The Bible is a spiritual book that can even be viewed from a historical viewpoint and it s full of allegories to help people visualize and understand God s Word Using the keys of understanding found in the Bible Song of Solomon

Revealed sheds light on the often misunderstood book of Song of Solomon a book of allegories that takes the natural to explain the spiritual it s an allegory of Jesus and His bride and a book of significant spiritual value Song of Solomon Revealed eloquently explains the spiritual meaning of this book backed up by scripture and reveals how the Song of Solomon applies to your life today Biennial Report Minnesota. Department of Education,1900 **Song of the Earth** John R. Dann,2005 In John R Dann s thrilling and romantic prehistoric saga Song of the Axe the tribe s chieftain was called Grae after a famous ancestor Now Dann returns to tell the saga of the wanderings of one prehistoric tribal family over several generations always led by that famous original Grae and by his children The powerful daughters of River Woman saved young Grae from a flooded river after a volcano erupted and destroyed their tribal home Then they made him chief but that s almost the last thing they agree on before the tribe splinters Grae leads the main group out of Africa ever northward into central and eastern Europe always searching for safety and a better life Challenged by truly monstrous evil tribes but guided by spirits they survive It takes three generations and three chieftains named Grae before the tribe comes to rest Their story is an adventure on the grandest scale full of dangers romance and beguiling mystery in an exotic setting A rich and complex story told with simplicity authenticity and vigor Song of the Earth is a worthy companion to Song of the Axe Exploring the Love Song of Solomon John Phillips,2003 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine
