**Songs from the Operas for Tenor** Henry Edward Krehbiel,1909 **Greek Folk-songs from the Ottoman Provinces of Northern Hellas** John S. Stuart-Glennie,1888 Songs from Sweden Ola Johansson,2020-05-16 Songs from Sweden shows

how Swedish songwriters and producers are the creative forces behind much of today's international pop music. As Ola Johansson reveals, the roots of this music miracle can be found in Sweden's culture, economy, and thriving music industry concentrated in Stockholm. While Swedish writer-producers developed early global recognition for making commercially successful pop music, new Swedish writer-producers have continuously emerged during the last two decades. Global artists travel to Stockholm to negotiate record deals and co-write songs. At the same time, Swedish writer-producers are part of a global collaborative network that spans the world. In addition to concrete commercial accomplishments, the Swedish success is also a result of the acquisition of reputational capital gained through positive associations that the global music industry holds about Swedish music. Ultimately, pop songs from Sweden exhibit a form of cultural hybridity drawing from both local and global cultural expressions.
