Outstanding Practices in the Arts, 1989-90 and 1990-91, 1994      **The International Who's Who in Popular Music**  
**2002** Andy Gregory, 2002 *The International Who's Who in Popular Music* 2002 offers comprehensive biographical information covering the leading names on all aspects of popular music. It brings together the prominent names in pop music as well as the many emerging personalities in the industry providing full biographical details on pop rock folk jazz dance world and country artists. Over 5 000 biographical entries include major career details, concerts, recordings and compositions, honors and contact addresses. Wherever possible, information is obtained directly from the entrants to ensure accuracy and reliability. Appendices include details of record companies, management companies, agents and promoters. The reference also details publishers, festivals and events and other organizations involved with music.      Dictionary of American Classical Composers  
Neil Butterworth, 2013-10-02 *The Dictionary of American Classical Composers* covers over 650 composers active from the 18th century to today. Covering all classical styles, it offers the most comprehensive overview of key composers in the United States available. Entries include basic biographical information and critical analysis of each composer's key works and ideas. Entries also include worklists and bibliographic information. Whenever possible, the entries will have been checked by the composers themselves to assure greatest possible accuracy. This new edition, completely updated and expanded from the 1984 edition, also includes over 200 historic photographs.      *Music and Musical Composition at the American Academy in Rome*  
Martin Brody, 2014 *Combining cultural analysis with historical and personal accounts of a century of musical life at the American Academy in Rome*, this volume provides a history of the AAR's Rome Prize in Composition.      **The Gramophone Classical Catalogue**, 1996-06      *Library Media Connection*, 1990      *Musical Denmark*, 1989      *International Who's who in Music and Musicians' Directory*

John C. Winn, 2009-06-16 *From Revolver to Let It Be: That Magic Feeling*  
The Beatles Recorded Legacy Volume Two 1966-1970 continues the chronicle of the group's spectacular career from its creative zenith to its irrevocable split. As the Beatles moved into the mid and late 1960s, their collective and individual musical talent and innovations evolved at an unparalleled pace. Like its companion volume *Way Beyond Compare: The Beatles Recorded Legacy Volume One 1957-1965*, this unique work thoroughly chronicles all known and available Beatles recordings during this period of incredible creative growth. Have you ever watched a Beatles film clip and wondered: Where was that filmed? Is any more of that footage available? Have you ever heard a Beatles interview and asked: When was that taped? Where's the best place to find the complete recording? *That Magic Feeling* answers these and thousands of similar questions. With more than 500 entries, it includes recording sessions, concerts, newsreel footage, press clips, TV and film performances, home movies, radio interviews, documentaries, studio outtakes, home demos and alternative mixes, all of which are given complete coverage for the first time. Author John C. Winn has spent two decades poring over, scrutinizing, organizing and analyzing

hundreds of hours of audio and video recordings and compiling them into a digestible chronological framework creating the ultimate reference guide to the Beatles legendary musical and cultural evolution *The Arts on Television, 1976-1990*

Rebecca Krafft,1991 **Brass Bands of the World: Militarism, Colonial Legacies, and Local Music Making** Katherine Brucher,2016-04-15 Bands structured around western wind instruments are among the most widespread instrumental ensembles in the world Although these ensembles draw upon European military traditions that spread globally through colonialism militarism and missionary work local musicians have adapted the brass band prototype to their home settings and today these ensembles are found in religious processions and funerals military manoeuvres and parades and popular music genres throughout the world Based on their expertise in ethnographic and archival research the contributors to this volume present a series of essays that examine wind band cultures from a range of disciplinary perspectives allowing for a comparison of band cultures across geographic and historical fields The themes addressed encompass the military heritage of band cultures local appropriations of the military prototype links between bands and their local communities the spheres of local band activities and the modes of sociability within them and the role of bands in trajectories toward professional musicianship This book will appeal to readers with an interest in ethnomusicology colonial and post colonial studies community music practices as well as anyone who has played with or listened to their local band **Women & Music** Karin Pendle,2001-04-22 The second edition of the milestone work of history that focuses on female musicians through the ages College Music Symposium This updated expanded and reorganized edition of Women and Music features even more women composers performers and patrons even more musical contexts and an expanded view of women in music outside Europe and North America A popular university textbook Women and Music is enlightening for scholars a good source of programming ideas for performers and a pleasure for other music lovers **The Modernist Legacy: Essays on New Music** Bj Heile,2017-07-05 This collection of essays offers a historical reappraisal of what musical modernism was and what its potential for the present and future could be It thus moves away from the binary oppositions that have beset twentieth century music studies in the past such as those between modernism and postmodernism between conceptions of musical autonomy and of cultural contingency and between formalist analytical and cultural historical approaches Focussing particularly on music from the 1970s to the 1990s the volume assembles approaches from different perspectives to new music with a particular emphasis on a critical reassessment of the meaning and function of the legacy of musical modernism The authors include scholars musicologists and composers who combine culturally socially historically and aesthetically oriented approaches with analytical methods in imaginative ways Mongolian Film Music Lucy M. Rees,2016-03-03 In 1936 the Mongolian socialist government decreed the establishment of a film industry with the principal aim of disseminating propaganda to the largely nomadic population The government sent promising young rural Mongolian musicians to Soviet conservatoires to be trained formally as composers On their return they utilised their traditional Mongolian musical

backgrounds and the musical skills learned during their studies to compose scores to the 167 propaganda films produced by the state film studio between 1938 and 1990 Lucy M Rees provides an overview of the rich mosaic of music genres that appeared in these film soundtracks including symphonic music influenced by Western art music modified forms of Mongolian traditional music and a new genre known as professional music that combined both symphonic and Mongolian traditional characteristics Case studies of key composers and film scores are presented demonstrating the influence of cultural policy on film music and showing how film scores complemented the ideological message of the films There are discussions of films that celebrate the 1921 Revolution that led to Mongolia becoming a socialist nation those that foreshadowed the 1990 Democratic Revolution that drew the socialist era to a close and the diverse range of films and scores produced after 1990 in the aftermath of the socialist regime     **Baker's Biographical Dictionary of Twentieth-century Classical Musicians**
