

The background image is a composite of two nature scenes. The top half shows a sky with large, white, fluffy clouds against a blue background, with a bright light source on the right side. The bottom half shows a dense green forest with a river winding through it. The river is a vibrant blue-green color, contrasting with the dark green of the trees. The overall mood is serene and natural.

Almost no modern editions of MacCunn's song exist though many were published during the composer's lifetime. The current two-part edition presents the composer's 102 extant songs. Part 1 contains 53 individual songs; part 2 presents the songs that were first published as sets.

Songs from the Heart Ann Howle Davis, 2019-01-04. This book is a culmination of fifty-eight years of transcribing thoughts that when penned evolved as poetry about faith, hope, pain, love, grace, and forgiveness. I never set down to write; I only captured the words that would begin to dance in my mind and watch as the remainder of the message fell into place. Sometimes it would be several in a cluster. Or only one at a time. There would be months and sometimes years between. In this last year, there has been a more consistent flow. I can't explain why. I can only say that I am humbled to be used in this way. If anyone reads these words and finds solace and hope, I believe my mission has been accomplished.
