Songs Of American Sailormen With Music:

Songs of American Sailormen Joanna C. Colcord,1964-06-01 In the old days when American sailing ships still plowed the seas it was the custom of their sailors to enliven both their work and their leisure time with song The songs they used were not generally speaking those current and popular ashore at the same period but were traditional compositions of unknown date and authorship growing as all folk song does out of the needs and experiences of men These songs of the sea have in every line of their verses and every bar of their music the distinctive flavor of seafaring They are of equal interest to students of folk lore and to those who love the memory of old days spent on blue water and it is with both in mind that this work has been undertaken **Roll and Go** ,1924 **Roll and Go** Joanna Carver Colcord,2011-10-01 **Roll and Go. Shipping Out Anita Gonzalez,2025-02-25 *Shipping Out* Race Performance and Labor at Sea provides a rare perspective on performance by staff above and below deck on Caribbean cruise ships as viewed through the lenses of race class and gender Drawing on her experiences as a destination lecturer on Caribbean cruise lines for twenty years Anita Gonzalez offers a unique viewpoint as she examines contemporary Caribbean cruise culture as an ethnographically complex site where North American and European travelers are exposed to other cultures through the orchestrated experiences on ship and via excursions to ports Gonzales argues that the cruise ship experience is deliberately crafted to deliver the best immersive performance by its workers However the workers never leave

the theater they merely move below deck and like ships stewards and cooks from previous centuries they work within an imaginary where Global Majority people are envisioned as servants By utilizing ethnography and archival materials to illustrate ship workers experiences on contemporary cruise ships and then contrasting those circumstances with the personal accounts of workers on historical merchant ships Shipping Out illuminates how workers presence on ships complicates notions of freedom and enslavement home and journey place and space
