**Einstein's Beets** Alexander Theroux,2017-05-10 Britney Spears loathes meatloaf and all lumpy stuff Arturo Toscanini hated fish Ayn Rand despised salads Alexander Theroux s Einstein s Beets is a study of the world of food and food aversions The novelist and poet probes the secret and mysterious attitudes of hundreds of people mostly famous and well known toward eating and dining out hilariously recounting tales of confrontation and scandalous alienation it contains gossip confession embarrassment and perceptive observations *Sonny's World* Danny Falcone,2006-01 Sonny s World is an epic

tale of romance passion violence revenge betrayal and ultimately healing Each scene is an intense but never gratuitous glimpse into the human psyche Its characters are believable and likable if not always ethical It is a wild ride on the rollercoaster of Fate where what is right and what is meant to be are not always the same Paradoxically the Mafia underworld and the world of high society mix perfectly Danny Falcone has created a commercially appealing and always enthralling masterpiece The Horn Book Magazine ,1929 The Tale of Hansuli Turn Tarashankar

Bandyopadhyay,2011-06-07 A terrifying sound disturbs the peace of Hansuli Turn a forest village in Bengal and the community splits as to its meaning Does it herald the apocalyptic departure of the gods or is there a more rational explanation The Kahars inhabitants of Hansuli Turn belong to an untouchable criminal tribe soon to be epically transformed by the effects of World War II and India s independence movement Their headman Bonwari upholds the ethics of an older time but his fragile philosophy proves no match for the overpowering machines of war As Bonwari and the village elders come to believe the gods have abandoned them younger villagers led by the rebel Karali look for other meanings and a different way of life As the two factions fight codes of authority religion sex and society begin to break down and amid deadly conflict and natural disaster Karali seizes his chance to change his people s future Sympathetic to the desires of both older and younger generations Tarashankar Bandyopadhyay depicts a difficult transition in which a marginal caste fragments and mutates under the pressure of local and global forces The novel s handling of the language of this rural society sets it apart from other works of its time while the village s struggles anticipate the dilemmas of rural development ecological and economic exploitation and dalit militancy that would occupy the center of India s post Independence politics Negotiating the colonial depredations of the 1939 45 war and the oppressions of an agrarian caste system the Kahars both fear and desire the consequences of a revolutionized society and the loss of their culture within it Lyrically rendered by one of India s great
