This book unpacks the riches of the Scriptures to explain what true healing in Christ involves. In addition Barber demonstrates how an exegetical approach to the sacrament can advance our understanding of it. Topics include the biblical significance of oil, the relationship of physical healing and spiritual healing including the forgiveness of sins, sin and death, Christ as the New Adam, the continuation of Jesus's ministry in the church, the power of sacral anointing, Christ's fulfillment of messianic hopes and participation in Christ's royal, priestly and prophetic mission. The book is suitable for classroom use and parish ministry. Series editors Timothy C. Gray and John Sehorn teach at the Augustine Institute Graduate School of Theology and Gray is also president of the Augustine Institute.
