The Soong Sisters Emily Hahn, 2014-04-01 If the story of the Soong family were told as fiction people would say it was fascinating but too improbable A dramatic human chronicle engrossing The New York Times Book Review In the early twentieth century few women in China were to prove so important to the rise of Chinese nationalism and liberation from tradition as the three extraordinary Soong sisters Eling Chingling and Mayling who would each marry historic figures Told with wit and verve by New Yorker correspondent Emily Hahn a remarkable woman in her own right the biography of the Soong sisters reveals the story of China through both World Wars It also chronicles the changes to Shanghai as they relate to a very eccentric family that had the courage to speak out against the ruling regime Greatly influencing the history of modern China they interacted with their government and military to protect the lives of those who could not be heard and appealed to the West to support China during the Japanese invasion A first rate reportorial job on three distinguished women Kirkus Reviews A spirited well informed book a fascinating saga Hahn skillfully interweaves the personal material which she has collected in abundance with some indispensable background knowledge of Chinese history The Atlantic *Big Sister, Little Sister, Red Sister* Jung Chang, 2020-09-22 They were the most famous women in China As the country battled through a hundred years of wars revolutions and seismic transformations the three Soong sisters from Shanghai were at the center of power and each of them left an indelible mark on history Red Sister Ching ling married the Father of China Sun Yat sen and rose to be Mao s vice chair Little Sister May ling became Madame Chiang Kai shek first lady of pre Communist Nationalist China and a major political figure in her own right Big Sister Ei ling became Chiang s unofficial main adviser and made herself one of China s richest women Big Sister Little Sister Red Sister is a gripping story of love war intrigue bravery glamour and betrayal which takes us on a sweeping journey from Canton to Hawaii to New York from exiles quarters in Japan and Berlin to secret meeting rooms in Moscow and from the compounds of the Communist elite in Beijing to the corridors of power in democratic Taiwan In a group biography that is by turns intimate and epic Jung Chang reveals the lives of three extraordinary women who helped shape twentieth century China **Carl Crow - A Tough Old China Hand** Paul French, 2006-10-01 Carl Crow arrived in Shanghai in 1911 and made the city his home for the next quarter of a century working there as a journalist newspaper proprietor and groundbreaking adman He also did stints as a hostage negotiator emergency police sergeant gentleman farmer go between for the American government and propagandist As his career progressed so did the fortunes of Shanghai The city transformed itself from a dull colonial backwater when Crow arrived to the thriving and ruthless cosmopolitan metropolis of the 1930s when Crow wrote his pioneering book 400 Million Customers that encouraged a flood of businesses into the China market in an intriguing foreshadowing of today s boom Among Crow s exploits were attending the negotiations in Peking that led to the fall of the Qing Dynasty getting a scoop on Japanese interference in China during the First World War negotiating the release of a group of Western hostages from a mountain

warfare Therefore we the History Society hope to explore this missing linkage by providing this valuable platform for studies of various aspects of warfare from tactical doctrines to cultural impacts thereby understanding war as an intrinsic and comprehensive phenomenon throughout human history It is also our hope that by investigating in this perplexing topic can we acknowledge that war is not instigated to deal with the ordeals ahead only but also a cruel portrayal of how human beings endeavour to slaughter each other by all means and at all costs **Madame Chiang Kai-shek** Laura Tyson Li,2018-11-20
