Collins,2020-12-21 Winning the Maple Cup has always been Sophie Fournier s dream ever since she was a little girl watching hockey in her grandparents basement She isn t satisfied after a season where she won hockey s biggest prize She wants to hoist the Cup again in back to back seasons She s done it once before and like any good hockey player she knows to repeat a successful formula in order to find success again Only this season is determined to be nothing like the last Coach Butler breaks up not only the top line which drove their success but he splits Sophie and Elsa She s cut off from her favorite winger on the ice and off it Elsa begins to date leaving Sophie on her own And with this being a Winter Games year their NAHL season is halted for international play For the first time since becoming teammates Sophie will compete against Elsa for a gold medal It s a year of change and Sophie hates it She knows what worked to win the Cup the previous season Now with multiple factors working against her including her own coach she has to figure out a new way to win the Cup If she can t it will be her shoulders the blame falls on **Grounded** K.R. Collins,2021-12-21 Sophie s coach was fired over the summer but not before he took several parting shots at Sophie s character and dedication to her sport and her team Her coach s firing her own injury and her team s whimpering exit from the playoffs weren t the ideal way to end a season but Sophie s looking forward to a fresh start If Sophie is on the ice everything makes sense She can navigate a new coach she can handle a strained relationship with Elsa and she can breathe hope back into her franchise An unprecedented hot start to the season sees Sophie breaking NAHL records She has her sights set on Bobby Brindle s point streak record the one she fell

short of breaking in her rookie season With personal success comes team success and Concord has a resurgence on the back of Sophie s accomplishments And then she s injured She has to spend the rest of the season on the sidelines and it forces her to confront a question she has never considered before Who is Sophie Fournier when she isn t playing hockey **In Flight** K.R.
