**Twentieth-century Italian Literature in English Translation** Robin Healey, 1998-01-01 This bibliography lists English language translations of twentieth century Italian literature published chiefly in book form between 1929 and 1997 encompassing fiction poetry plays screenplays librettos journals and diaries and correspondence

**Encyclopedia of Italian Literary Studies: A-J** Gaetana Marrone, 2007 Publisher description

Tuscan Spaces Silvia Ross, 2010-01-01 In Tuscan Spaces Silvia Ross focuses on constructions of Tuscany in twentieth century Italian literature and juxtaposes them with English prose works by such authors as E M Forster and Frances Mayes to expose the complexity of literary representation centred on a single milieu

**Encyclopedia of Italian Literary Studies** Gaetana Marrone, Paolo Puppa, 2006-12-26 The Encyclopedia of Italian Literary Studies is a two volume reference book containing some 600 entries on all aspects of Italian literary culture It includes analytical essays on authors and works from the most important figures of Italian literature to little known authors and works that are influential to the field The Encyclopedia is distinguished by substantial articles on critics themes genres schools historical surveys and other topics related to the overall subject of Italian literary studies The Encyclopedia also includes writers and subjects of contemporary interest such as those relating to journalism film media children s literature food and vernacular literatures Entries consist of an essay on the topic and a bibliographic portion listing works for further reading and in the case of entries on individuals a brief biographical paragraph and list of works by the person It will be useful to people without specialized knowledge of Italian literature as well as to scholars

*Antonio Pietrangeli, The Director of Women* Emma Katherine Van Ness, 2020-04-30 One of the founding fathers of neorealism in the postwar period in Italy Antonio Pietrangeli went on to focus his lens upon the female subject Eight of his ten full length films feature female protagonists This study seeks to better understand both his achievements and his failings as a feminist auteur as well as analyse his films by applying new critical and theoretical approaches Pietrangeli s representations of women struggling with questions of identity was a revolutionary act in the 1950s and 1960s The book makes a case why we should recuperate these films today since the standards for representing women in film continue to fall behind the reality of women s lives off screen

Italian Film Marcia Landy, 2000-04-13 Examines the extraordinary cinematic tradition of Italy from the silent era to the present

**Exploring the Translatability of Emotions** Susan Petrilli, Meng Ji, 2022-03-09 This book offers an in depth cross cultural and transdisciplinary discussion of the translatability of social emotions The contributors are leading philosophers semioticians anthropologists communication and translation theorists from Europe America and Australia Part I explores the translatability of emotions as a culturally embedded social behaviour that requires a contextualized interpretation of their origins and development in different social and cultural settings These studies make useful preparations for the studies introduced in Part II that continue investigating the cultural and sociological influence of the development of social emotions with a special focus on the dialogical relation to the body

and to others Part III presses on delving into specific types of emotions which underscore social interactions at both the community and individual levels such as dignity im politeness self regard and self esteem Finally Part IV offers a further development on the preceding parts as it discusses problems of translation expressibility and mass medial communication of emotions This book will engage translation scholars as well as those with a broader interest in the study and interpretation of emotions from different fields perspectives and disciplines

A Tournament of Misfits Aldo Palazzeschi, 2005-12-15 Aldo Palazzeschi 1885 1974 is arguably the major twentieth century Italian writer who has been most neglected by the English speaking world Born in Florence and trained as an actor Palazzeschi ranks high as a poet and fiction writer in his homeland His work which attempts to recreate the experience of a spectator watching and listening to a character on stage won him the praise of F T Marinetti the founder of Italian futurism who enrolled the young poet in his avant garde coterie despite the fact that stylistically Palazzeschi s work had little in common with futurism A Tournament of Misfits brings together a selection of Palazzeschi s short fiction for the first time in English Through clear and fluid translations Nicolas J Perella demonstrates Palazzeschi s use of laughter to debunk social and literary myths As a social being Palazzeschi felt himself a deviant but he was saved from a self destructive bitterness by his capacity for irony which he often directed at himself as well as at others Yet it would be a mistake not to see the desperate yearning for liberation from society s rigid code behind the irony and the fun in Palazzeschi s work With this translation Perella brings Palazzeschi to life for a new audience to appreciate

Fascism in Film Marcia Landy, 2014-07-14 Through her study of the narrative themes and strategies of Italian commercial sound films of the fascist era Marcia Landy shows that cultural life under fascism was not monopolized by official propaganda Originally published in 1986 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Thinking Italian Animals** D. Amberson, E. Past, 2014-09-18 This bracing volume collects work on Italian writers and filmmakers that engage with nonhuman animal subjectivity These contributions address 3 major strands of philosophical thought perceived borders between man and animals historical and fictional crises and human entanglement with the nonhuman and material world

Tennessee Williams and Europe John S. Bak, 2014-09-01 Tennessee Williams and Europe Intercultural Encounters Transatlantic Exchanges documents the bi directional exchange of ideas and images between Williams and post war Europe that have altered the artistic landscapes of both continents Fifteen Williams scholars from around the world examine this artistic symbiosis and explore avenues of research mostly uncharted in Williams scholarship to date including our understanding of the early Williams and the uses he made of various European sources in his theatre the late Williams and the promise

European theatre afforded him with his experimental plays and the posthumous Williams and his influence on late twentieth and early twenty first century European theatre and cinema To some extent both a product of and a muse for Europe over the last half century Williams is well positioned to become America s most famous playwright on the international stage This book hopes to mark the beginnings of Williams rich critical tradition within that global context **Tuscany Beyond**

**Tuscany** Giulio Giovannoni,2017 **PHILOLOGY, CONCEPTS OF EUROPEAN LITERATURE** Andreas

Sofroniou,2013-07-17 *Proibito!* Roberto Curti,2023-09-15 From its birth in 1913 to its abolition in 2021 film censorship marked the history of Italian cinema and its evolution mirrored the social political and cultural travail of the country During the Fascist regime and in the postwar period censorship was a powerful political tool in the hands of the ruling party many films were banned or severely cut By the end of the 1960s censors had to cope with the changing morals and the widespread diffusion of sexuality in popular culture which led to the boom of hardcore pornography With the crisis of the national industry and the growing influence of television censorship gradually changed its focus and targets The book analyzes Italian film censorship from its early days to the present discussing the most controversial cases and protagonists These include such notorious works as *Last Tango in Paris* and *Salo or the 120 Days of Sodom* and groundbreaking filmmakers such as Luchino Visconti Federico Fellini and Pier Paolo Pasolini who pushed the limits of what was acceptable on screen causing scandal and public debate *Historical Dictionary of Italian Cinema* Gino Moliterno,2020-12-08 Italian cinema is now regarded as one of the great cinemas of the world Historically however its fortunes have varied Following a brief moment of glory in the early silent era Italian cinema appeared to descend almost into irrelevance in the early 1920s A strong revival of the industry which gathered pace during the 1930s was abruptly truncated by the advent of World War II The end of the war however initiated a renewal as films such as *Roma città aperta* *Rome Open City* *Sciusci Shoeshine* 1946 and *Ladri di biciclette* *Bicycle Thieves* 1948 flagbearers of what soon came to be known as Neorealism attracted unprecedented international acclaim and a reputation that only continued to grow in the following years as Italian films were feted worldwide Ironically they were celebrated nowhere more than in the United States where Italian films consistently garnered the lion s share of the Oscars with Lina Wertmüller becoming the first woman to ever be nominated for the Best Director award This second edition of *Historical Dictionary of Italian Cinema* contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on major movements directors actors actresses film genres producers industry organizations and key films This book is an excellent resource for students researchers and anyone wanting to know more about Italian Cinema **Social Sciences and Philology** Andreas Sofroniou,2015-07 This tome consists of three books which deal with Social Sciences Philology and their various branches pertaining to the study of human society and social relationships The disciplines encompassed are anthropology demography economics geography political science psychology sociology philology epistemology and philosophy In the case of philology the book includes the literary contributions of the

main European countries from the ancient times through to the current geographical and political divisions The countries included in the write up are Portugal Spain France Britain Germany Italy and Greece Also included in this write up are the subjects of history education and law as these disciplines are regarded by many as social sciences

**Re-viewing Fascism** Jacqueline Reich,Piero Garofalo,2002-05-07 When Benito Mussolini proclaimed that Cinema is the strongest weapon he was telling only half the story In reality very few feature films during the Fascist period can be labeled as propaganda Re viewing Fascism considers the many films that failed as weapons in creating cultural consensus and instead came to reflect the complexities and contradictions of Fascist culture The volume also examines the connection between cinema of the Fascist period and neorealism ties that many scholars previously had denied in an attempt to view Fascism as an unfortunate deviation in Italian history The postwar directors Luchino Visconti Roberto Rossellini and Vittorio de Sica all had important roots in the Fascist era as did the Venice Film Festival While government censorship loomed over Italian filmmaking it did not prevent frank depictions of sexuality and representations of men and women that challenged official gender policies Re viewing Fascism brings together scholars from different cultural and disciplinary backgrounds as it offers an engaging and innovative look into Italian cinema Fascist culture and society

**Language Learning in Academic Museums** Heather Flaherty,Jodi Kovach,2023-05-08 This book is a compilation of case studies and analyses that can be used as a resource guide for college and university professors of foreign language and academic museum educators collaborating to develop new pedagogical approaches to teaching foreign language with and through objects in the academic museum As institutions of higher education respond to the needs of an increasingly global and interconnected world their educational missions prioritize learning in areas such as interdisciplinary thinking collaboration intercultural competency and global citizenship Academic museums are uniquely poised to facilitate learning experiences in these areas providing institutions with an essential platform for realizing their larger mission

Italian Cinema from the Silent Screen to the Digital Image Joseph Luzzi,2020-02-20 In this comprehensive guide some of the world s leading scholars consider the issues films and filmmakers that have given Italian cinema its enduring appeal Readers will explore the work of such directors as Federico Fellini Michelangelo Antonioni and Roberto Rossellini as well as a host of subjects including the Italian silent screen the political influence of Fascism on the movies lesser known genres such as the giallo horror film and Spaghetti Western and the role of women in the Italian film industry Italian Cinema from the Silent Screen to the Digital Image explores recent developments in cinema studies such as digital performance the role of media and the Internet neuroscience in film criticism and the increased role that immigrants are playing in the nation s cinema

Fame Amid the Ruins Stephen Gundle,2019-11-04 Italian cinema gave rise to a number of the best known films of the postwar years from Rome Open City to Bicycle Thieves Although some neorealist film makers would have preferred to abolish stars altogether the public adored them and producers needed their help in relaunching the national film industry This book explores the many conflicts that arose in Italy between

1945 and 1953 over stars and stardom offering intimate studies of the careers of both well known and less familiar figures shedding new light on the close relationship forged between cinema and society during a time of political transition and shifting national identities
