Soul In Everyday Life:

The Soul in Everyday Life Daniel Chapelle, 2003-09-25 The Soul in Everyday Life argues that modern psychology has given up on dealing with the idea of soul or psyche even though the field is named after it. If psychology wishes to be truly satisfying, it needs to be more than behavioral science. According to Daniel Chapelle, he concludes that psychology can only satisfy the deepest human needs when it can offer a sense of soul in everyday life. He explores ways of restoring this sense of soul to everyday life by examining how to talk about something as elusive as the soul, and by reanimating a sense for what the notion of soul can mean. Working in the tradition of Nietzsche, Freud, Jung, and Jung's student James Hillman, Chapelle reaches back into millennia of Western thought to reanimate the dying sense of soul in everyday life and put the psyche back in psychology.

Search for the Soul in Everyday Living Wayne Bloomquist, 2019-03-27 Excellent introduction to the Mother's teachings including chapters on to be conscious, concentration, and meditation progress, obstacles, etc. Search For The Soul gives the seekers practical steps which can be taken HERE AND NOW. In addition, it points out the direction and the goal clearly and in a language that each one can grasp. The Mother's teachings touch the soul and reveal its nature with an immediacy and clarity which are undeniable.

Chicken Soup for the Teenage Soul

The Real Deal School Jack Canfield, Mark Victor Hansen, 2012-09-25 School. It's frustrating, it's boring, it's embarrassing. But it's also thought-provoking, challenging, and full of possible friends. And until you turn 18, like it or not, it's just about your whole life. So what's the deal? Chicken Soup for the Soul knows that school is more than classes and tests. It's also a social scene filled with cliques, clubs, and life-changing decisions, or so it seems this week. It's where you meet your best friends and run into your worst enemies. And it's an opportunity to figure out what you want to do, whether it's kick a soccer ball, play the trombone, or act in a play. Sometimes it's overwhelming and confusing, but don't worry, it's like that for everyone. That's what the stories in this book are all about. They're from real teens, and they're about the bizarre, embarrassing, and sometimes triumphant things that really happened to them. And they're here to give you some perspective on everything that goes down at your school and outside of it too. Put that together with weird facts, cool graphics, fun advice, and quizzes designed to help you figure out who you are and what you're up to, and you've got the real deal on school, full of all the laughter, tears, and daily drama that life is all about.
