**Religion and Spirituality in the Life Cycle** James Gollnick, 2005 In recent years profound changes have affected the way people view the role of religion and spirituality in the life cycle For many people spirituality always considered an essential part of religion has become an interest no longer tied to organized religion This book addresses the evolving relationship of spirituality to religion in our time and the consequences of this change for understanding personality development It also applies the concept of implicit religion to show how the least easily observed aspects of religion are at work in the growth of personality **The Bridge Between Two Lifetimes** Marilyn Powers, Sherry Folb, 1999 As the 21st

century dawns one third of our population 80 million Baby Boomers born between 1946 and 1964 is at or near the age 50 milestone One American now turns 50 every 11 seconds This group wants more from the second half of their lives They want to leave behind the predictable retirement paradigm of yesterday and cross the bridge to an entirely new outlook with a longer more active life full of meaning and fulfillment *The Bridge Between Two Lifetimes* gives readers the chance to do just that to create a second curriculum that focuses on our mission and purpose asks the ultimate questions about life and death strives to make an evolutionary leap in consciousness creates new soul groups that can actively align our individual intentions and aspires to help us reshape the very future of Earth Book jacket Midlife Maze Janis Clark

Johnston, 2017-02-16 Have you found yourself wilting in midlife and wondering what you might do to flourish in your remaining years Have you lost your way in the midlife maze due to a significant loss Did you lose your job or desired career

advancement Did you separate or divorce Did your last child leave home Did your family experience a virtual storm of bankruptcy or lose your life savings in a financial meltdown Did you or someone in your family experience the loss of good health Or did you weather the death of a family member partner or friend Your loss story is personal Your path through winding passages during midlife is unique Perhaps the most important encouragement for your grieving process is to know this simple fact grieving is a natural healing response to loss rather than a pathological experience Midlife can be a time of reflection rebellion or reconnecting to old or new interests and activities It can also be a time when losses start to happen or begin to pile up divorce death of a loved one loss of a job or home the moving out and on of grown children and learning how to move forward can be a challenge Here a seasoned psychologist looks at the geography of loss in midlife the way it can affect us and what we can do to get back on track or redirect ourselves when necessary Through first hand stories and practical exercises the author leads readers through the midlife maze to a place of recovery purpose and peace **The**

**Breaking Point** Sue Shellenbarger, 2015-09-22 The Breaking Point suggests that the national conversation is about to have a hot flash The passage through middle age of so large a clump of women guarantees that some rules may have to be rewritten and boundaries moved to accommodate them Time magazine From the cover of Time to Desperate Housewives the phenomenon of women in midlife experiencing a period of tumultuous personal upheaval a breaking point has reached a peak in our culture Today more than 15 million baby boomer women report having a midlife crisis compared to 14 million men In The Breaking Point Wall Street Journal columnist Sue Shellenbarger looks beyond the numbers to discover the root of all this angst and examine the ways both successful and not that women are navigating this crucial transition period Drawing on original research data and interviews with more than fifty women The Breaking Point uses real life stories to illustrate the different archetypes and modes the course of reinvention follows The book also shows women how to avoid the pitfalls of a midlife meltdown ruined relationships and jettisoned careers and instead transform this turbulent time into a period of personal growth that will enrich the rest of their lives Once every decade or so a book comes along that defines the collective experience of an entire generation Provocative insightful and resonant The Breaking Point is just such a book Every once in a while you read a book that transforms you Like the shift of a kaleidoscope it reconfigures your view of life s journey This is such a book It may stimulate you to change directions perhaps even enable you to find life s greatest joy fulfillment An invigorating read Helen Fisher author of Why We Love This catchy work is tailor made for the 36 percent of women who will eventually have what they regard as midlife crises an illuminating guide Publishers Weekly **Beyond Religion** David N.
