**Soul Merchants** Roger W. Hite, 2002-10      *Soul Merchants* Roger Hite, 2011-10-05 Soul Merchants is the story of an arrogant neurosurgeon who discovers the soul of humans migrate to a tumor that can be harvested from a human and used as a source of endless energy The book is an adventure that is worth undertaking as a reader      **Merchant of Souls** Grayson Barnette, 2025-08-10 Merchant of Souls is the story of Hank a former police officer whose life spiraled out of control while working undercover in narcotics He ended up broke after being slandered arrested and terminated In the process he lost his wife in the matrimonial and literal sense Now as a private eye and freshly sobered up he s been hired by her affluent parents to track her down for a price Coincidentally bringing him back to the scenes of his many missteps to the very town where he lost everything not so long ago Joined by his former military buddy Queed a federal agent now he ll try to navigate his old hometown and avoid temptation to return his ex wife to her family And the last place she was seen was the brothel he used to frequent Not a great start for Hank but how will it end FIND OUT      *The Merchant Prince of Poverty* Row Bernard F. Dick, 2021-10-19 Ben Hecht called him White Fang and director Charles Vidor took him to court for verbal abuse The image of Harry Cohn as vulgarian is such a part of Hollywood lore that it is hard to believe there were other Harry Cohns the only studio president who was also head of production the ex song plugger who scrutinized scripts and grilled writers at story conferences a man who could see actresses as either broads or goddesses Drawing on personal interviews as well as previously unstudied source material conference notes memos and especially the teletypes between Harry and his brother Jack Bernard Dick offers a radically different portrait of the man who ran Columbia Pictures and who had to be boss from 1932 to 1958      **Merchant-Ivory** Ismail Merchant, 2012-04-09 Merchant Ivory Interviews gathers together for the first time interviews made over the past five decades with director James Ivory b 1928 producer Ismail Merchant 1936 2005 and screenwriter Ruth Praver Jhabvala b 1927 Beginning with their earliest work in India and ending with James Ivory s last film *The City of Your Final Destination* 2009 the book traces their career while offering valuable insights into their creative filmmaking process The volume serves as a corrective to the prevailing critical orthodoxy attached to Merchant Ivory s work which tends to regard them as being solely concerned with historically accurate costumes and settings As independent filmmakers they have developed an idiosyncratic approach that resists facile classification Merchant Ivory have insisted on maintaining their independence More importantly this book shows how Merchant Ivory have always taken considerable care in casting their films as well as treating actors with respect This is a deliberate policy designed to bring out one of the triumvirate s principal thematic concerns running throughout their work the impact of the clash of cultures on individuals Partly this has been inspired by their collective experiences of living and working in different cultures They do not offer any answers to this issue rather they believe that their task is simply to raise awareness to make filmgoers conscious of the importance of cultural sensitivities that assume paramount significance in any exchange whether verbal or nonverbal
