**Soul Care** Kenneth J. Collins, 2014-01-01 The digital copies of this book are available for free at [FirstFruits.asburyseminary.edu](http://FirstFruits.asburyseminary.edu) Who cares about the soul anymore Contrary to some voices in our secular society apparently quite a few people A recent Newsweek Poll reported that 58 percent of Americans say they feel the need to experience spiritual growth There is a remarkably widespread hunger for meaning spanning our society And there is an equally widespread menu of spiritual offerings from which to choose In the midst of these one wonders just what is authentic spirituality In **Soul Care** Kenneth J. Collins carefully answers this question and gives clear direction by showing us the source of evil how we construct the self and make it lord over our lives the extent of sin how we are each individually enslaved to the self the hope of deliverance how we can through Christ enter into the kingdom of God and the grace of renewal how we can through the spiritual disciplines abide and flourish in the kingdom of God Our souls need to be nurtured no matter where we are in our spiritual journey uncertain seeker or seasoned saint **Soul Care** is about spirituality Christian living and discipleship read and feast on its rich and varied recipes for growth

**Soul Care** Kenneth J. Collins, 1995 **Spiritual Formation as if the Church Mattered** James C. Wilhoit, 2022-03-29 Most books on spiritual formation focus on the individual But spiritual formation is at the heart of the church's whole purpose for existence It must be a central task for the church to carry out Christ's mission in the world This book offers an introduction to spiritual formation set squarely in the local church The first edition has been well received and widely used as a textbook The second edition has been updated throughout incorporates findings from positive psychology and reflects an Augustinian formation perspective Foreword by Dallas Willard

**Spiritual Caregiving as Secular Sacrament** Ray Sherman Anderson, John Swinton, 2003 The author explores spirituality in the context of the individual and of society and discusses how those practicing pastoral or health care can deal with the issues raised outside of any religious ideas or practice Anderson shows how professionals can help people move towards a more positive state in the face of pain distress and illness

**Caring for Souls** Harry Shields, Gary Bredfeldt, 2001-01-01 **Caring for Souls** is a helpful primer on the intersection of psychology and Scripture How psychology fits into Christianity is a thorny and often confusing subject for many There is a great deal of disagreement even among experts In **Caring for Souls** Gary Bredfeldt and Harry Shields address the intersection of Scripture and psychology in Christian counseling The authors address different approaches and analyze them against Scripture and then provide readers with practical teaching on implementing biblical counseling
