Have you ever thought about narrating audiobooks When Steve retired from acting he thought that might be an interesting thing to do Only problem was he had no idea how to do it He decided to look into it With the help of people who knew a LOT more about it than he did he learned how Starting with a 25 snowball mic he has now done 127 audiobooks and has a growing queue of future work It s been a fun diverse interesting time In this book he shares that journey as well as much of
