Collection of National English Airs, William Chappell,1840 The Country Dance Book Cecil James Sharp,1927 *The Almain in Britain, c.1549-c.1675* Ian Payne,2017-07-05 This complete scholarly edition of the collection of manuscript choreographies from c 1565 c 1675 associated with the Inns of Court is the first full length study of these sources to be published It offers practical reconstructions of the dances and provides a selection of musical settings simply but idiomatically arranged for four part instrumental ensemble or keyboard Part One centres on the manuscript sources which transmit the Almain and on the trends and influences that shaped its evolution in Britain from c 1549 to c 1675 taking account of both music and choreography In viewing the Almain within its broader historical context Ian Payne throws new light on the dance arguing that together with the measures which accompany it in the choreographies it owes an even greater debt to the English country dance than has hitherto been acknowledged a popular style that received its fullest expression in Playford's English Dancing Master of 1651 The second part of the book focuses on the dances themselves The steps are described in detail and reconstructions provided for the nine Almains and some of the other measures included in the manuscripts Part Three comprises a complete critical edition of the manuscripts These easily performable versions of the dances will be an invaluable aid to those wishing to learn the dances reconstruct them for stagings of Shakespeare's plays or Jacobean masques and for dance historians Performance Cultures as Epistemic Cultures, Volume II Torsten Jost,Erika Fischer-Lichte,Milos Koscic,Astrid Schenka,2023-04-07 This volume investigates performance cultures as rich and dynamic environments of knowledge practice through which distinctive epistemologies are continuously re generated cultivated and celebrated Epistemologies are dynamic formations of rules tools and procedures not only for understanding but also for doing knowledges This volume deals in particular with epistemological challenges posed by practices and processes of interweaving performance cultures These challenges arise in artistic and academic contexts because of hierarchies between epistemologies European colonialism worked determinedly violently and often with devastating effects on instituting and sustaining a hegemony of modern Euro American rules of knowing in many parts of the world Therefore Interweaving

Epistemologies critically interrogates the impossibilities of interweaving epistemologies in artistic and academic contexts today Writing from diverse geographical locations and knowledge cultures the book's contributors philosophers and political scientists as well as practitioners and scholars of theater performance and dance investigate prevailing forms of epistemic ignorance and violence They introduce key concepts and theories that enable critique of unequal power relations between epistemologies Moreover contributions explore historical cases of interweaving epistemologies and examine innovative present day methods of working across and through epistemological divides in nonhegemonic sustainable creative and critical ways Ideal for practitioners students and researchers of theater performance and dance Interweaving Epistemologies emphasizes the urgent need to acknowledge study and promote epistemological plurality and diversity in practices of performance making as well as in scholarship on theater and performance around the globe today

Let's Go Pacific Northwest Adventure 1st Edition Let's Go Inc.,2004-12-13 The brand new Let's Go Pacific Northwest Adventure Guide is your must have companion to the great outdoors of Washington Oregon and parts of British Columbia and Alberta With fresh coverage of Waterton Glacier International Peace Park the Puget Sound islands and Washington's Methow and Yakima Valleys Let's Go is the best and freshest guide to the Pacific Northwest for travelers and natives alike Let's Go's forty five years of practical savvy inform this book's must have information on safety car care wilderness survival and nature conservation Up to date advice on wilderness leadership certification organized trips and extreme sports caters to the most serious adventurers Whether your tastes turn to hiking the glaciers of Banff National Park or exploring the marble canyons of Oregon Caves National Monument all you need is adrenaline and Let's Go

Chance or Dance Jimmy H. Davis,Harry L. Poe,2008-04-20 Chance or Dance provides an overview of design and clarification of the controversial Intelligent Design ID movement and ultimately concludes there is no scientific proof behind Intelligent Design As the controversy over Intelligent Design has grown over the past few years there is a tendency to confuse all statements about design with the Intelligent Design movement and to confuse any affirmation of creation with Scientific Creationism Davis and Poe begin with a brief historical perspective of the design argument and then examine the significant breakthroughs in cosmology math physics chemistry and biology that have provided renewed speculation in design The authors discuss that the idea of design is far more expansive than the ID movement's version of it evaluate Dawkins interpretation of genetic determinism include a chapter that explores the tendency since Darwin to assume that the presence of an observable cause excludes the possibility of divine involvement and introduce further reflections on wonder and awe that take into account the recent surge of interest in this area The book concludes with an argument for the correlation between faith and sensory experience and suggests that science has successfully described processes but failed to explain

origins Chance or Dance is ideal for students and general readers interested in understanding how modern science gives evidence for nature's creation by the Bible's God **The Bennington School of the Dance** Elizabeth

McPherson, 2013-06-14 The story of this groundbreaking summer dance program is told through the voices of staff faculty and students Administrative director Mary Josephine Shelly's previously unpublished writings form a key summary of eight of the nine summer sessions The Bennington School of the Dance held classes from 1934 through 1942 at Bennington College in Vermont with one summer spent at Mills College in California Its effects were far reaching in the development and dissemination of modern dance as an original American art form The school produced unique choreographic works by teachers in residence Martha Graham Hanya Holm Doris Humphrey and Charles Weidman Leading choreographers of the later 20th century such as Merce Cunningham Anna Halprin Jose Limon Alwin Nikolais and Anna Sokolow participated at the school The largest portion of students were high school and college level teachers who would spread modern dance across the country and abroad
