### **Summer House Later A About The Mom:**

The Summer House Lauren K. Denton, 2020-06-02 It's never too late to start over The Summer House weaves Lauren K Denton's inviting Southern charm around a woman's journey to find herself in a small beach town with a little help from the local retirement community Lily Bishop wakes up one morning to find a good bye note and divorce papers from her husband on the kitchen counter Having just moved to Alabama for his job only weeks before Lily is devastated New to town and knowing no one Lily finds herself in desperate need of a job and a new place to live When Lily hears that a hair stylist is needed at small retirement community she decides to apply Rose Carrigan built the small retirement village of Safe Harbor years ago just before her husband ran off with his assistant Now she runs a tight ship making sure the residents follow her strict rules Rose keeps everyone at arm's length including her own family But when Lily shows up asking for a job and a place to live Rose's cold exterior begins to thaw Lily and Rose form an unlikely friendship and Lily's salon soon becomes the place where the colorful residents share town gossip and a few secrets Lily soon finds herself drawn to Rose's nephew Rawlins a single dad and shrimper who's had some practice at starting over and one of the residents may be carrying a torch for Rose as well Neither Lily nor Rose is where she expected to be but the summer makes them both wonder if there's more to life and love than what they've experienced so far The Summer House is a Cozy novel full of charm and heart that's perfect vacation reading Celebration of new beginnings friendship and family Sweet clean romance set on the Gulf Coast The perfect summer read Situated on the Alabama Gulf Coast you'll feel the sun taste the salt and linger with new friends you won't want to leave And with lyrical prose and rich characters The Summer House is a beautifully poignant reminder that we are never too young to find a good place to stand nor too old to start over Katherine Reay bestselling author of The Printed Letter Bookshop and Dear Mr Knightley

**A New York Memoir** Richard Goodman, 2017-07-12 A New York Memoir is about a life lived in New York City over a period of thirty years The memoir begins in 1975 with author Richard Goodman's arrival in New York an intimidated newcomer It follows him through the years as he encounters some of the remarkable people one meets in New York while harkening back to the inspiration the city provides especially for artists and young writers The memoir follows the author as he witnesses tragedies and then ruminates on growing old in New York It tells of the joys and the difficulties of living in this remarkable city A New York Memoir is essentially a long love letter to the city Like all great loves this volume reflects passion promise hope pain regret and ultimately the author's pride This includes true stories of love work marriage raising a child becoming a writer death and friendship Most of the stories in this effort take place there those that do not are highly influenced by New York The author has seen New York at its best and at its worst when was it rich and freewheeling and when it fell on hard times and almost collapsed He's seen it grievously wounded and seen it pick itself back up again with the help of the entire world and with its own limitless moxie This is a very personal story set against the backdrop of a massive city of unmatched energy and of sheer brute authority and inspiration The book ends with a long remembrance of the author's mother who came to New York after many travails and was rescued by the city This is the story of Richard Goodman's encounter with New York See Richard Goodman read an excerpt from A New York Memoir titled Elegy for an English Bike here <http://www.youtube.com/watch?v=zS9sMJXJ1L8>

**Justice Is Dead** Jozef Demcak, 2011-02 Jozef Demcak B A Graduated at University of Czechoslovakia with Academic Title Mgr Magister Witnessed first hand suffering of innocent citizens Communist system brought to Czechoslovakia when his mom and dad were robbed of their small bakery It wasn't hard to recognize cruelty of communist system when it was OK to rob by Government Officials and visiting the church could be used against you In 1968 when Soviets invaded his homeland Jozef escaped to Canada and became High school teacher After more than 20 years it looked that it was safe to visit mom and dad It was too late for Jozef to find out that Slovaks are building democracy by old corrupted communist creeps Jozef was kidnapped by police car kept for ransom in government jail was tortured Piles of documents were fabricated number of signatures forged children abused families destroyed just to cover up illegal acts of corrupted Slovak police and other bastards in Slovak justice system to get finances from Jozef Jozef is probably most qualifying person in the world to understand what is going on in all communist and post communist jails

because he was in one of them He understands how brains of abusers work because he studied psychology and Marks Lenin dogma He had also grown up with some of the abusers Most importantly he survived torture on his own skin All this knowledge and experience is wasted by Canadian Government as they do not want to hear about it If they did somebody could ask the question Why didn t they try to stop abuse when it was taking place and why they are defending abusers now Jozef has written this story for only one reason He believes strongly that everybody should do something because TORTURE and ABUSE MUST STOP
