Sumo The Sport And The Tradition:

Sumo Sport & Tradition J. A. Sargeant, 2012-06-05 This lighthearted guide to Japanese sumo is a great introduction to the sport for westerners Author J A Sargeant sports editor for the English language Asahi Evening News realized that there were many foreigners who would enjoy Sumo more if they knew more of the essential facts about it Utilizing his knowledge and first hand information on the sport he produced this sumo book to meet this need Written in the humorous easy to read fashion with which the many readers of his sports column will be pleasantly familiar Mr Sargeant has also given us a picture of the excitement of the sport as well as technical aspects that are apt to escape the uninitiated eye **Sumo** J. From Doug Flutie's Hail Mary pass to Lance Armstrong's record breaking climb of Alpe d'Huez to David Beckham's astounding ability to bend a soccer kick we marvel and wonder How did they do that Well physics professor John Eric Goff has the answers In this scientific tour of the wide world of sports John Eric Goff discusses the science behind American football soccer cycling skating diving long jumping and a host of other competitive sports Using elite athletes as starting points Goff explains the basic physical properties involved in amazing and everyday athletic endeavors Accompanied by illustrations and mathematical equations each chapter builds on knowledge imparted in earlier chapters to provide a firm understanding of the concepts involved Fun witty and imbued throughout with admiration for the simple beauty of physics Gold Medal Physics is sure to inspire readers to think differently about the next sporting event they watch **Japanese**

Sports Allen Guttman, Lee Thompson, 2001-05-01 In this first synthetic comprehensive survey of Japanese sports in English the authors are attentive to the complex and fascinating interaction of traditional and modern elements In the course of tracing the emergence and development of sumo the martial arts and other traditional sports from their origins to the present they demonstrate that some cherished ancient traditions were in fact invented less than a century ago They also register their skepticism about the use of the samurai tradition to explain Japan's success in sports Special attention is given to Meiji era Japan's frequently ambivalent adoption and adaptation of European and American sports a particularly telling example of Japan's love hate relationship with the West The book goes on to describe the history of physical education in the school system the emergence of amateur and professional leagues the involvement of business and the media in sports promotion and Japan's participation in the Olympics Japanese Sports Trivia Quiz openli Japan's first professional baseball team was founded in 1921 When were the Central and Pacific Leagues established a 1930 b 1940 c 1950 d 1960 openli Oh Sadaharu hit 51 home runs in 1973 and 49 in 1974 How many did he hit in his lifetime a 597 b 602 c 755 d 868 openli Sugiura Tadashi pitched 42 games for the Nankai Hawks in 1959 and won 38 How many games did he pitch and win against the Yomiuri Giants in the Japan Series that same year a 1 b 2 c 3 d 4 openli The first Japanese radio broadcast of an entire sports event occurred at the national middle school baseball tournament at Koshien Stadium in 1927 with a Ministry of Communication censor standing by since the script couldn't be approved in advance The national middle school tournament was suspended in 1941 When was it resumed a 1945 b 1946 c 1947 d 1948 openli In 1791 Shogun Tokugawa Ienari observed a new ring entering ceremony similar to that now performed by yokozuna When did the Sumo Association officially recognize the rank of yokozuna a 1789 b 1890 c 1909 d 1951 openli Which famous sumo rikishi won 69 successive bouts over the course of 7 tournaments the longest winning streak ever recorded a Futabayama Sadaji b Wakanohana Kanji c Taiho Koki d Chiyonofuji Mitsugu openli When the first karate dojo was established in Okinawa in 1889 the characters for karate were written Chinese hand When were they first written empty hand a 1889 b 1922 c 1929 d 1935 openli Only one major school of aikido holds competitive tournaments When did the name aikido first appear on the list of government sanctioned martial
