Sun Sea Sails Brightlingsea Seen Throu:

Sun, Sea and Sails Alfred Lewis Wakeling, Peter Moon, 2000 **A History of the Town of Brightlingsea** Edward Percival Dickin, 1913 *Sailing Through Life...* Nick Ardley, 2023-11-10

When Nick Ardley asked for a prostate specific antigen PSA test the aftershocks of a prostate cancer diagnosis were momentous. Frightened he said he was too young to die. Petrified he understandably broke down. But all was not lost: his family and the boat shared with his wife were soon at work repairing his life. A life-long sailor, the salt-marsh fringed waters of the greater Thames estuary had always enthralled and it was to them he went for healing. It's a place where in the free flow of a saline breeze his mind cleared and he began treating it all as just another little illness. Like a cold he said, knowing full well it wasn't. Sailing up the River Thames he announced to his wife his choice of the medical directions offered. Later, after mooring off Gravesend, both cried together. Ardley's treatment overlapped the COVID-19 pandemic. Fortunately the serious stuff was done and dusted. The pandemic brought new trials. The couple were frighteningly threatened by a fellow yachtsman who disliked an Ardley web blog; the horror of that summer has remained fresh. Throughout the telling of Ardley's tales his story sailing with family and friends, country walking and living life, he has maintained a normality. Perhaps a familiar story, but it comes with a warning: Men, get yourselves tested before it's too late. So onwards he goes sailing through life.

The British National Bibliography Arthur James Wells, 2000 **The Story of Jael** Sabine Baring-Gould, 2020-12-08

In *The Story of Jael*, Sabine Baring-Gould masterfully reinterprets the biblical narrative of Jael, the courageous woman who played a pivotal role in the defeat of Sisera. Through eloquent prose and vivid imagery, Baring-Gould delves deep into the historical and cultural contexts surrounding this striking figure from the Book of Judges. The author employs a lyrical style blended with scholarly rigor, inviting readers to rethink the traditional perception of female figures in sacred texts while exploring themes of empowerment, faith, and divine purpose that resonate through history. Sabine Baring-Gould, a Victorian clergyman, folklorist, and novelist, was deeply influenced by his extensive studies in theology and mythology. His passion for the marginalized voices in biblical accounts propelled him to examine the intersections of gender, power, and spirituality. His previous works often explored similar themes, demonstrating his commitment to uncovering the hidden narratives of women throughout history and mythology, making him well-suited to render Jael's story with authenticity and depth. *The Story of Jael* is a profound and thought-provoking read that challenges conventional interpretations of scripture. It invites scholars, theologians, and casual readers alike to engage with the complexities of faith and the often-overlooked strength of women in the biblical narrative. This compelling retelling makes a significant contribution to the discourse on gender roles in sacred literature and is a must-read for anyone interested in feminist theology or biblical studies. In this enriched edition, we have carefully created added value for your reading experience. A succinct Introduction situates the work's timeless appeal and themes. The Synopsis outlines the central plot, highlighting key developments without spoiling critical twists. A detailed Historical Context immerses you in the era's events and influences.
