

"Every year, millions of tourists are awed by the glittering casinos and wild nightlife of Las Vegas. But as Geoff Schumacher shows in *Sun, Sin & Suburbia*, it's the metropolis itself, and how it came to be, that's more astonishing."

— Sally Denton, *Los Angeles Times*

Sun, Sin & Suburbia

The History of Modern Las Vegas

REVISED AND EXPANDED

Geoff Schumacher

Sun Sin And Suburbia An Ebential History Of Modern Las Vegas

Paul Franke

Sun Sin And Suburbia An Essential History Of Modern Las Vegas:

Sun, Sin & Suburbia Geoff Schumacher, 2015-09-01 More than forty million visitors per year travel to Sin City to visit the gambling mecca of the world But gambling is only one part of the city's story In this carefully documented history Geoff Schumacher tracks the rise of Las Vegas including its vital role during World War II the rise of the Strip in the 1950s the explosive growth of the 1990s and the colossal collapse triggered by the real estate bust and economic crisis of the mid 2000s Schumacher surveys the history of the iconic casinos debunking myths and highlighting key players such as Howard Hughes Kirk Kerkorian and Steve Wynn Schumacher's history also profiles the Las Vegas where more than two million people live He explores the neighborhoods sprawling beyond the Strip's neon gleam and uncovers a diverse community offering much more than table games lounge acts and organized crime Schumacher discusses contemporary Las Vegas charting its course from the nation's fastest growing metropolis to one of the Great Recession's most battered victims *Sun Sin Suburbia* will appeal to tourists looking to understand more than the glitz and glitter of Las Vegas and to newcomers who want to learn about their new hometown It will also be an essential addition to any longtime Nevadan's library of local history First published in 2012 by Stephens Press this paperback edition is now available from the University of Nevada Press

Played Out on the Strip Janis L. McKay, 2016-04-12 From 1940 to 1989 nearly every hotel on the Las Vegas Strip employed a full time band or orchestra After the late 1980s when control of the casinos changed hands from independent owners to corporations almost all of these musicians found themselves unemployed *Played Out on the Strip* traces this major shift in the music industry through extensive interviews with former musicians In 1989 these soon to be unemployed musicians went on strike Janis McKay charts the factors behind this strike which was precipitated by several corporate hotel owners moving to replace live musicians with synthesizers and taped music a strategic decision made in order to save money The results of this transitional period in Las Vegas history were both long lasting and far reaching for the entertainment industry With its numerous oral history interviews and personal perspectives from the era this book will appeal to readers interested in Las Vegas history music history and labor issues

The Moulin Rouge and Black Rights in Las Vegas Earnest N. Bracey, 2009-01-22 Originally opened in May 1955 the Moulin Rouge Hotel and Casino quickly rose in popularity as Las Vegas first racially integrated hotel and casino Sammy Davis Jr Louis Armstrong and other A list black singers and musicians performed at the Moulin Rouge on a regular basis and for once they were allowed to spend the night in the same hotel where they performed This book explains the important role that the hotel casino played in early desegregation efforts in Las Vegas With the Moulin Rouge as the backdrop it provides an analysis of the evolution of race relations in Las Vegas including a detailed account of the landmark 1960 desegregation agreement Finally it examines recent efforts to rebuild and renovate the historic establishment

Picturing Las Vegas Linda Chase, 2009 Through colorful photographs and firsthand narrative detail *Picturing Las Vegas* tells the story of a city whose history mirrors that of America itself a tale of the frontier

of corruption and greed of beauty and loss and ineffable hope From its hardscrabble origins to the Golden Age of the Rat Pack to today's mind blowing theme park casinos Las Vegas is the city that has it all Mobsters Mormons Elvis and Wayne Newton Siegfried and Roy It's a place where change is the one constant and where the pursuit of happiness is the only law In the words of writer Chuck Palahniuk it's the place that looks the way you'd imagine heaven must look at night Linda Chase is the author of *Surfing Women of the Waves* and grew up in Las Vegas She lives in California Explores the fascinating story of Sin City from its origins as a desert outpost to today's eye popping fantasyland

Reno, Las Vegas, and the Strip Eugene P. Moehring, 2014-09-15 Eugene P Moehring analyzes the development of Reno and Las Vegas since 1945 with special emphasis on the years after 1970 Major factors that shaped the development of both cities were the growth of corporate gaming and megaresorts and increased personal leisure and affluence Moehring provides an engaging informative and readable history of the divergent paths that Reno and Las Vegas took over the past forty years Reno the nation's gambling mecca in the 1950s led the way developing the successful tourist economy that Las Vegas later embraced Through the 1970s the two cities resembled each other greatly but Las Vegas grew to achieve global significance while Reno slowly declined searching for new industries to power its future Moehring shows that the development of the Las Vegas Strip was crucial to southern Nevada's success The casinos hotels and entertainments of the Strip and the workers they supported formed a new urban center ringed by offices residences shopping and a major university In effect it became a third metropolis governed by county commissioners larger than Reno and Las Vegas combined Moehring brings the story of the three cities to the present day examining lessons learned from the Great Recession and the efforts under way in all three metropolises to diversify their economies Moehring makes an important contribution with the only current study of Nevada's cities focusing on urban development issues rather than social history or the gaming industry As the service economy continues to grow not only in Nevada but throughout the United States Moehring's work has many implications for urban studies and particularly the study of urban development in other metropolitan areas

Broadway in the Box Kelly Kessler, 2020-04-01 It was as if American television audiences discovered the musical in the early 21st century In 2009 Glee took the Fox Network and American television by storm with the unexpected unification of primetime programming awkward teens and powerful voices spontaneously bursting into song After raking in the highest rating for a new show in the 2009 2010 season Glee would continue to cultivate rabid fans tie in soundtracks and merchandising and a spinoff reality competition show until its conclusion in 2015 Alongside Glee NBC and Fox would crank up musical visibility with the nighttime drama *Smash* and a string of live musical productions Then came ABC's comedic fantasy musical series *Galavant* and the CW's surprise Golden Globe darling *Crazy Ex Girlfriend* Television and the musical appeared to be a perfect match But as author Kelly Kessler illustrates television had at that point been carrying on a sixty year symbiotic love affair with the musical From Rodgers and Hammerstein's appearance on the first *Toast of the Town* telecast and Mary Martin's iconic *Peter Pan* airings to Barbra

Streisand's 1960s CBS specials *The Carol Burnett Show*, *Cop Rock*, *Great Performances* and a string of one-off musical episodes of sitcoms, nighttime soaps, fantasy shows and soap operas, television has always embraced the musical. Kessler shows how the form is written across the history of American television and how its various incarnations tell the stories of shifting American culture and changing television. Film and theatrical landscapes she recounts and explores this rich decades-long history by traversing musicals, stars and sounds from film, Broadway and Las Vegas to the small screen.

Las Vegas Eugene P. Moehring, Michael S. Green, 2005-03-16 The meteoric rise of Las Vegas from a remote Mormon outpost to an international entertainment center was never a sure thing. In its first decades the town languished but when Nevada legalized casino gambling in 1931, Las Vegas met its destiny. This act combined with the growing popularity of the automobile, cheap land and electricity and changing national attitudes toward gambling led to the fantastic casinos and opulent resorts that became the trademark industry of the city and created the ambiance that has made Las Vegas an icon of pleasure. This volume celebrates the city's unparalleled growth, examining both the development of its gaming industry and the creation of an urban complex that over two million people proudly call home. Here are the colorful characters who shaped the city as well as the political, business and civic decisions that influenced its growth. The story extends chronologically from the first Paiute people to the construction of the latest megaresorts and geographically far beyond the original township to include the several municipalities that make up today's vast metropolitan Las Vegas area.

Feeling Lucky Paul Franke, 2023-07-13 Monte Carlo and Las Vegas have become synonymous with casino gambling. Both destinations featured it as part of a broad variety of leisure and consumption opportunities that normalized games of chance and created emotional atmospheres that supported the hedonistic aspects of gambling. Urban spaces and architecture were carefully designed to enable a rapid growth of the casino industry and produce experiences on a previous unimaginable scale. *Feeling Lucky* is a making-of story about cities which acquired a strange and captivating allure of mystery around them. It is more than a mere descriptive account, however. Combining urban history, the history of consumption and sociological approaches, it presents a compelling comparative history of Monte Carlo and the Las Vegas Strip between the 1860s and 1970s. Paul Franke takes the reader on a journey from arriving at the cities through the carefully planned urban environments and into the famous casinos. The analysis follows the paths contemporary gamblers would have taken right to the gambling tables and to the shifting gambling practices across a century. Franke shows that casino entrepreneurs succeeded in producing and selling gambling experiences by controlling spaces, adapting leisure practices and appealing to specific markets. Gamblers on the other hand regarded Monte Carlo and Las Vegas as places to engage in games of chance that would allow them to preserve their political, cultural and moral identities.

Homeless in Las Vegas Kurt Borchard, 2011-04-28 The homeless men and women represented in this book speak candidly about their plight, its origins and the many obstacles to escaping it. They discuss the unique challenges and opportunities that Las Vegas's focus on tourism, indulgence and diversion offers its homeless residents. This compelling

and emotionally charged ethnography counters many of the stereotypes of homeless men and women revealing the remarkable diversity of their circumstances It also offers their perspectives on social services and civic attitudes toward homelessness *Becoming America's Playground* Larry D. Gragg, 2019-08-29 In 1950 Las Vegas saw a million tourists In 1960 it attracted ten million The city entered the fifties as a regional destination where prosperous postwar Americans could enjoy vices largely forbidden elsewhere and it emerged in the sixties as a national hotspot the glitzy resort city that lights up the American West today *Becoming America's Playground* chronicles the vice and the toil that gave Las Vegas its worldwide reputation in those transformative years Las Vegas's rise was no happy accident After World War II vacationing Americans traveled the country in record numbers making tourism a top industry in such states as California and Florida The Las Vegas Chamber of Commerce saw its chance and developed a plan to capitalize on the town's burgeoning reputation for leisure Las Vegas pinned its hopes for the future on Americans' need for escape Transforming a vice city financed largely by the mob into a family vacation spot was not easy Hotel and casino publicists closely monitored media representations of the city and took every opportunity to stage images of good clean fun for the public posing even the atomic bomb tests conducted just miles away as an attraction The racism and sexism common in the rest of the nation in the era prevailed in Las Vegas too The wild success of Frank Sinatra's Rat Pack performances at the Sands Hotel in 1960 demonstrated the city's slow progress toward equality Women couldn't work as dealers in Las Vegas until the 1970s yet they found more opportunities for well paying jobs there than many American women could find elsewhere Gragg shows how a place like the Las Vegas Strip with its glitz and vast wealth and its wildly public consumption of vice rose to prominence in the 1950s a decade of Cold War anxiety and civil rights conflict *Becoming America's Playground* brings this pivotal decade in Las Vegas into sharp focus for the first time

Sun Sin And Suburbia An Ebential History Of Modern Las Vegas Introduction

In today's digital age, the availability of Sun Sin And Suburbia An Ebential History Of Modern Las Vegas books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sun Sin And Suburbia An Ebential History Of Modern Las Vegas books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sun Sin And Suburbia An Ebential History Of Modern Las Vegas books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sun Sin And Suburbia An Ebential History Of Modern Las Vegas versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sun Sin And Suburbia An Ebential History Of Modern Las Vegas books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sun Sin And Suburbia An Ebential History Of Modern Las Vegas books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sun Sin And Suburbia An Ebential History Of Modern Las Vegas books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of

Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sun Sin And Suburbia An Ebential History Of Modern Las Vegas books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sun Sin And Suburbia An Ebential History Of Modern Las Vegas books and manuals for download and embark on your journey of knowledge?

FAQs About Sun Sin And Suburbia An Ebential History Of Modern Las Vegas Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sun Sin And Suburbia An Ebential History Of Modern Las Vegas is one of the best book in our library for free trial. We provide copy of Sun Sin And Suburbia An Ebential History Of Modern Las Vegas in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sun Sin And Suburbia An Ebential History Of Modern Las Vegas. Where to download Sun Sin And Suburbia An Ebential History Of Modern Las Vegas online for free? Are you looking for Sun Sin And Suburbia An Ebential History Of Modern Las Vegas PDF? This is definitely going to save you time and cash in something you should think about.
