AUTHENTIC TRUTH CANNOT BE SAID WITH WORDS IT CAN ONLY BE LIVED In The First Principle Osho captures the unique colorful seemingly crazy spirit of Zen through talks on a collection of Zen stories anecdotes of the often bizarre interchanges between a master and disciple in the quest for truth From these anecdotes Osho distills Zen s pragmatic essence for the reader and conveys an alive understanding of its message the first principle Speaking to the contemporary modern reader without robbing these old tales of their magic charm and humor Osho reminds us You are the shrine for the first principle So the only way is to go within Turn in That is what meditation is all about

The White Lotus: Talks on the Zen Master Bodhidharma Osho,2023-11-20 THE WHITE LOTUS IS A BEAUTIFUL SYMBOL White represents multidimensionality because white contains all the colors of the spectrum That is the most strange unbelievable quality about white it contains all the colors yet it seems to be colorless But it contains all those colors in such synthesis in such harmony that they all disappear They dissolve into oneness and that oneness is white White represents the ultimate synthesis and harmony And the lotus also is a great symbol particularly in the East The lotus represents the essential meaning of sannyas The lotus lives in the lake and yet the water cannot touch it It lives in the water and yet remains untouched by the water The lotus represents the witnessing quality of your being You live in the world but you remain a witness You remain in the world and yet you are not part of it You participate and yet you are not part of it You are in the world but the world is not in you When you become a calm and cool observer of life you are going to laugh not ordinary laughter but a belly laughter like a lion s roar And white lotuses will start showering on you
